Irritating Trouble Quickly Overcome.

If You Only Find Out the Right Course to Pursue.

Many physicians who advertise to cure piles, without the aid of the knife, simply use Pyramid Pile Cure remedies. They do so because they know it is the best medicine for obtaining a proper combination of the most scientific ingredients for the cure of piles.

Pyramid Pile Cure is not in an experimental stage, but is an established remedy and is recognized and used by the best physicians in the country. Being in suppository form, it reaches the trouble at once and the healing process is quick and effective; immediate results are obtained, and before the patient realizes the fact he has recovered from the pain, suffering and irritation which this trouble causes.

Children who suffer from this painful trouble, obtain relief at once. It is well with a very young child to reduce the size of the suppository before using. However if children are afflicted with piles, they should be treated without delay or the trouble may become chronic. Hundreds of little ones have been cured with Pyramid Pile Cure.

The prevention of piles is better than the cure and they can be prevented if only people would look to the regularity of the bowels and not become constipated. Constipation and its attendant ills can be avoided by the use of Pyramid Pile Cure. The proprietors of the Pyramid Pile Cure saw that it was necessary to use with the majority of their patients a mild non-irritating laxative, and the Pyramid Pills are sold by druggists everywhere for fifty and twenty-five cents per package.

A little book on the nature and cure of hemorrhoids or piles will be furnished free upon application to the Pyramid Drug Co., Marshall, Mich.

Poetic Justice.

A gentleman of an economical turn of mind wished to make a present to a lady. He went into a china shop, says an English exchange, where he happened to notice a valuable vase, which had just been smashed into a dozen pieces. "How much for that?" he enquired of the shopman. "Those pieces, sir?" said the shopman, in surprise. "You can have them for a shilling. It's quite past mending." He paid another sixpence for a box to pack it in, and told the man to send it to the lady's address, hoping that she would take for granted that it had been broken in transit. Unfortunately, however, when the lady came to unpack the box it transpired that the shopman had wrapped each fragment in a separate piece of paper!

This is the conclusion arrived at by numerous people in this neighborhood in taking of disease. Rheumatism, Backache, Heart Disease, even Catarrh, have been readily cured by this wonderful remedy. One of the sufferers cured by Dodd's Kidney Pills is Dame Joseph Millett. She says:—"I suffered much from malady of the Kidneys. It settled in the loins and gave me great pain and discomfort.
