Crerar Urges More Attention To Tourist Trade

OTTAWA, Aug. 25—(CP)—Canada is likely to enjoy a \$250,000,000 tourist business this year and it could be doubled by a well-planned and aggressive tourist policy, Senator F. A. Crerar (Manitoba) said today in the Senate. Senator Crerar was speaking in support of a report of the Senate tourist committee which proposed increasing financial assistance to the provinces in the construction of roads for the use of tourists. The Senate passed bills providing authorization for capital expenditures by the Canadian National Railways and amendments to the succession duties and excise profits tax acts. Senator Crerar said one of Canada's greatest problems was the discovery of means of meeting the

Press Search For Derelict Drydock

(By The Associated Press) NEW YORK, Aug. 25—One of the most intensive sea searches in the Atlantic since the end of the war is being pressed for sections of a partially submerged derelict floating drydock capable of sinking a ship the size of the Queen Mary, the Coast Guard said today. The navy drydock originally shipped from a navy tug in heavy seas about 300 miles off Norfolk May 30 and broke into two parts. Today the Coast Guard cutter Aquatic armed with demolition mines, was searching an area about 15 miles east of Norfolk for one part of the drydock after it had resided two direct hits from 500-pound bombs planted by navy carrier-based planes Thursday. Meanwhile, Coast Guard planes and vessels and a navy tug scoured an area approximately 100 miles southwest of Cape May for another section.

Field Day At St. Teresa's

A very successful Field Day was held at St. Teresa's Parish grounds under the auspices of the Junior Holy Name Society on Monday August 19. A keen competition was seen in all of the events. Among those present at the meet were Coach W. Reid, D.S.O., Director of Physical Fitness for P. E. I., who donated a sterling silver cup to the competitor who amassed the most points in the different events. This cup was won by John Bradley, a boy who was prominent in athletics at Dunstan's University. An anonymous donor gave a prize of five dollars to the girl who won the most points. This was won by Patricia Mooney, a feature of the event was the married men 100 yard dash, which was won handily by Adrian Bradley, a veteran of the circus. Credit for the success of the meet goes first of all to Father Basil Curran, former Physical Fitness instructor of the U. S. Army, and judged by Rev. K. C. MacPherson, P. E. Coach of the province, and Francis Evans, a P. W. C. athlete of note. These men were not only the winners, but also to those who forced the winners to extend themselves. Finally the young men of the parish are to be commended for the way in which they united their efforts to make the meet a success. The softball game was played in the evening between a Holy Redeemer team from Charlottetown and the "Bambinos" from the Peak's nine coming out on the long end of a 14-13 score. After the game the boys were treated to an appetizing supper by the ladies of the parish who also served supper to the many people who watched the events. The following is a summary of the field events: 100 yd. dash, boys 17 yrs. and over: 1. John Bradley; 2. Mike Handrahan; 3. Frank Corcoran. 100 yd. dash, boys 14-16: 1. Eddie Devine; 2. Leo Evans; 3. ACQUATIC SOLUTION SYDNEY, Australia—(CP)—Two Sydney firms are reported to be planning the production of houseboats for Sydney harbor to relieve the housing shortage. They would have one large and two small bedrooms, sitting room, dining room, kitchen and bathroom-laundry. Their prices would be from \$2,000 to \$3,000.

MISCELLANEOUS SHOWER—A very pleasant evening was spent at the home of the bride's parents, Mr. and Mrs. Earl Ward of Hampshire, on Aug. 25th, when a large number of friends and neighbors gathered to honor Mr. and Mrs. Leith Newson on their previous wedding on July 25th. The young couple were escorted to the seat of honor by Mr. and Mrs. Calvin Holmes, while Mrs. Easton played "Here Comes The Bride". Miss Marilyn MacLeod then presented the bride with a beautiful bouquet of flowers. The artistically decorated baskets laden with gifts were carried in by Milton Ward and Joan Stewart. The gifts were opened by Miss Norma Tremere and Miss Vera MacPherson, while the accompanying games were read by Miss Green and Miss Alice Edwards. Mrs. Calvin Holmes arranged them on the table, consisting of glass wear, china, silver, linen, bedding, and a substantial sum of money. The bride and groom thanked everyone for their lovely gifts and extended an invitation for all their friends to their new home in Kingston. The guests joined in singing "For They Are Jolly Good Fellows". The bride and groom were then bounced. A dainty lunch was then served by the ladies, after which the party departed for their homes wishing the guests of honor a long and prosperous wedded life.

100th ANNIVERSARY—Plans for the centennial of the 100th anniversary of the departure of Dr. John Geddie, pioneer Canadian missionary to the New World, are about completed. The celebration will be held in Charlottetown on October 1st, when the Synod of the Maritime Provinces of the Presbyterian Church in Canada will convene in regular session this fall. It was Prince Street Church, Pictou (young first Presbyterian Church) that John Geddie attended a young man and heard the call to the ministry. This is fitting that the 100th anniversary of his dedication and departure on his missionary labors should be in the church. The congregation of the church is planning to unveil a beautiful memorial to the memory of Dr. Geddie at a meeting of the Synod in October. Judge George Geddie, Patterson, New Glasgow, has consented to give a paper dealing with the labors of Geddie as a missionary to Prince Edward Island prior to his going to the South Seas; and Dr. Frank Baird, Fredericton, has been asked to give an appreciation and interpretation of Dr. Geddie's mission in the Canadian Church. (Eastern Chronicle).

NEWSON-WARD WEDDING—A pretty wedding was solemnized Thursday evening, July 25th at 6 o'clock at the Baptist Parsonage, North River, when Rev. A. E. Todd united in marriage Miss Leith E. Newson of Kingston, P. E. I. The couple were attended by Mr. and Mrs. Leith MacLeod of Hartsville. The bride wore a becoming dress of turquoise blue with white accessories and a corsage of pink roses. The bridesmaid wore a brown silk jersey with brown accessories. After the ceremony the wedding party left for Charlottetown where a beautiful wedding supper was served in the blue room of the Old Spain, then returned to the bride's home where a large group of charitaries were awaiting their return. After many expressions of good wishes to the bride and groom, they then left for their home in Kingston where they will reside.

"THE SPIDER" NEW MYSTERY HIT, HERE

"The Spider," 20th Century-Fox's suspense-packed story of a woman who held the key to the strangest terror that gripped the hearts of thousands, is now being shown in a new way. It's a handsome detective who knew every trick of the game, but not the way she played it—opens today at the Capitol Theatre. The exciting thriller-mystery boasts an outstanding cast headed by Richard Conte, Faye Marlowe, Kurt Krueger, John Harvey, Martin Kosleck, Mantan Moreland, Walter Sande and Cara Williams.

CROSBY AGAIN PRIEST, INGRID BERGMAN NUN, IN LEO MCCAREY FILM

The joys and sorrows, the triumphs and disappointments of life in a parochial school, motivate the story of Leo McCarey's "The Bells of St. Mary's," a Rainbow Production for RKO Radio, starring Bing Crosby and Ingrid Bergman. Crosby enacts the same character of Father O'Malley, as he had in "Going My Way" last year's Academy Award winner. Happily, he finds the priest relationship of St. Mary's, the priest re-nun with a little masculine realism. Happily, he finds the nun warm-hearted woman with a rich sense of humor, concerned only with the well-being of their young charges. Their gradual acceptance of O'Malley's ideas contribute to the picture's delightful humor. The invincible combination of Crosby and Bergman, as they play the very existence of their beloved school is threatened, and they give a great victory over the exponent of commercialism who proposes to have their school-site condemned in favor of his modern real-estate development.
