Only teachers know how trying it is at times to deal with a roomful of children.

What a relief, sometimes, when closing hour comes. Take time then, to make a cup of tea.

Nothing so soothing for tired nerves.

Mardocks was a great and gracious house, typical of much that is fine in English architecture and of some things hitherto regarded as solid in English life.

And what has been the net result of the stupendous struggle -- the vast and appalling sacrifice? Signs and portents were not lacking that the thing masquerading as freedom would need to be renamed, Severne was no shirker of issues, and he realized that the time had come for him to go forth and to battle with the hostile forces menacing the peace of the world.

But he would tell her, possibly that very afternoon. He was struck by her youthful appearance when he greeted her presently in the boudoir where she received only special friends. She was tall and slim, preserving in middle life the lissom grace of figure for which her house was famed.

self, his high gifts had neither uplifted him nor set him apart. His pride in his priestly office was high enough to reach the heavens, and for one so singularly human and lovable, had little tolerance for those outside what he believed to be the true fold.

Always a faithful churchwoman, Mrs. Manning had become since the Canon's settlement at Little Heath a devotee one. Every Sunday morning devoted or fine, she walked across the park to early celebration, thus setting an example to the parishioners. She was generous in money contributions, and had not got into the habit of appealing to the Canon for advice in temporal as well as spiritual matters.

"You are a little late, Canon. I expect some tiresome parishioner detained you."

"The school? Ah, yes, and has Miss Freeland by any chance enlightened you as to her real reason for leaving Mardocks?"

Of Course... you can serve it hot

Most people want a hot breakfast dish for a cold day. Shredded Wheat is deliciously warming when eaten with hot milk. Crisp the biscuits in the oven and pour hot milk over them. The flavory shreds retain enough crispness to encourage thorough chewing -- that's one reason it's so good for children. Delicious for any meal with fresh or stewed fruits.
