ALL PRODUCERS ARE CONSUMERS

The Consumers who are not producers or distributors are BARNACLES and not worthy of consideration. We are

DEPENDENT ON THE FARMERS FOR A LIVING

They are the producers of this country. We say produce all you can as cheap as possible. The Farmers do not believe in Big Stocks. That's what is the matter with the Pork Market.

We are overstocked. So to the careful and discounting buyer whether it be the farmer or his wife

WE APPEAL WITH CONFIDENCE.
