HELD UP IN CITY OF MONTREAL BY HIGHWAYMAN

MONTREAL, June 15.—Charles Randall, 2509 Hutchison street, engaged in the automobile parcel delivery business, was shot in the fleshy part of the right arm at an early hour yesterday morning by a highwayman on St. Lawrence boulevard, near Van Horne street. Mr. Randall was in the act of relighting one of the lamps of his automobile when approached by a stranger with revolver in hand, who asked him to hold up his hands and fork over his money. Mr. Randall had about \$100 in his pockets. He made a rush at the bandit and attempted to get hold of the revolver. While engaged in the scuffle the would-be robber fired at him, with the result mentioned. The highwayman got away without being identified.

Found a Friend in Dr. Chase

HIS MEDICINES PROVEN EFFECTIVE, AND ALWAYS KEPT AT HAND IN THIS HOME.

Mrs. Chas. Lovell, Agassiz, B. C., writes: "I feel it my duty to tell you what a great friend Dr. Chase's medicines have been to myself and family. I cannot praise his medicines too highly, and Dr. Chase's name is a household word in our home. Well, quite a number of years ago I sent to you for a sample box of Dr. Chase's Ointment for protruding piles, and, having used the sample and found relief, I sent to a neighboring town for four boxes, and I am completely cured. "I have also used Dr. Chase's Kidney-Liver Pills for constipation, and after using them, I am completely cured of this dreadful disease. I am the mother of ten children, of whom nine are living, and when seven of my children were all very bad with whooping cough, caught in the middle of a severe winter, I used Dr. Chase's Syrup of Linseed and Turpentine, and they were all cured before the winter was over, and now we are never without Dr. Chase's medicines in our home, and I recommend them to all."
