

**JUST ONE YEAR AGO**

We opened our doors to you, and almost from the hitting of the latch on that first morning you kept us steadily on the jump to make good our promise. — To do our best to serve you so satisfactorily that you'll never think of going elsewhere for anything in our line. — Perhaps in the rush of business we've failed sometimes to make that promise good, but our constantly increasing business, leads us to believe that not many have found us lacking in earnest efforts to keep our promise to the letter. We honestly believe that we're winning your steady ally all the year round with the goods and the service that we put at prices you're perfectly willing to pay. We thank you for the past year's favors and please believe our best efforts to still more deserve your patronage during the coming business year.

**ROYAL STEWART FLOUR**

This the best flour for general family use that we have handled for years. Having a large proportion of Manitoba No. 1 Hard Wheat in it gives it great strength and it will take more water in mixing and go much further than ordinary flour.

Besides making first class loaf bread it will also make the finest and whitest pastry.

Give it a trial when you want another barrel of flour and you will be both pleased and satisfied with it.
