At Zion Church, this city, on Sunday evening, at the close of the regular services, in the presence of a very large congregation, eight new elders were ordained and admitted to the session as follows:

Dr. C. C. Archibald, Abram Bonnell, J. Lester Douglas, Ambrose D. Fraser, Roderick Gillis, Sidney T. Green, B. W. LePage, W. B. Robertson.

This increases the number of active Elders to twenty. The minister, Rev. Geo. C. Taylor, preached from the text in Ecclesiastic 7:10 "Say not Thou, "What is the cause that the former days were better than these? for thou dost not enquire wisely concerning this". He deprecated the idea that the Golden Age was past and maintained that the world, in spite of all that spoke to the contrary, had never reached a higher level than that of the present day. He instanced the saints of the various periods of human history and showed that their conception of goodness and even the practice of it was very much below the present day standard. The saints must be judged by their historical setting. He spoke of the religious ideas of the Puritan age, when although intensely in earnest about the salvation of his own soul each man sought to make his escape from the City of Destruction ignoring the while that his neighbor also had a soul to save.

After the sermon and hymn the minister read the warrant and after reading the doctrinal statement with regard to the Office of Elders and explaining that the ceremony of the "laying on of hands", carried in itself no efficacy, but that the blessing came from God in answer to the prayer offered at that time; he then adressed the usual questions to the elders-elect which being answered in the affirmative brought the service to the point where the session with imposition of hands and prayer and later by the extension of the right hand of fellowship welcomed the brethren to take part with them in the ministry.

The Minister then addressed both the Session and congregation and appealed for a great forward movement on the part of all. The choir rendered the Consecration Anthem in splendid form. Miss Ethel Coffin taking the solo. Miss Hilda Barnes as organist did much to make the impressive service a thing long to be remembered.

Needed a Chair to Help Her to Work

NOW MRS. EASTCOTT IS PRAISING DODD'S KIDNEY PILLS

Port Hope Lady who suffered from Rheumatism and Heart Trouble tells how she found relief.

Port Hope, Ont., Jan. 21st—(Special).—Among the thousands of women in Canada who sing the praise of Dodd's Kidney Pills, none is more enthusiastic than Mrs. S. Eastcott, a well-known and highly respected resident here. And Mrs. Eastcott is always ready to tell the reason why.

"I have been a great sufferer from rheumatism and heart trouble for the last four years," she says in telling her story. "I doctored and tried all kinds of treatments, but got no good results. I got so bad I had to walk with a chair.

"After taking Dodd's Kidney Pills for some time I could walk alone. Now I am better than I have been for the last four years. I am on my eighth box and will continue to take Dodd's Kidney Pills till I am perfectly well."

Rheumatism and heart trouble are both caused by sick Kidneys. The weakened Kidneys fail to do their full work of straining the impurities out of the blood and the trouble begins. The rational treatment is to strengthen the Kidneys so they can remove the cause of the disease.

Ask your neighbors if Dodd's Kidney Pills are not the help sick Kidneys are crying for.

AGED 70 FEELS WELL AS HE DID YEARS AGO

CARMICHAEL HAD SUFFERED FOR YEARS BEFORE HE GOT TANLAC NEVER SAW A MEDICINE IN ITS CLASS, HE SAYS

"I am now past seventy years of age and have been in bad health for a good long while, but Tanlac has fixed me up to where I feel as fine as I used to years ago," said R. J. Carmichael, Head of St. Margaret's Bay, Nova Scotia, a few days ago. Mr. Carmichael is a retired carpenter and has lived in this community all his life.

"I had a chronic case of stomach trouble and it had been bothering me for years and years. After eating gas would form and cause me to bloat all up something awful. I had to give up eating the things I liked best and no matter how particular I was about what I ate. I always felt like I was being smothered. I had severe pains in my shoulder blades and in my chest and at times they nearly took my breath away. I was all rundown, weak and listless and it looked like I would never be any account again.

But I wasn't a man to give up and as I kept hearing a good deal of talk about Tanlac I concluded to try it. Well, sir, it is the only medicine that has ever helped me and it has fixed me up in great shape. My appetite is fine and I can eat anything put before me and it never causes any bad effects at all. Those pains have left my shoulders and chest and my breathing is free and easy.

"I have had asthma for years, I don't remember just how many, and Tanlac has even helped that. In fact, I have been built up all round, feel hale and hearty and have never in all my experience run across a medicine that I can class with Tanlac.

Tanlac is sold in Charlottetown at Reddin Bros.

The residence of Mr. John McLean, North Wiltshire, was the scene of a notable event on Wednesday evening at 7.30 when his daughter, Miss Annie, became the wife of Mr. George Beers of the Charlottetown Post Office staff. The ceremony was performed by Rev. Mr. Miller, assisted by Rev. R. H. Stavert of Hunter River. The bride, who wore a white satin, veil and orange blossoms was attended by two little flower girls, Misses Jean MacDonald and Anna Rogerson. Mrs. (Dr.) Rogerso rendered the wedding march in capital style. One hundred and forty guests were in attendance and the entire affair passed off most successfully. Many beautiful gifts were received. The groom's gift to the bride was a handsome silver tea service. The happy couple left yesterday morning on a wedding trip to Boston. They have the best wishes of a host of friends.
