They All Went Away Together
 P. A. BONNOT'S RHEUMATISM CURED BY DODD'S KIDNEY PILLS.

And When It Went All Those Symptoms Which Mark the Earlier Stages of Kidney Trouble.

Grand Clariere, Man., May 26th.—(Special).—"All persons who suffer from rheumatism should use Dodd's Kidney Pills." This is the statement volunteered by Mr. P. A. Bonnot, a well-known resident of this place. Asked to give the reasons why Mr. Bonnot said:

"I suffered for three years from rheumatism. I consulted a doctor without getting any results. Four boxes of Dodd's Kidney Pills fixed me up."

"That rheumatism is caused by sick kidneys failing to strain the uric acid out of the blood was again shown in Mr. Bonnot's case. His earlier symptoms were: heart flutterings, broken and unrefreshing sleep, a fitful appetite, a tired nervous feeling, a heaviness after meals, neuralgia and back-ache.

When he cured his kidneys with Dodd's Kidney Pills the rheumatism and all other symptoms of kidney trouble disappeared.

NEW GLASGOW—Sunday May 23, preaching 11 a.m. H. O. Crow, preacher. Special music in evening, not Central Church as per yesterday's paper.

ANOTHER DOLLAR DAY—Last evening the Retail Merchants held a meeting in the Board of Trade Room, which was well attended. It was decided to hold a Dollar Day on Wednesday, June 28th. It was also arranged to have a special shopping day to be known as "Nova Scotia Day" at a date to be fixed. A committee was appointed to make all necessary arrangements. It was also decided that all retail stores remain open on Saturday, June 3rd. A number of other matters were discussed and will be dealt with later.

BRACKLEY POINT—Rev. J. L. Dawson will conduct the service at Brackley Point to-morrow afternoon, and at Union Road in the evening.

BRILLIANT ISLAND STUDENT—In the course of the convocation exercises at Prince of Wales College yesterday the Principal in his address noted that this year a former student had proceeded to the University of Toronto, the largest university probably in the British Dominion, and there received her B. A. degree. This honor has been granted to Prince of Wales frequently by universities in the Maritime Provinces but probably this is the first occurrence when the University of Toronto has accepted the course of Prince of Wales College as equivalent to the first two years in Arts. The success of Miss Messervy has already been noted in these columns.

WINDOWS—Alley & Co. have two very pretty windows displaying white canvas and summer shoes—a shoe for every pastime, see them. 9936-5-27-M11.

MR. GARNHUM'S THANKS—Mr. Brent Garnhum wishes to gratefully acknowledge the many kindnesses extended him in connection with his Victoria Day excursion. Particularly is he indebted to Mr. F. J. Nash, of the Patriot and Mr. J. R. Burnett of the Guardian for generous advertising, which in a great measure was responsible for the success of the excursion. Thanks is due Hon. D. Nicholson, Mr. J. A. Messervy and Mr. J. M. Murley of the Western Union for assistance in arranging the trip. Captain Churchill and his gallant crew did all in their power to make everyone feel at home, and in this they succeeded. Special thanks is due Mr. W. T. Huggan of the Railway for patient and courteous treatment. Mr. Huggan is certainly the right man in the right place. Bandmaster McFarlane, and the members of the 105th band played themselves into the hearts of all the kind friends who look advantage of the excursion, and also the admirers of the musicians in New Glasgow and the kindness of all concerned is deeply appreciated.

SPRING MEDICINE
 Hood's Sarsaparilla, the Great Blood Purifier, is the Best.
 Spring sickness comes in some degree to every man, woman and child in our climate.
 It is that run-down condition of the system that results from impure, impoverished, de-vitalized blood. It is marked by loss of appetite and that tired feeling, and in many cases by some form of eruption.
 The best way to treat spring sickness is to take Hood's Sarsaparilla. This old reliable family medicine purifies, enriches, and revitalizes the blood. It is an all-the-year-round alternative and tonic, and is absolutely the best Spring medicine.
 Get your blood in good condition at once—now. Delay may be dangerous. Ask your druggist for Hood's Sarsaparilla, and insist on having it, for nothing else can take its place.
