A. Pickard, of A. Pickard & Co Charlottetown has purchased from Colonel A. J. Peake the wharf property in this city formerly known as Peake's Wharf No. 1 and more familiarly known now as the Plant Line Wharf as the Plant Line steamers have been calling here for the past several years. This wharf was built by Colonel Peake's grand-father the late Hon. James Peake, and is the second oldest wharf in Charlottetown, Queen's wharf at the foot of Queen Street being the oldest. Mr. Pickard is to be congratulated upon the purchase of this excellent property. He has carried on an extensive coal business at this wharf for some years and doubtless will be in a better position than ever to attend to the requirements of the trade.

The farewell service in the Salvation Army, Hall Charlottetown, on Sunday evening for Ensign Miller and Sister Lena McCallum, was well attended. Many words of appreciation of the work done by the Ensign who has been in charge for the past twelve months were expressed. Walter Commissioner McDonald in the course of a short address made fitting reference to the work and to the friendship of the Ensign who had done much good here. Other speakers were Ensign Anderson, Ensign Moore, Capt. and Mrs. Squarebriggs, Sgt. Major Renouf and Sec'y Cudmore. Ensign Miller goes to parashore and Miss McCallum to the United States. Capt. and Mrs. Squarebriggs go to St. John, Corps No. III.

Harry and Mrs. Weatherbie, Lake Verde, spent Sunday in Mt. Albion, the guests of W. and Mrs. Ballem.

H. H. Brown, the popular gent's furnisher of Charlottetown, is offering today some special values for military men that should win a hearty response from the wearers of the blue, scarlet and khaki. Mr. Brown is offering a good line of sea sonable articles—wearables that officers and men need right now—at such unusually low prices considering the quality of the goods that no man under canvas can afford to ignore the offers. Mr. Brown is well fitted to cater to the wants of military men for he is an old campaigner himself having served in the South African War and has always had the interests of the military men at heart as was shown recently when, through his efforts, the camp was retained here instead of going to Sussex. As a patron of rifle matches he has done much to develop the efficiency of Provincial marksmen and his present sale is just another sample of how he is endeavoring to aid P. E. Island's Militia on every possible point. The ad is worth reading—see it in this issue.
