A new set-up was necessary "to keep pace with the rapidly expanding tempo of the British Commonwealth air training program," the Minister declared. Further expansion of embarkation facilities in the very near future was inevitable.

Rev. Mgr. G. J. MacLellan, V. C. performed the ceremony and celebrated the Nuptial Mass. The ladies choir was in attendance and sang appropriate hymns during the ceremony. Mrs. Roy Silliphant who presided at the organ played the Wedding March as the bridal party entered the church. During the Mass, Mrs. Silliphant sang very beautifully, "Sweet Sacrament Divine" and while the register was being signed played the Rosary. The bride was very charming in a sleek length dress of navy blue silk crepe with navy hat and matching accessories. She carried an arm bouquet of gladioli.  
Miss Mary Gillis of Charlottetown attended the bride and wore a wool dress of soldiers' blue with matching accessories. The bride's mother wore a costume of black and white. The bride's brother, Mr. Alfred McKearney was best man.

### Plans made for Conference here

Plans for the Provincial sessions of the Trans-Canada Boys' Conference to be held in this city Oct. 31 to Nov. 2 were made at a meeting of the Prince Edward Island Boys Work Board yesterday. Leadership will be supplied by Rev. George Tuttle of the Religious Education Council of Canada.  
Rev. E. R. Woodside, Cornwall, presided at the meeting, which was held at Hunter River at the home of Rev. L. M. Murray. The board was informed that the Rev. W. C. Machum, Kentville, was in charge of arrangements for the Maritime provinces. The Rev. J. J. Levy, Charlottetown, is in charge of local arrangements. Dominion-wide conferences planned by the various Protestant bodies, including United Church, Baptist Church, Presbyterian Church, Anglican Church, Disciples of Christ and others, are being held during Autumn weekends, across the nation, Mr. Levy stated. The theme is "The Boys and the World." Boys of twelve and over and their leaders will assemble for the opening session at the Baptist Church on Friday evening, Oct. 31.  
Rev. J. J. Levy stated that the Conference, the first of this nature held in 25 years, is designed for church youth of the various church-affiliated organizations.  
The Secretary also referred to the Boys Parliament which is held annually at Sackville during the Christmas holidays. The selection of delegates was discussed and it was decided that delegates should be nominated at the Boys' Conference.  
A report of the Boys' Camp held in July at Marshfield was adopted.  
Rev. E. R. Woodside was confirmed in the office of chairman, and Rev. R. E. Shaw, New Glasgow, was named vice-chairman.

age per month cost value, or a grand total for the 16 months of \$435,904 face value of Certificates.  
"There have been no paid officials in Prince Edward Island in the War Savings Certificates work. All workers have given their services freely in this great public service. It will be pointed out to the honorable Minister that this is an agricultural province, there being only about thirty firms employing yearly fifteen or more of a staff according to Dominion statistics and wages are low so only a small investment can be expected from the Employer-Employee plan, apart from Government officials and Canadian National Railway employees.  
"It is estimated that about seven thousand of our young men have enlisted in the army, navy or air force, all potential purchasers for War Savings Certificates. I have been in touch with a number of the officers and men of these forces and find a good proportion of them are buying War Savings Certificates regularly because they are stationed in other provinces, this province gets no credit for the purchases unless the applicant gives his home address to have the Certificate mailed to.  
"I would also point out that of

### Elect Officers For Air Cadet Corps Committee

On organization meeting was held last evening to elect officers for the civil committee for the air cadet corps and to make arrangements for the visit of Wing Commander Metcalfe and Flying Officer G. A. Guymer who are organizing the air cadet corps of Canada. Mr. Peter G. Clark, presided.  
The officers elected were: Chairman, W. E. Darby, vice-chairman, Neil R. Durant, Honorary Secretary, R. S. Hinton; honorary treasurer, S. G. Merriam. Mr. Clark then vacated the chair and Mr. Darby, the newly-elected chairman, took over his new duties.  
Mr. A. R. Brennan reported that he had received word that W. C. Metcalfe and Flying Officer Guymer would visit Summerside on Friday and that a meeting was arranged for in the town hall when these distinguished visitors would explain the new air cadet unit. Parents and citizens were welcome at this meeting so that they would be able to get acquainted with the plans of the air cadet corp.  
It was also stated that these officers would meet the boys at the high school at 10:30 on Saturday morning. Much enthusiasm was shown at the meeting and no doubt the corps will meet with success in Summerside.  
The secretary was asked to write to the commanding officer at the Summerside airport to acquaint him of the progress made by the committee and to advise him of W. C. Metcalfe's coming visit.—S

**CBC Financial Report Submitted**  
OTTAWA, Oct. 7.—(CP)—The Canadian Broadcasting Corporation had a net operating surplus of \$183,585 during the year ended last March 31, it was shown in the CBC's annual report, submitted to Prime Minister Inouren by Rene Morin, chairman of the Board of Governors, and made public tonight.  
A summary of income and expenditures, signed by General Manager Gladstone Murray and Treasurer Harry Baldwin, listed income of \$1,032,784 and expenditures of \$3,930,209.  
By far the largest income item was the \$2,400,000 received in licence fees. Commercial broadcasting brought in \$895,066 while subsidiary hook-ups gave income of \$44,641.  
Expenditures on programs totalled \$1,221,755, station network \$725,969 and engineering \$746,154.

the thousand million dollars or more being spent in Canada for war munitions and plants none of it is spent in this province.  
"Last fall, the farmers sold their potato crop, which is looked upon as a cash crop, for less than it cost to produce the potatoes.  
"These things show why our subscription to War Savings Certificates is less on a per capita basis than in the other provinces of Canada which have a war boom with resultant high wages. In fact, the income in Prince Edward Island is the lowest per capita of any province in Canada.  
"However, notwithstanding these disabilities, our people, young and old, rich and poor, have responded to the call by a good contribution and I feel this fall, our farmer friends will be able to invest even a larger amount in War Savings Certificates as the prospect of prices for their produce is more encouraging.  
"From the amount already invested in War Savings Certificates, the purchasers in this province will receive when the Certificates mature as profit or interest \$87,181 in addition to the return of their invested capital. It is investments of this kind that will do much to help overcome inflation and stabilize conditions in Canada.  
"The fact that Mr. Hisey, Finance Minister of Canada, one of the busiest men in the land, has come to Prince Edward Island to speak to us on the subject of War Savings Certificates indicates that the work is looked upon as of prime importance."

**Liberals claim By-election victory**  
MONTREAL, Oct. 7.—(CP)—Liberal Party headquarters claimed today that L. Omer Perrier, their candidate in the St. John's-Parishville provincial by-election yesterday won the election by 94 votes, but Union Nationale organizers said they had no indication their standard bearer, Paul Beaulieu, was beaten.  
The Liberals said that on the basis of reports from party representatives Perrier definitely was elected with a majority of 94. The Union Nationale said that some reports reaching them claimed the two candidates had tied and others that Perrier won with a majority of 36.  
The Union Nationale organizers said the question definitely would not be settled until revision day Thursday. The solution remained in the ballot boxes where most of returning officer Louis Lord's deputies placed their total slips without reporting.  
In Huntingdon, however, victory of Liberal candidate, Denis J. O'Connor, became more and more decisive as results came in from outlying polls. With only two of the constituencies 26 polls to hear
