

QUEEN'S CANADIAN FUND DONATIONS FOR AIR RAID VICTIMS

Repeated bombing raids on British port areas and the industrial Midlands has attracted fresh attention to the plight of the thousands of civilians who are harried from their homes and finally driven into the open country by successive raids. Eventually places are found for them all, places of relative security, but their belongings of all kinds are destroyed. The task of emergency feeding alone is difficult. The task of setting them up once more with some quantity of clothing and bedding is much more difficult.
