Valuable Foxes For Sale The undersigned offers for sale the following valuable Foxes:— Four male Foxes—pure black. Five Female Foxes—pure black. Six Female Foxes—pure silver (some dark silver) Two Male Foxes—pure silver. One Cross Fox—mostly black and silver. I claim an expert knowledge of foxes and fox fur. There is only one section of Canada where the Hudson Bay Company gets its choicest fox furs. These rank on the London market with the best furs from this province. Since last fall I have been in correspondence with the fur dealers of this Hudson Bay section with a view to securing some of their very best stock. I visited the section recently and out of hundreds of foxes offered for sale I had first choice and selected the above. They are all free from rust and the blacks have no white hairs (except the white tipped tail). They are all young foxes, now quite tame, larger, stronger and better developed than the Island fox. This province is now suffering the penalty of too much inbreeding. Here is the very stock with which our best Island foxes should be mated to produce the surest crop and the best results in the choicest fur. These foxes will be sold singly or in pairs, or the whole may be disposed of in one lot. The foxes may be inspected at any time by proposed purchasers. For time and place of inspection and terms of sale apply to one of Mr. John H. Bell, K. C., Summerside or to the undersigned. ARTHUR HOLLAND, at Cape Traverse. 184-7-10atEftf
