THREE CARS IN DITCH - In the short distance between Summerside and St. Eleanor's, three cars were to be seen in the ditch yesterday. One car was on its side by the side of the road within the town limits just at the Water Street West curve. Apparently it skidded on the wet pavement and no one was injured.

Another car was in the ditch just beyond the Imperial Diner, considerably damaged. It is understood that it had been in collision with another car which was able to proceed after the accident. One young woman in this vehicle suffered facial cuts and had to be treated at the hospital. Another car was in the ditch below Village but no information could be obtained on it. All three accidents happened some time Thursday night.

BLOOMFIELD Y.P.U. MEET - Bloomfield Young People's Union met in regular session in the Sunday school room of the Church on Tuesday, Nov. 15, with the president, Mr. Heber Profit presiding and conducting the worship service. A report on the Western Young People's Rally, held in Montrose on Nov. 2 was given by the Minister, Rev. W. G. Dickson. The Y.P.U. decided to put on a Christmas pageant, to be magnificent with Mr. A. W. Crosswell directing the performance. Last Christmas the Young People's Union put on a very successful Christmas pageant which was listened to with rapt attention by the congregation. The secretary was asked to contact the National Film Board headquarters in Charlottetown, to ascertain when a projector would be available for O'Leary and vicinity. A letter was read from the Alberton film committee asking if the Y.P.U. would donate \$30 towards buying a projector for Alberton and district. This was laid on the table until the young people could find out what the projector was for. O'Leary getting a projector, as O'Leary is only 5 miles from Bloomfield and Alberton is about twice as far with steep hills, difficult to navigate in winter weather. The Holy Communion, after which the Mizpah Benediction was pronounced and a period of games enjoyed with Mrs. Heber Profit as leader.

Lovely Autumn Wedding At Kinkora

A lovely autumn wedding was performed at St. Malachy's Church in Kinkora at 8 A.M. on October 31st when Rev. Father McQuaid, parish priest, united in marriage Theresa Myrtle, daughter of Mr. and Mrs. Patrick McCarville, Kinkora and James Harold, son of Mr. and Mrs. Albert McQuigan, Kinkora.

The bride looked charming in a cream gabardine suit with matching accessories and she carried a corsage of yellow chrysanthemums. Miss Mary Green was bridesmaid and wore a pink gabardine dress with corsage of pink carnations.

The ceremony was attended by Leonard P. McCarville. During the nuptial mass Dr. G. J. Gallant sang appropriate hymns. Immediately following the ceremony, a reception, attended by some forty guests, immediate relatives and friends of the bride and groom, was held at Hillcrest Lodge, Summerside East. Rev. Father McQuaid proposed the toast to the bride and the groom fittingly responded.

Mr. and Mrs. McQuigan left on a motor trip to Saint John, N.B. The bride is a popular member of the staff of the Prince County Hospital. The groom a prosperous farmer in Kinkora.

Previous to the wedding the bride was presented with a beautiful gift from the nursing staff of the Prince County Hospital and many friends and neighbors of the bride and groom honored them with a shower where they were recipients of many lovely gifts.

The turnip market is quoted at from 43-50c per bus, and we wonder why there is this difference in price. On the Burden Line top price offered is 45c per bus, at the farm while at Hunter River the price is 45c per bus, at the car. At Charlottetown they are 45c-58c per bus, at the car. At Vernon River they are 45c per bus at the car. At Cardigan they are 43c-45c at the farm.

Charles Simpson got into the game for Summerside in the second half and his shots on basket made a lot of difference, the home boys edging the Abegweits 17 to 10.

The shooting of the Summerside squad was very bad, especially in the first half, but their ball carrying and passing were on a par with the visitors who showed considerable accuracy in their sniping. Glover potting two baskets from away out.

Glover was high scorer for the Abegweits, getting ten points and a sufficient number to give a nine. Simpson led the scoring for Summerside High, chalking up a total of ten points.

Line-ups:

supply the Province's needs this deficit will probably increase to over 100 by the time the next Red Cross Blood Donor Clinics are held here in December. This means that in order to replace the amount that will be overdrawn and provide a sufficient quantity to keep up the supply until March, 1950, the Province will have to make an all-out effort to exceed its quota of 500 bottles during the week of December 12th.

Anyone who is in good health and between the ages of 18 and 65 years can give a blood donation without any fear of it causing any pain or having any adverse effects whatsoever. At this time of year, with Christmas in the offing, what better gift could anyone give than a blood donation which will do much to save lives all the year through.

When the Mobile Team from Halifax visits this province during the week of December 12th, Clinics will be held at Summerside, at the R.C.A.F. IN MEMORIAM

MR. THOMAS SIMMONS

Crapaud and surrounding districts lost one of their oldest and most respected citizens in the passing of Mr. Thomas Simmons on October 15, 1949 at the age of 87 years.

Although not in robust health for some time his condition only became serious two weeks before his death.

Born in Westmoreland in 1862 he practiced farming there for several years. His wife, the former Eliza Collett, predeceased him twenty-eight years ago. In 1925 he married Eliza Yeo who being in a precarious state of health at the time of his death passed away just six days later.

Mr. Simmons was of a quiet and kindly disposition and never could it be said of him that he had an enemy. He will be greatly missed in the community where he was a friend to all.

Left to mourn the loss of a loving and good father are, Hazel, Mrs. Wilmet Large, Charlottetown, Mildred, Mrs. Earl Francis, Charlottetown, both of whom tenderly cared for him in his illness, Lorne, Cambridge, Mass., who arrived home for the funeral, and Everett, Summerside, also one sister, Mrs. Howard Calbeck, Tryon and one brother, Warren, Craupaud and the following grandchildren, Elizabeth Large, Fredericton, N. B.; Denton Francis, Charlottetown; Erroll Francis, Charlottetown, Mrs. Stanley Mayhew (Muriel Francis) Westmoreland and Norman Simmons, Summerside, Waldron Simmons, Cambridge, Mass., and Mrs. Arthur Bronk (Florence Simmons) New York City, N. Y.

The funeral under the direction of Mr. Percy Dawson, was held on Monday afternoon from his late residence and was very largely attended. Rev. C. A. Hicks, Tryon conducted the service at the home and at the Westmoreland Baptist Church in Charlottetown.

Publicizing. Needless to say, the Students' Union of our post war years is not letting any grass grow under its feet either, and one of its latest dreams, which has been recently realized is the drawing up of a series of talks to be given by prominent alumni.

Mr. L.F. MacDonald, Principal of Queen Square School, began this series of addresses on last Friday evening by speaking to the students of all college years on "Teaching as a profession for Catholic young men." Mr. MacDonald stressed, among other things, the need as never before of teachers, indoctrinated with the Catholic view, and with the ability to put their knowledge to one of its worthiest uses, the training of our youth of today - the men and women of tomorrow. Mr. MacDonald is active in many Charitable organizations, and the students are deeply grateful to him for the contribution of his valuable time to their interests.

St. Dunstan's was saddened last week on learning of the death of Rev. D.P. Croken, a former Rector of the College. Father Croken was ordained in the Propaganda College in Rome in 1908. He served as parish priest at Georgetown, Montserrat, Fort Augustus, and Southville, before being called to St. Dunstan's from the latter parish in 1943. The faculty and students of St. Dunstan's extend their sincerest sympathy to his bereaved relatives.

What would you have done if you had been leisurely strolling down a corridor and heard someone saying, "You take this one, and I'll take that one." You'd be amazed, so was I, but here's the story. The speaker was none other than the hockey trainer, A.J. MacAdam, who was trying to "sift out" his hockey hopefuls for first team, and was designating "Joe Shreenan" as probable material for second team. The coach, Father George MacDonald was taking a momentarily impressive view of the situation. The large turnout of hockeyists who had been appearing on the Forum for practice had left them with no other alternative.

Basketball coach Father W.J. MacGuigan and manager, Rev. Doucette are faced with the prospect of another sort. Six of their stalwarts of last year are now alumni, and only three of last year's team remain on the campus. On a chance meeting with Reg the other day, he asked me, "How are you at basketball?" Yes, folks, the situation is critical, but we are banking on the powers that be to bring out a championship team. Incidentally, one of our new coaches, a former basketball player, has been doing a bit of practicing on the basketball court lately.

And now a word from I.S.S. St. Dunstan's was represented at the National I.S.S. convention in Montreal last week, by Rev. J.P.E. O'Hanley and Charlie Kelly. Nothing definite has been learned as yet on the topics that were discussed there. The local branch of I.S.S. is making preparations for a variety concert to be held in the near future for students; and wait a minute, listen to this: It is possible that a second showing will be made for the residents of Charlottetown. More news on this at a later date.

If you chanced to be passing the Holy Name Hall Thursday after-

noon and heard noises of an unusual nature, don't be alarmed! It was merely the gals and boys at the regular social making merry with an old time set. It has been reported since that one insurance company at least is working on a new clause, "Life expectancy will be lessened by eight years for applicants who are participants, or even visitors, at S.D.U. weekly socials."

Until next week, so long.
