BOTHA SAYS BOERS ARE NOT VANQUISHED.

CAPE TOWN, July 27.—In a recent speech at Pearl, Cape Colony, General Botha said that all of South Africa was under one flag but that the Boers had not been vanquished. Darkness was in front of them, he said, but faith and hope would guide them through it. Africa was their fatherland, their birthright and their inheritage.

When the Bowels are Constipated

It is a serious matter to neglect constipation. You may do so for a time, only to find that your health has been undermined by bodily derangements of the most fatal kind. You should have a movement of the bowels every day. To accomplish this, avoid concentrated foods, use vegetables and fruits freely, and take one of Dr. Chase's Kidney-Liver Pills before retiring, two or three times a week, or oftener if required.

Dr. Chase's Kidney-Liver Pills are not an ordinary cathartic. They have a specific and combined action on the kidneys, liver and bowels, and consequently cure constipation and the accompanying derangements thoroughly and well, by removing the causes.

For the information of those who are not yet familiar with the peculiar merits of Dr. Chase's Kidney-Liver Pills, we might add that they are purely vegetable in composition, pleasant and natural in action, and remarkably prompt and far-reaching in effect, even in the most serious and chronic cases of constipation, kidney and liver diseases and stomach troubles.

One pill a dose, 25 cents a box.

A Lost Art of the Hindoos.

The Hindoos appear to have made wrought iron directly from the ore without passing it through the furnace, an art now lost. Elaborate iron pillars made by that system are still seen in India, some of them dating from ten centuries before the opening of the Christian era.
