IN MEMORIAM

MR. JAMES DUNN.

Seldom has the shock of death brought deeper sorrow to a community than that felt by the people of Mt. Stewart on Wednesday morning Dec. 2nd, when the sad news spread that Mr. James Dunn had passed away at the age of 63 years. The deceased had enjoyed comparatively good health until about one month previous to his death when he complained of not feeling well. Medical aid was at once secured but in spite of all that medical skill could do and constant attention of a devoted family he gradually sank until the end came and he calmly and peacefully closed his eyes to all earthly scenes. The late Mr. Dunn was regarded as an upright and honest citizen. He was greatly comforted during his illness by consoling visits from his pastor, Rev. A. P.

McLellan, who was at his bed side shortly before he passed away. He is survived by a widow and seven children: Vig Hilda of Boston, Reginald Herbert Ralph Elmer Inez Bernice at home and three brothers and two sisters all of whom will ever cherish the memory of a loving husband, father and brother. His funeral which took place on Saturday morning was largely attended. The funeral services were conducted by the pastor Rev. A. P. McLellan and all that was mortal of a loving husband and father was laid to rest to await the glorious resurrection. The pall bearers were Messrs John Timmins Joseph A. McDonald Benjamin Douglas, John J. McDonald Artomas Coffin, John Trainor. Sleep on dear father, thy work is o'er. Thy willing hands will toil no more. Though thy kind bright face we shall long to see. We know in Heaven Angels welcome thee.

Father McLean left for Charlottetown yesterday afternoon after a most pleasant visit.

—ENJOYABLE DANCE.—A most enjoyable dance, under the direction of the Women's Institute was held in Peake's School room on Monday evening, Jan. 4th, a large number of the young folks of the surrounding districts being present. A most interesting feature of the evening was the drawing of the beautiful comforter which was being lotteried by the ladies of the Institute. Mr. Aeneas McDonald, Peakes was called upon, in a well worded speech, briefly outlined the workings of the Institute and in behalf of the ladies thanked those present for their assistance. The drawing of tickets then followed, the "blanks" being drawn by Mrs. George Laird Lorne Valley, while Miss Nellie McCarthy, Morell, drew the numbered tickets. The lucky winner was Miss Marcella McDonald, Luncheon was then served and the dancing continued. The music which was furnished by Messrs. Chester and Hector McDonald was as usual of excellent order so that altogether a most pleasant evening was spent.

—PRESBYTERIAN CHURCH.—The annual meeting of the Summerside Presbyterian Church was held in the Church Hall on Wednesday evening and was called to order by Mr. George Hogg, chairman of the Board of Managers. The meeting was very largely attended and a spirit of cheerful optimism prevailed. A printed statement of the financial activities of the church for the year ending Dec. 31, 1925 was distributed, and showed all departments of the church's work to be in splendid condition. The Treasurer reported a tidy surplus on hand after paying all the running expenses for the year, including the installation of two new furnaces. The Session, the Sunday School and the Ladies Aid all showed financial balances on hand; and the Missionary organizations of the Church approved to have been splendidly supported. On the whole the report all showed that 1925 was one of the most successful years in the church's history. Forty two new members were added to the communion roll during the year, a pleasing feature of the meeting was the presentation of a purse to Rev. G. S. and Mrs. Mitchell, accompanied by many expressions of the congregation's appreciation of their fine leadership. The last hour of the evening was devoted to social intercourse, when refreshments were served by the ladies of the congregation.

"Not by Meat Alone"

Leading fox ranchers have demonstrated that, in addition to meat, it is absolutely necessary to feed a liberal supply of IMPERIAL BISCUITS daily during the winter season, in order to keep the bowels regular and also to ensure the females having an adequate supply of milk during the lactation period.

IMPERIAL COD OIL BISCUITS are made from a formula which has been prepared with these results in view and which reliable tests, extending over a considerable term of years, have proved to be signally successful.

Ranches, which have continued the feeding of IMPERIALS regularly in winter have had the largest litters of young foxes and also the highest average of pups raised to maturity; in addition, they have practically eliminated the destroying of young by the females.

For assured results feed IMPERIALS throughout all the winter season. IMPERIALS are sold by leading distributors or direct from the factory.

Protect Your CHEST

THE seeds of bronchial trouble are sown during the present trying weather. For both strong and weak-chested a few Peps tablets afford the best and surest defence.

Peps quickly soothe and heal raw, sore throats; they banish coughs, colds, and chills, and strengthen the whole of the bronchial tubes.

As a Peps tablet dissolves in the mouth, certain healing and germicidal fumes are released which permeate the whole of the respiratory tract. Thus, the healing Peps medicine is breathed deep into lungs and to all the vital parts. It reaches sore and inflamed membranes never touched by mixtures and syrups swallowed into the stomach.

PEPS are now obtainable of druggists and stores everywhere or from Peps Co., 250 St. Toronto. 25c. box contains 24 tablets.
