WEDDING BELLS—The Methodist church at Cherry Valley, was the scene of a very happy event on Wednesday evening July 6th, when Mr William J McEachern, of Mt Albion, led to the altar Miss Jennie Jenkins, daughter of William Jenkins, River View Farm, Vernon River Bridge. Rev J W McConnell was the officiating clergyman. Mr Dingwell Jenkins supported the groom while Miss Laura McEachern acted the part of bridesmaid. After the ceremony the newly married couple, accompanied by a number of invited guests, repaired to the home of the bride where they partook of a sumptuous repast and spent a very enjoyable evening. The wedding presents were numerous and elegant and gave evidence of the high esteem in which the bride was held. Mr and Mrs McEachern have the best wishes of a host of friends for a long and happy wedded life.

ORWELL NOTES.—Fine weather for the crops. Hay in this vicinity is up to the standard. Our enemy, the potato bug has come to stay.—The thunder and lightning accompanied with heavy rain on Sunday evening last did some heavy damage in this and surrounding parts. The vacant dwelling house, owned by Angus McLeod, California, and formerly owned by Roderick Nicholson, now of Grand View, was badly shattered, and a barn owned by John F McDonald, Orwell, was almost torn into shreds.—Orwell Cheese Factory is doing a rushing business. Messrs Dingman Brothers, Macd'ald and Grant are able to manufacture 20 cheese per day, (notwithstanding this hot weather).—Mr A D Gillis, of Charlottetown, (formerly of Orwell Cove) has removed with his family to Pinette Bridge, where he intends to purchase the entire estate of Mrs Donald McDonald.—At the annual meeting of the ratepayers of the Orwell Cove School District, Messrs Levi R Ings, James McLean, R C McDonald, were appointed trustees, and Patrick J Bolger, as teacher for the ensuing year. It was unanimously resolved that the sum of one hundred dollars be voted payable in three years for the purpose of moving the school to or near Dreehan's Corner and to enlarge the same with a view of making a graded school. Since the annual meeting it is rumored throughout Orwell and elsewhere that the trustees have under consideration to call a mammoth tea party at or near Brush Wharf, between hay-making and harvest. The proceeds would go towards the erection of a public hall and graded school combined. We hope that the trustees will see their way clear and have a memorable day at Brush Wharf—boys don't fail. The many friends of Hon A B Warburton in this vicinity are rejoicing over his recent appointment to the judgeship. (Where is Hector C?)—A happy event of more than general interest is about to take place between one of Charlottetown lady musicians and one of our well known grist millers. (Success and congratulations.)—Mr Daniel A Nicholson, Kinloch, is about to build a silo, which when built will be one of the finest in the province. Mr Nicholson, is we understand, going to rent about 12 acres of land from Malcolm W Gill's for a term of nine years.—Messrs Anderson Bros are doing a rushing business.—Murdoch G, proprietor of the Eureka Saw and Grist mills and saw and door factory is kept busy night and day, and manufactures work second to none in the province. Mr Anderson has one of the best equipped stands in P. E. I.—There is some talk here to have an excursion from Orwell to Pictou, on the S S Jaques Cartier.—Misses Sarah and Lucy Callaghan. City are the guests of Miss Katie Morrissey.—Mr Clarkin city, Mr McDonald DeSable, Mr Johnson Halifax, Frank Young, Wood Islands, Stanley McRae, Pictou, Katie Gillis, Boston Mass, are enjoying their holidays here.—Mr Angus J Nicholson arrived home last evening from St Johns Newfoundland. Last Spring Mr Nicholson embarked on the S S Guluaire, for the Summer's outing but upon sea sickness not agreeing with his health, he left her at St John's.

Undertaking notice.—Mr A H Clements who for the last few years has been in charge of our undertaking department is not now in our employ—Night calls can be made at the residence of either Mr M Wright or Mr S D Wright by telephone or personally, and will receive prompt attention. — M. Wright & Co. Funeral Directors. 9, d'w.

KLONDIKE BAR

Important Announcement GREAT INTEREST TO FARMERS.

THE management of the Charlottetown Soap Works, announce to the farmers of Prince Edward Island, that they have purchased at a very low figure for a term of years all the grease by-product of the Charlottetown Pork Sacking Factory, accumulating from time to time, and are in a position to supply farmers and others with a cheap soap far superior in quality to the home-made article, and at a price so low as to make it scarcely worth while to worry about soap supplies hereafter. **KLONDIKE BAR** will be for sale by all dealers at the low price of 30 cents a bar of three pounds. **THINK OF IT!**—A first-class laundry and scouring soap only 10 cents for 3 lbs. It will be a waste of time and money for farmers to bother about soap making now. The grease he has sold to the Pork Factory for 5 cents per lb. will be returned to him, via manufacturer into a first class article of soap at a cost of 1/3 fraction over 30 per lb.
