

ZAM-BUK SAVED MY ARM, AND WOULD HAVE SAVED MY FINGER IF I HAD USED IT.

Mr. John Evans of 87 Lawrence St., Halifax, N.S. makes this statement. He says:—"Three years ago I had a sore on my finger, which turned to blood-poisoning. We tried various remedies, but the finger got worse, and we called in a doctor. After two or three days he lanced it, and came every day for three months. My finger and hand were then in a terrible condition. The poison had spread to the palm of the hand, and I was almost frantic with the pain. I called in a second doctor, and after a conference the two doctors decided on an operation. The finger was amputated, but the wound would not heal. The blood poison spread throughout the hand, and along the whole length of my arm. A second operation was performed, and some of the tendons taken out of my hand. Even this did not end the trouble, and the wounds left by the operation would not heal. In a short time it was clear that the poison was extending right up my arm, at intervals along which great lumps were raised. This was my condition when I tried Zam-Buk. In three days the pain was reduced so that I could obtain some sleep. Within a fortnight the lumps on my arm had

disappeared. As I continued with the Zam-Buk the open wound on my hand and the stump of my finger began to heal. The doctors all along noted what Zam-Buk was doing, and it was clear to them that Zam-Buk was effecting a cure where their methods had failed. By the time I had used less than a dozen boxes of Zam-Buk my hand was completely healed. I am quite sure Zam-Buk saved my arm."

Low she lies, who blest our eyes
Through many a sunny day;
She may not smile she will not
rise.
The life hath passed away!
Yet there is a world of light be-
yond.
Where we neither die nor sleep—
She is there, of whom our souls
were fond—
Then wherefore do we weep?

The heart is cold, whose thro's were
fold
In each glance of her glad bright
eye;
And she lies pale, who was so
bright,
She scarce seemed made to die.
Yet we know that her soul is happy
now.
Where the saints their calm watch
keep.
That angels are crowning that fair
young brow—
Then wherefore do we weep!

Her laughing voice made all rejoice,
Who caught the happy sound;
There was gladness in her very step,
As it lightly touched the ground.
The echoes of voice and step are
gone;
There is silence still and deep;
Yet we know she sings by God's
bright throne—
Then wherefore do we weep!

The cheek's pale tinge, the lids dark
fringe,
That lies like a shadow there,
Were beautiful in the eyes of all—
And her glossy raven hair;
And that that lid may never wake
From its dark and dreamless sleep,
She is gone where young hearts do
not break.
Then wherefore do we weep?

The world of light with joy is
bright,
This is a world of woe; (taken

DAILY SELECTIONS FOR GUARDIAN READERS

Furnished by W. S. Louson.

The earth affords no richer treasure than a good friend. He is ready to serve you with his money, his hand, his brain and his heart. You may not need his money; and if you are a true friend you will not care so much for his money as for some other things. You may not need his helping hand; but you will need his brain and heart. You will need his counsel and goodwill. You are more concerned to know what he thinks of you and how he feels towards you than what he can do for you. Some friendships, like eggs, are easily broken. They never were sound. Selfish friendships are common, but utterly worthless. Some persons act in a friendly way because they think they see a chance to make a gain out of you. Refuse one of their selfish demands, and they will leave you. "He that will have friends must show himself friendly."

I would be true for there are those who trust me. I would be pure for there are those who care. I would be strong for there is much to suffer. I would be brave for there is much to dare. I would be friend to all—the foe—the friendless; I would be giving and forget the gift. I would be humble for I know my weakness; I would look up and laugh and love and lift.

Shall we grieve that her soul hath,
Because we dwell below?
We will bury under the mossy sod,
And one long dark tress we'll keep.
We have only given her back to
God—
Oh! Wherefore do we weep?

The reader will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Carter's Catarrh Cure is the only positive cure now known to the medical fraternity. Carter's Catarrh Cure is a constitutional treatment. Hall's Catarrh Cure is taken internally acting directly upon the blood and mucous surfaces of the system, thereby destroying the cause of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Carter & Co., Seedmen advise that they have a shipment of Irish Cobbler Potatoes on the way, and that these potatoes are Canadian grown, and therefore could not be in any way affected by the disease called Canker. We understand this disease is very prevalent in Europe and no doubt many of the Potatoes imported into this Country are affected and we understand the Government are taking measures to guard against any importation of this disease through the importation of Seed Potatoes, which not only affects the Potatoes, but the health of the Consumer as well. Would advise buying Canadian grown Potatoes and not take any chances with Potatoes that are brought across the ocean. Carter & Co., are now sending orders for this variety. 4-12d1w.

What's the difference?

SCRATCH the name from the box—hide the imprint on the wrapper—and your Tuckett's Special Turkish and imported Turkish look like twins.

But there is a difference! Oh, yes, there is the little duty difference of 10 to 20 cents which the purchaser pays because he allows himself to be hypnotized by the glamor of the word "imported."

There is also another significant distinction. Every ounce of tobacco that goes into Tuckett's Turkish Cigarettes is selected from the small and choice leaves raised in the finest tobacco growing districts of Turkey. Every bale we buy must come up to the Tuckett standard before it is O.K.'d by the Tuckett buyers. Over fifty years' experience in buying and blending has taught us what that standard should be.

Tuckett's Cigarettes

In flavor, fragrance, and luxurious appearance, Tuckett's Special Turkish Cigarettes afford you that full sense of keen enjoyment that obliterates all thought of price.

Three Varieties:
Tuckett's Special Turkish, 15c. for 10
Tuckett's Club Virginia, 15c. for 10
Tuckett's T. & B., 15c. for 10
