FIRE RECORD OF THE PAST YEAR

Excellent Work of Charlottetown's Volunteer Fire Department—Only two Total Losses—48 Alarms

The fire flames up to a redenning sky;
On God and the firemen the people cry;
The fire's put out and everything's righted,
God's forgot and the firemen slighted.

It is reasonable to conclude that the author who is responsible for the above did not reside in Charlottetown where the efficiency of a volunteer corps, the superior of which cannot be found in the Dominion, is a matter of personal and civic pride.

While business concerns sum up the result of the year's work in a profit and loss account, the Fire Department are content to recapitulate only their losses, but, not unlike the merchant, the less book-keeping they have to do the better they are pleased.

In referring to the work of this year it is noteworthy that the firemen had to respond to an exceptionally large number of alarms—48, including still alarms—from 1st January to date. And again it is noteworthy that of these forty-eight alarms an exceedingly small percentage resulted in any material damage, while only two buildings were total losses. These were Mrs. Williams' residence on Elm Avenue and the Charlottetown Condensed Milk Factory, and in each case the great headway gained by the flames before the alarm was sounded was responsible for the destruction.

Such is the really creditable record of 1911 to date. Would that poet dare to inflict those lines on a people who must feel keenly the debt they owe to the Department? Or on citizens whose gratitude should make them defenders of the corps and in whom there should be instilled a pride that should not be reflected on by any fiery writer? But it won't do to be too hard on that poet. Like the good citizens of Charlottetown he, too, sympathized with the men of emergencies and was ingratiated with a sense of protection by reason of their existence.

It has often been felt that the city is paying the firemen much too little in return for the services rendered, although no protest has been heard from the men. The salary of the chief is entirely inconsistent, with the amount of work to be done to say nothing of the strain one is subjected to. To be always ready for a call and ready to accept the responsibility in a bad blaze he must be in the city at all times—the privilege of a holiday being practically denied him. The Assistant Chief's position is a similar one and the remuneration in each case is entirely inadequate. The same might be said of the Company officers and men and a reform movement in this direction would not be amiss.

The following are the officers of the Department at the present time:

Chief—Thomas Ranahan.
Asst. Chief—C. P. Murley.
Hillsboro Hose Co.—Capt., George L. Gaudin; Lieut., James Hennessey; Sec'y, A. A. Hennessey.
Rollo Hose Co.—Capt., A. Vatcher; Lieut., H. Mathieson; Sec'y, A. Pickard.
Hook and Ladder Co.—Capt., Robert Rattray; Lieut., J. A. Webster; Sec'y, J. A. McMillan.
Salvage Corps—Capt., H.R. Large; Lieut., C. Livingstone; Sec'y, J. P. Hooper.
