

IMPORTANT READING MATTER SELECTED FROM THIS WEEK'S NEWS FOR THE GUARDIAN'S SATURDAY SUBSCRIBERS

MONDAY

The funeral of the late Mrs. John McQuillan, City, took place Saturday morning and was largely attended. Pontifical High Mass was celebrated at nine o'clock at St. Dunstan's Cathedral, by her son Rev. P. McQuillan, Halifax, with Rev. Maurice McDonald as deacon, Rev. Pius McDonald as sub-deacon, and Rev. Dr. McLellan as Master of Ceremonies. There were present in the Sanctuary: Revs. Fr. Croken, A. J. McLarty, D. J. Gibbs, M. Smith and Rev. Fr. Summers, Halifax. At the cemetery at Tyrone, Lot 65, where interment was made, Father McQuillan was assisted by Rev. Dr. Curran. The following were the pallbearers: Peter McCourt, R. F. Maddigan, P. Clarkin, Edward Ready, M. P. Hogan and Edward Cullen.

The patrons of the butter and cheese factory at New Glasgow have left today nothing but the charred remains of their splendidly equipped factory and plant as the result of a destructive fire which, between nine and ten o'clock Saturday evening, completely wiped out the building and contents with the exception of about fifteen boxes of cheese.

The cause of the fire is unknown but it is supposed to have originated in the boiler room. The fireman left as usual about six o'clock on Saturday evening and everything was then all right.

When the fire was first observed it had gained great headway and the large crowd of nearby residents who assembled after the alarm had been given, were powerless to do anything except save the 50 head of cheese.

In the building was a complete butter and cheese making plant, refrigerator, &c, and the storeroom contained 300 head of cheese. With the exception named everything was destroyed and the loss to the patrons will be a decidedly heavy one, especially at this busy season of the year. There is some insurance.

The factory has been in operation for twelve or fifteen years and was one of the most productive and progressive in the province, being situated in an especially fine dairying locality. The cheese maker is Charles Stevenson.

FIND OUT IF YOU HAVE CATARRH

Don't Wait Till Consumption Develops, Cure Yourself Now

CATARRHOZONE

In the discovery of this wonderful curative medicine the entire race is given freedom from Catarrhal diseases, including Asthma, Bronchitis and Throat Weaknesses.

Is catarrh in your nose?
Does it affect your hearing?
Is your throat husky?
Are your eyes watery?
Is your breath offensive?
These are the indications of Catarrh—now why continue to live in misery when cure is guaranteed with Catarrhozone? So sure is Catarrhozone to cure that thousands recommend it—tell of its wonderful merit after being cured themselves. Read this:

HOW CATARRHOZONE CURES.

Miss Worrel is a resident of Clarksville, Ont., and has been the means of pointing the way to health of many of her friends.

"I received such extraordinary benefit that I have induced many of my friends to use it also. My catarrh was so bad a year ago that I despaired of ever getting cured. I am sure my lungs were somewhat affected also. The relief I got from Catarrhozone was remarkable. I improved under this treatment quickly, and was cured so thoroughly the disease has never returned."

Get the large dollar size of Catarrhozone; it contains a beautiful hard rubber inhaler and medicine that lasts two months. Smaller sizes, 25c. and 50c. each. Beware of imitations—accept only "Catarrhozone," sold by all reliable dealers or by mail from The Catarrhozone Company, Kingston, Ont.

Forest Root Beer is a "Dandy" Drink

Forest Root Beer is as delightful as a day in the woods—it is sparkling, cool and delicious—made from tender roots—absolutely pure. Ask for Forest Root Beer and by sure you get it—nearly every dealer sells it.

Bigelow & Hood

Turo, N. S.

Contemplate!

Do not weigh anything in a second, but take a second thought when a druggist or dealer asks you to accept a substitute for **DR. FOWLER'S EXTRACT OF WILD STRAWBERRY.**

This preparation has been on the market for over 65 years, and so far as we know has never yet failed to either relieve or cure the worst case of **DIARRHOEA, DYSENTERY, COLIC, CRAMPS OR PAINS IN THE STOMACH, CHOLERA MORBUS, CHOLERA INFANTUM, SUMMER COMPLAINT, OR ANY LOOSENESS OF THE BOWELS.**

Mrs. A. J. McLellan, London, Ont., writes:—"It is with much pleasure I write to say that I have used Dr. Fowler's Extract of Wild Strawberry with great success. Last summer my little boy, 18 months old, was attacked two or three times with Diarrhoea, but each time, after one day's doses, he was all right again. My husband was also taken bad one night. The next day three doses cured him. I always insist on Dr. Fowler's being given me."

If you want to be on the safe side, ask for Dr. Fowler's Extract of Wild Strawberry, and insist on getting what you ask for.

The original is manufactured only by The T. Milburn Co., Limited, Toronto, Ont. See that our name is on the wrapper. Price 35 cents.

Rev. Dr. and Mrs. Heartz, city, who have been spending the summer in this city, leave on return to Amherst this morning. Dr. Heartz will proceed to Halifax where he will attend a meeting of the Missionary Convention of the Nova Scotia Conference, which will be held on Tuesday. Revs. Geo. Steele, Shediac, and Thomas Marshall, Sackville, well known here, will also be present. Dr. Heartz will also attend the sessions in Brantford, Ont., of the General Board of Missions of the Methodist Church in Canada, which opens on Sept. 25th, to which Col. F. S. Moore, city, is also a delegate. Dr. and Mrs. Heartz are contemplating a visit to their daughter, Mrs. (Dr.) Johnson, in Vancouver, after the Brantford meeting. Their friends in this city, who have socially and spiritually enjoyed Dr. and Mrs. Heartz's summer visit to their native city, will look forward to their return next year with pleasant anticipation.

To the majority of commercial men and travelling public generally nothing appeals so much to them as a Home like place to stop at, for a day or longer. Prince Edward Island compares most favorably in this respect, with our other provinces. In very many ways it is a pleasure to travel today, compared with twenty five years ago.

In the recent passing away of Mrs. Albert Clements of Murray Harbor, many will miss a kind personal friend.

Whether you arrived at nine p. m. at night, or left at six a. m. in the morning the daintiest Home like repast, would be ready for you to eat. If by chance the traveller mentioned his feet were cold after a drive, a heated log of wood wrapped up would surprise one upon retiring to a comfortable bed. Mrs. Clements would never accept any remuneration for those who stayed at her house, or conducted the church services on Sunday's. Ever considerate and thoughtful of others Mrs. Clements perhaps worked too hard, and seemingly could not take things easy even though quite ill at times. I feel very sure many who have stayed at Mr. and Mrs. Clements' comfortable home, join me in expressions of sincere sympathy to the bereaved family. "Blessed are those that mourn for they shall be comforted." They never quite leave us, our friends who have passed through the shadows of death to the sunlight above; A thousand sweet memories are holding them fast To the places they blessed with their presence and love.

The work which they left, and the books which they read, Speak mutely, though still with an eloquence rare; And the songs that they sung, and the dear words they said, Yet linger and sigh on the desolate air.

W. S. LOUSON.

TUESDAY

Yesterday afternoon the last shoot for the Salver took place on Kensington Range. Much interest was taken in the match as only three points separated the four high scores.

G. F. Hutcheson carried off the laurels by making a new Provincial record of 101 and equalled the record made by a member of the Nova Scotia team during the Maritime meet. The score was made as follows: 100 yards 34, 500 yds 33, 600 yds 34, total 101.

It must also be remembered that this score was not made under the most favorable circumstances, as there was a strong unsteady breeze and the best of judgment was required in making necessary adjustments for wind.

The following are the four highest scores during the Salver shoot.

G. F. Hutcheson	366
R. V. Longworth	360
G. M. Moore	354
A. N. McKay	353

Previous to yesterday's shooting the highest Provincial record for the range was 100 and this was made by G. S. Landrigan, Jones and Mackinnon.

The new record made yesterday by Mr. Hutcheson, fastens the honor on a member of the civilian rifle club, and it is needless to say that every member of the association is proud of the achievement.

Fine weather greeted the return of the Annual Sports Day of Falconwood Hospital. The day is always an event in the minds of the patients and has always been enjoyed by a large number of interested visitors.

Last Friday afternoon Lieutenant-Governor and Mrs. Rogers, Premier Palmer, Dr. J. Warburton of the Board of Trustees, and many friends were present, and a large number of city people also watched the contests.

Some twenty events of men and women patients, nurses and attendants, were run off. The competition was keener this year than ever before, consequently the prizes were more widely distributed. Unexpected records were made in several of the events. Dr. Goodwill, Medical Superintendent of Falconwood, evidently bears constantly in mind the old but wholesome adage—"a sane mind in a sound body." Everyone willingly contributed his or her part, or laudably enjoyed watching others who did.

Some of the contests were particularly humorous. The three-legged race and the potato race were especially enjoyed by the patients. The tug of war between rival teams from different wards was most keenly contested and the winning team sat down on the grass to receive a large sack of sweet and good things for their labors.

An unlooked for event on the program was an oration by one of the male patients, with the text "Where a hen scratches, there she expects to find a bug." Entirely original and with a voice which many a speaker would be proud of he held his audience completely spellbound.

At the close Lieutenant-Governor presented the numerous prizes to the successful ones, saying a kindly word to each recipient. Tea was then served on the lawn to the patients.

The following friends kindly contributed to the prize list, thus adding largely to the real success and happiness of the day: Beer & Goff, Stanley, Shaw and Peardon, Prowse Bros., McKinnon Drug Company, Bruce Stewart, Carvell & Co., Jenkins & Son, Sanderson & Co., J. T. Crockett, N. Rattenbury, Rogers Hardware Co., Kennedy & Co., Fennell & Chandler, A. Gates & Co., W. W. Wellner, D. Maddigan, Haszard & Moore, Moore & McLeod, "A Friend."

WEDNESDAY

On Wednesday, July 23rd, at 3.30 in the afternoon, at the Presbyterian church at Hallowick, Minn., took place the marriage of Miss Winnifred Hales, daughter of Arthur and Mrs. Hales, to Wm. Hartvig.

This was an event of more than ordinary interest to Hallowick society. It had been looked forward to with pleasant anticipation for some time and its consummation more than justified the expectations. When the time for the ceremony arrived, the Presbyterian church was well filled with invited guests from Hallowick and from all parts of the country, and even from Ontario had become interested friends to be present at the joyous occasion.

When Mrs. D. A. Robertson, who presided at the organ, struck up the time honored and beautiful wedding march, the bridegroom, attended by Lawrence Peterson as groomsman, entered from the Sunday school room and took their places before the altar. Florence McKenzie, Mildred Bouvette, Marial Davine and Ruth George as ribbon girls entered from the front door and stretched their ribbons along the aisles for the bridal party to pass thru. Then came the bride on her father's arm. She wore a beautiful white crepe de chene gown trimmed with white watered silk and embroidered set off with pearl trimming. The veil was caught with a wreath of flowers and she carried a bouquet of white sweet peas and ferns. She was attended by Miss Nixon of Guelph, Ont., who wore a gown of white silk gloria, a white hat, carried a bouquet of white roses and wore a beautiful ruby pin, a present from the bride.

Like Margaret Nelson acted as flower girl, carrying a basket filled with golden flower petals that she strewed in the path of the bride. As the bridal party passed up the aisle, there were suppressed exclamations of admiration from all over the room which died away to a solemn hush as Rev. W. S. Shields read the impressive set. The happy couple man and wife. As the bridal party passed out, Miss Konzen sang the beautiful and appropriate solo, "O Fair, O Sweet and Holy" with a most pleasing effect. After the ceremony at the church, the guests departed for the beautiful Hales home where a reception was held and a beautiful supper served.

A great deal of admiration was expressed over the beautiful decorations in the church and in the Hales home. The church was decorated with a background of rushes and asparagus set off with a profusion of yellow flowers, carrying out a splendid color scheme of gold and green.

In front of the altar, where the ceremony took place, was a beautiful bower, over which was suspended a wedding bell made up of gorgeous golden glow flowers. The common opinion was that never before had the church looked so beautiful. The decorations at the church were made by a committee from the Willing Workers of the Presbyterian church.

The bride was the recipient of a most extraordinary amount of beautiful and useful presents. The flower girl and ribbon girls were each presented with a beautiful solid sterling silver spoon as a souvenir of the occasion.

There was probably never a younger couple in Hallowick who entered into their new relations with a larger amount of good will and appreciation than Mr. and Mrs. Hartvig. Every one bespoke a kindly interest and the high esteem in which they are held. The bride has grown up in this community to be a most winsome and lovable young lady. She attended our public school and graduated from our High School in 1908. During the two years she attended the McDonald Institute of Domestic Science at Guelph, Ont., and so is most thoroughly fitted for her domestic and social duties.

The bridegroom is also a Kittson county product, has grown up in this community and was educated at our public schools. A few years ago he took up the work of photography and soon became a most thorough, painstaking and successful artist. With a good business and with nothing but exemplary habits his future is assured.

The happy young couple was expected to take the flyer going south at Hallowick for their wedding trip and a large crowd of friends were at the station to give them the usual send-off but were disappointed, because they had slipped off in an automobile to Lancaster where they started their trip over the "Soo" line. They will make a short stay in the Twin Cities and then visit Denver, Seattle and other points in the west, returning home by the Canadian Pacific in from five to six weeks. (Mrs. Hales the bride's mother is a daughter of Adam and Mrs. Murray, Grafton St., City.)

There died at Bradalbane on September the 5th Catherine McKenzie aged ninety-five years relict of the late Archibald McKenzie who predeceased her fifty-five years ago. Although confined to her bed for some time previous to her death she retained all her mental faculties unimpaired till the end and in all her affliction was reconciled to God's will in the matter. Being of a cheerful and kindly nature she was beloved and respected by all her acquaintances. She leaves to mourn their loss three sons and three daughters, viz:—Christy, Annie and Murdoch, at Bradalbane; Bella and Daniel in Brooklyn, N.H., and John in Portsmouth, N. H.

Minard's Liniment Co., Limited. Dear Sirs,—I had a Bleeding Tumor on my face for a long time and tried a number of remedies without any good results. I was advised to try MINARD'S LINIMENT, and after using several bottles it made a complete cure, and it healed all up and disappeared altogether. DAVID HENDERSON. Belleisle Station, Kings Co., N. B., Sept. 17, 1901.

Hughes.

"Have you tried the new chewing gum with the mint flavor?"

"Yes it's the most fascinating and refreshing flavor I ever tasted. It has whitened my teeth, perfumed my breath, and helped my digestion!"

Look for the spear Made in Toronto, Canada. Your dealer should sell it. The flavor lasts

Wm. Wrigley, Jr. Co., Ltd., 7 Scott Street, Toronto, Ont.

WOMEN SUFFER More Than Men

Women have more than their share of the aches and pains that afflict humanity. They must "keep up," in spite of constantly aching backs, or headaches, dizzy spells, etc. Mrs. Edward Caldwell of 123 S. Harold Street, Fort William, Ont., says: "I suffered with dull, miserable pains, soreness across my back and in my sides for months. They would catch me so badly at times that I could scarcely move around. I would have dizzy spells and altogether, felt generally run down. After using a number of remedies without finding relief, I learned of Booth's Kidney Pills and found them an excellent remedy. They not only relieved me of the miserable pains and soreness in my back but cured me of my kidney trouble."

All You Need is A Cascaret Tonight

No Sick Headache, Bilious Stomach, Coated Tongue or Constipated Bowels by Morning.

Turn the cascals out—the headache, the biliousness, the indigestion, the sick, sour stomach and foul gases—turn them out tonight and keep them out with Cascarets.

Millions of men and women take a Cascaret now and then and never know the misery caused by a lazy liver, clogged bowels or an upset stomach.

Don't put in another day of distress. Let Cascarets cleanse and regulate your stomach; remove the sour, undigested and fermenting food and that misery-making gas; take the excess bile from your liver and carry out of the system all the decomposed waste matter and poison in the intestines and bowels. Then you will feel great.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep. A 10-cent box from any drug store means a clear head and cheerfulness for months. Children love to take Cascarets because they taste good—never gripe or sicken.

Booth's Kidney Pills

Booth's Kidney Pills cure Backache, Fullness in Pains, Thirst and Cloudy urine, Gravel or Stone, Rheumatism and all diseases of the kidneys and Bladder.

MASTER MASON CUT PLUG Tobacco

Manufactured by Rock City Tobacco Co., Quebec

FROM DR. J. T. JENKINS.

Sir,—I very much regret that a slight indisposition which kept me to the house prevented my paying my respects to our great leader, Mr. Borden and his able and worthy aide, Mr. Hazen, but I had much satisfaction in reading their speeches in The Guardian. Our leader is one whose ability and energy are combined with a straightforward honesty and integrity that his most bitter opponent dare not assail. We may therefore look forward with confidence that his promises on our behalf will be fulfilled.

We need not fear that he will come, after fifteen years of neglect and unfulfilled promises, and attempt to placate us with the indefinite, meaningless platitudes with which Sir Wilfrid Laurier ended his address.

The leader should be reminded that when we went into Confederation we had, with a very low rate of taxation, no debt. Now, with high taxation from the Dominion tariff and direct taxation as well, and practicing the most stringent economy, with the public services in the greatest neglect for want of funds, we are still nearly a million dollars in debt, proving that whatever it has been to the other Provinces the union has been ruinous to us.

This result could not have been anticipated by the Fathers of Confederation and doubtless when affairs are rectified as they must be, we shall receive justice.

J. T. JENKINS.

Special to The Guardian.

CHENGLING, Western China, Sept. 12.—A serious rebellion has occurred in the district of Chentu. Soldiers refuse to obey instructions and are trying to bring force against the government control of railway. Business is suspended and unless the uprising is stopped it may lead to a general rebellion. Conditions are precarious and missionaries are concentrating here. Four foreign gunboats provide all with protection and Chentu is quiet. The uprising is not at present directed against foreigners.

DODD'S KIDNEY PILLS

CURES ALL KIDNEY DISEASES

RHEUMATISM, BRIGT'S DISEASE, DIABETES, BACKACHE

NUMBER 23 THE PROPRIETOR

The "Ross Rifle" Action is the Speediest Known

The wonderful accuracy of the Ross Barrels is not the only reason why sportsmen who can shoot straight should give preference to this arm.

Speed in unloading, loading, shooting, etc. is an equally important factor and the Ross with its straight pull is not only unsurpassed in speed of fire—but its magazine loads more quickly and easily than other makes.

A trial will quickly convince. Ross Sporting Rifles are sold at from \$25.00 and upwards. Leading dealers handle them. Write for free Illustrated Catalogue.

The Ross Rifle Co.

Quebec, Que.
