**A STORMY SEASON.** Residents hailed the first instalment on the beautiful snow Saturday accompanied by a heavy north westerly gale—an earnest of what is coming.

**SHIPPING LOBSTERS.** Matthew & McLean Ltd., shipped on a recent trip of the S. S. Amelia 1,000 cases and 1,000 half cases of lobsters to a port in France via an American port.

**RECRUITING.** There seems to be some wrong impression got aboard among the young men when so few seem willing to serve King and Country. It cannot be a dread of hardships endured fighting in the trenches, as nearly all who have been wounded and are now convalescent safe in their letters that they are most eager to get back to the firing line—and it surely is not cowardice. What is it?—C.

**TWO CENTS PER WORD** each insertion for advertising in this column. Cash must accompany order. Minimum charge twenty-five cents.

## General Newburn Did Not Criticize

OTTAWA, Nov. 7.—Major-General S. C. Newburn, Minister of Militia, has given the following statement to the Canadian Press regarding his alleged criticism of the administration of the Military Department by his predecessor in office, Sir Edward Kemp, at the convention of Conservatives, Liberals, held in Hamilton last Friday.

General Newburn absolutely denies that he in any way criticised the administration of Sir Edward Kemp. What he said was that he always thought that the sending of complete units overseas in 1916 was a mistake; that reinforcing drafts should have been sent overseas instead of complete units.

Regarding the Canadian Defence Force scheme, General Newburn stated that he urged the Government to fill this force under the terms of the Militia Act, by compulsion, and that he stated at the inception that he did not believe it would be filled by voluntary enlistment, and that during his tour through the country, he was completely convinced that it was impossible to get men, either for overseas or for home defence, except by compulsion. In stead of criticising Sir Edward Kemp's administration, he states that he has always criticized him for the magnificent work he did in the department during the short tenure of his office, and that nobody realizes more than he does the great responsibility that rested on Sir Edward Kemp's shoulders, and the many things that he accomplished during his tenure of office that the public generally does not appreciate.

General Newburn further states that, if in the account of his speech, he was made to criticize the administration of his predecessor, he was entirely misquoted. Any criticisms made by him were directed at military conditions which have grown up since the beginning of the war, which could not be and were not by him attributed to Sir Edward Kemp's administration.

### DON'T SCOLD, MOTHER THE CROSS CHILD IS BILIOUS, FEVERISH

Look at tongue! If coated, clean little stomach, liver, bowels.

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again. Children love this harmless fruit laxative, and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet.

Keep it handy, Mothers! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeits sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.
