THE prompt manner in which the railway wharf has been dredged for the arrival of the Manchester Commerce must be encouraging to the shippers of Charlottetown. This morning a channel 300 feet long and 50 feet wide and 35 feet deep at high water will be completed, which will give the steamer a splendid berth. The Hillsborough Bridge dredge used for the work is capable of removing 1,000 yards per day.

THERE is an old legend that it never rains but it pours. At least the number of runaways on the streets of Charlottetown yesterday would indicate that this was true. On Queen Street a horse being impressed with the absence of his master attempted to get clear of the wagon attached to him and a little later on another animal became discouraged with the amount of work required by his owner in the delivery of groceries and after proceeding a short distance upon Sydney Street carried out the purpose conceived in his mind and upset the wagon and broke the shafts.

THE SALVATION ARMY.—There will be one of the grandest series of meetings of years held in the Army Barracks, Great George Street, on the 26th, 27th and 28th of July. Brigadier Sharp, the Provincial Officer for the Eastern Provinces, as well as Mrs. Sharp will be in command and will be assisted by Staff Captain Howell, Adjutant Turpin, Ensign and Mrs. Fred Knight, Captain Sandy Fleming, Lieut. Riley, and Lieut. DeBow. This is a musical troop of no mean order, comprising both Brass and String Bands. The Brigadier and Chancellor are both well known in Charlottetown. Mrs. Sharp has never been here before but we bespeak for her an appreciative and hearty welcome. She is a splendid platform orator and very forceful. Ensign Fred Knight is a Charlottetown boy and that "nuf said." In the musical meeting he will give "Annie Laurie" as a trombone solo. Adjutant Turpin plays the brass parts and sing the same in male quartette. Sandy Fleming has a splendid falsetto voice, while DeBow takes the tenor. Three or four guitars, mandolin, concertina, organ, etc. Besides brass, makes up the complement. Sunday all day from 7 a. m. Eleven, dedication service. Three, open air demonstration at Park; 7.30. Great rally and battle for souls; On Monday at 9.30. Picnic to Red Point and sail up the River. At night at 8 Great Tornado of music. This will be a good thing and well worth hearing. All are invited and a good time is anticipated.—Cont.

FELL EXHAUSTED AND UNCONSCIOUS.

Mrs. R. W. Edwards, 35 McMurray St. Bradford, Ont., suffered for five years with nervous exhaustion, headache and dyspepsia. The pains in the head would not drive her to sleep. I could not sleep nights but would walk the floor in agony until exhausted and unconscious. For the past nine months I have used Dr. Chase's Nerve Food and from a mere skeleton this medicine has built me up in flesh and weight, until I am strong and well. It would be scarcely possible to propose stronger evidence of the wonderful power of Dr. Chase's Nerve Food.

JOHN'S, N.F., July 22.—Widespread interest is developing here over the speech delivered in London last week by Sir Robert Bond, the premier of Newfoundland, in which he declared that the confederation of Newfoundland with the dominion of Canada was mainly a question of terms from the latter. THE POLICEMAN'S EVIDENCE

Policeman Peter Morrie, Toronto, says that for years he was troubled with habitual constipation, and though he spent much money for medicine, was only disappointed with the results. He now recommends Dr. Chase's Kidney Liver Pills to his friends because it cured him of his troublesome ailment. You can be cured of constipation by this treatment. One pill a dose, 25 cents a box.

DARNED STOCKINGS.

Tender feet are often made so by the use of much darned stockings. Wear light woolen stockings, and let them be of the cheap kind, that you will not mind discarding directly they become worn. To harden the skin it is a good plan to rub the soles of the feet with methylated spirits every day or to wash them over with salt water.

Happily Not So Sure of It.

Raynor—This fortune telling business is all humbug. One of these professors of palmistry told me a little while ago to look out for a short, blond man.

Lady (with awfully painted cheeks)—My portrait is very good, but don't you think that the a—cheeks—are a trifle pale?

Artist—Yes, they are not done yet.

I leave that to the last.

An Interesting Book.

"I've had great pleasure today in reviewing a book that is entirely new to me," said the literary editor.

"What's that," inquired the snake editor.

"A bankbook?"—Philadelphia Record.
