A MONTREAL LADY

Suffered from throbbing of the heart, choking sensation and weakness.

Nothing relieved her until she took Milburn's Heart and Nerve Pills.

Plenty of people dropping into their graves every day through heart failure. The heart can't stand the stress and strain of this busy bustling age. It gets weak and irregular in its beat. Throbs and skips beats now and then. Faint and dizzy spells come at times. Weakness and Nervousness follow. How's the health and strength to be regained? How's the heart to be made strong, steady and regular in its beat? Only by the use of Milburn's Heart and Nerve Pills.

How do you know they cure heart trouble? Well here's proof from a Montreal lady. Her name is Mrs. Pickel. Her address 32 St. Antoine Street. This is her statement: "For several years I was greatly troubled with palpitation of the heart, extreme nervousness and dizziness. My heart would throb and beat so that it would seem to go into my throat, which would cause a choking sensation. "I grew so bad that I could hardly go around, and going upstairs would so tire me that I would be completely used up. I was run down and enfeebled. My nerves were so bad that I could not sleep at night, but would toss around. "I used many kinds of remedies, but none seemed to do me any good. I then got Milburn's Heart and Nerve Pills and received great benefit from the first. I kept on improving and am now well—my heart strong, nerves toned up and blood enriched."

Milburn's Heart and Nerve Pills are 50c. a box, 3 for \$1.25, at all druggists.
