MONSTER SHOE SALE.—Mr. H.R. Holman's Monster Shoe Sale in the Hiley Building on Queen street is proving the greatest attraction in the shoe sale line held here for years. Mr. Holman regrets that he was obliged to lock the door three times on the opening day, but it was absolutely necessary, it being impossible to accommodate the crowds eager to take advantage of the unprecedented bargains in footwear. There is still a fine line of the very latest in good, nobby serviceable and up-to-date boots and shoes.

LEGION OF HONOR.—Major H.G. Roberts, Davenport, Iowa, who is well known in Summerside, P. E. Island, and whose wife is a daughter of the late John Lefurgey, has been awarded the Legion of Honor decoration by the French government for his services while in France with the American forces. Major Roberts' fluency in both French and German languages made his services most valuable and he was assigned to many important duties where this knowledge was necessary. The consistent efficiency with which he carried out duties assigned to him has resulted in his being honored in this way by a foreign military power.

FIVE MORE DAYS BEFORE THE CLOSE

SUBSCRIPTIONS ARE WHAT COUNT NOW—MAIL SUBSCRIPTIONS AS EARLY AS POSSIBLE

The ballot box will close today at noon for the standing of the contestants in Thursday's edition of "The Guardian."

The standings as they will appear Thursday will not be changed again during the campaign, therefore contestants who are anxious to make as good showing in the paper during the remaining days of the campaign should send in votes enough to place them in a choice position in their district.

All reserve ballots held by the different contestants must be in the ballot box by 10 p. m. May 24th.

As all coupons have expired it will be useless for you to send them to this office as they will not be counted.

The campaign department will except all remittances for subscriptions provided they are in this office before 10 p. m. Saturday, May 24th.

However, it is advisable to mail your subscriptions earlier if possible so that there can be no chance of delay, or the remittances being lost.

A FEW DONTs

Don't fail to secure every subscriber or you can whether old or new. Don't mark your subscription new when the subscriber is old. Don't fail to check over your receipts when we return them to you. Don't send in more money than your subscription blanks call for, but check over your remittances before sending it to us and see whether or not the amount is correct. Don't become discouraged, because you are well down the list, but remember there are fifteen prizes, all worth working for. Don't forget that every remittance sent to this office must be accompanied by the name and address of the subscriber. Don't fail to utilize every moment of your spare time in securing all the subscriptions possible before the close of the campaign. Don't forget that subscriptions may be sent in up to 10 p. m. May 24th. Don't hold your reserve ballots until the last moment but mail them to the campaign manager some time early in the week as occasionally trains are delayed or a letter goes astray.

RULES FOR CLOSING CAMPAIGN

The Guardian calls the attention of the candidates to the following rules governing the close of the campaign, all of which are intended to facilitate the work of the campaign department at the close, and insure each candidate who observes them against any loss of votes through negligence.

First—All remittances and subscriptions must be in this office before 10 p. m. May 24th.

Second—All subscriptions sent in by candidates residing outside the city beginning with Wednesday May 21st, must be accompanied by cash, draft, money order, or a certified check.

Third—All votes and remittances mailed after Thursday should bear special delivery stamps.

Fourth—If you live outside of the city and have to mail your votes take the precaution to ascertain when the register department of your post office closes, and also find out about the train schedule, mail, etc.

Fifth—Address all letters bearing remittances or votes to the campaign department and not to any individual. This is important.

LIME FRUIT JUICE

for the Picnic

Don't bother with lemons. Take along a bottle of "Montserrat" and sugar. You can always find a spring of cold water. These are the only ingredients you need to make the most delicious of all satisfying summer drinks.

"Montserrat" is wholesome as well as enjoyable. It is the juice of ripe West Indian Limes—that quenches the thirst and cools the body.

Keep a bottle at home—for the hot days—for the children—for evening refreshments—wherever anyone wants a cooling, healthful drink.

Be sure to include a bottle of "Montserrat" in your picnic supplies.

Look for the "Montserrat" Window Display in the stores of your favorite dealers.
