**TRYON NOTES.**—Now that spring is here at last, the farmer's are busy on their farms and everything looks as though good crop would be the reward of their labors. Miss Aletha Mabey, Tryon, spent the week-end the guest of Miss Amy Lea, Victoria. A "Mystery Social" in connection with the Baptist Mission Band was held at the home of Mr. George Woods on Wednesday, May 14th. A very pleasant evening was passed in games and jollity and everyone declared they enjoyed themselves very much. Mr. and Mrs. Jack Patterson, Tryon, motored to Summerside on Friday, May 8th, accompanied by Miss Georgina Matheson and Miss Retta Toombs. (Tryon school teachers.) The Yeo Pictures are held in Victoria Hall every Friday, night and are well attended by the beauty and civility of the surrounding districts. The sheds in connection with the Baptist Church are being built and they promise to add much to beauty of grounds as well as for comfort of horses in winter. Mr. and Mrs. Erville Leard, Borden, motored through Tryon on Tuesday, April 5th.

**TRACTOR DEMONSTRATION.**—Mr. George A. Clark of the Canadian Oliver Chilled Plow Works, Toronto, and Mr. W. Murdoch of the Ford Motor Company, Ford, Ontario, who spent yesterday in the city, leave this morning for Kentville N. S. The purpose of their visit to this province was to give a demonstration in power farming with the Fordson Tractor. This demonstration was staged yesterday on the farm of Mr. Louis Roper, Union Road. Regrettably the weather was most unfavorable and the attendance at the demonstration was not as large as it would have been under more favorable conditions. Enough farmers however were present and were greatly pleased with the work of the little giant tractor. A two gang No. 8 Oliver Plow was used and several acres were plowed, the tractor easily drawing the double gang plow at a speed of about eight miles an hour, showing the great capacity of the tractor in farm work and its usefulness in the work of plowing and cultivating. Last night in the show room of the Universal Motors, the manager of which is Mr. C. G. Gregory, a number of instructive films were thrown on the screen demonstrating the various purposes for which the tractor is adapted.

The ceremony was performed by Rev. Christopher Graham of Winsloe in the presence of immediate relatives. The bride wore a dress of pale pink crepe-de-chêne with silver trimmings. After the ceremony the guests sat down to a daintily prepared supper to which all did ample justice. Then a motley crew of chivalrous assemblers to do honor to the newly weds, and were received with a generous treat. Later in the night Mr and Mrs Proud motored to their home in West Covehead. Their many friends wish them a long and happy wedded life.

Mr. S. A. MacDonald, Jr., son of Mr. S. A. MacDonald, has arrived home from McGill University, Montreal.

Mr. J. A. Dewar of Murray River was in the city yesterday returning from a visit to Malden, Mass. He was accompanied by Mrs. Dewar and their two grandchildren. Mr. and Mrs. Dewar were visiting their daughter, Mrs. Frank Henry, who resides in Malden.

Mr. James Mullen, engineer on the steamer "Danghill," who has been visiting his home in the city for the past two weeks left yesterday morning to join his ship at Montreal.

An attack of heart trouble made it necessary for Rev. Dr. J. A. Gordon to leave yesterday afternoon to return to his home in Montreal. Dr. Gordon was to have been in charge of the Main Street Baptist church during the month of May and had conducted the services on the last two Sundays receiving a cordial welcome to his former church. The exertion of his duties here proved too great for his strength, and under doctor's orders he was obliged to return to his home yesterday. — St. John Telegraph-Journal.)

### Report of Women's Institutes, of Prince Edward Island

St. Peter's North. Eight members and one visitor attended the annual meeting of this Branch which was held at the schoolhouse. The meeting opened in the usual manner and before the election of officers, the members paid their fees for the coming year. The report of the year's work, also of the financial standing of the Institute was given. The following officers were elected: Pres., Mrs. Edie Quigley; vice-pres., Mrs. John MacAulay; sec-treas., Mrs. George Coffin; directors, Mrs. Rattray, Mrs. Powell; auditors, Mrs. Gillis and Mrs. McCallum; delegates, Mrs. MacAulay and Mrs. Rattray. It was reported that the new blackboard and sign board had been erected. Work is now being undertaken for the coming year, and the members plan to raise a considerable amount of money to help in the schoolhouse.

Victoria West. The April meeting of this Institute was held at the schoolhouse and was attended by thirteen members and two visitors. After singing the Ode, roll call was answered with recitations. The usual routine business was taken up, and the Financial Statement since this club was organized was read and approved. The officers were re-elected. The Misses Olive and Violet Enman were appointed delegates to Convention. The members of the district (men and women) are going to meet at the school on Arbor Day to plant trees, flowers and shrubs, and the members of the Institute decided to attend the annual school meeting on June 2nd. The next meeting will be held in the school.

Murray Harbour. The April meeting of this Institute was held at the home of Mrs. Freeman Reynolds with nineteen members and three visitors attending. After singing the Ode, which was followed by prayer, the minutes of the last meeting were read and approved. Sick and school committees then reported. Suggestions for house cleaning were given by the members. Mrs. Brooks then read a paper on "Hygiene." Mrs. Albert McLeod also gave a selection. It was reported that a quilt for the Orphanage is to be finished before the next meeting. Lunch was served and the meeting closed by singing the National Anthem. Mrs. Ernest Bell will entertain the members next month.

As it was the first regular meeting, no new work was undertaken, but different committees were appointed, one of which is to arrange a special program for next month's meeting. The members became better acquainted with the rules and regulations of Institutes and their meetings.

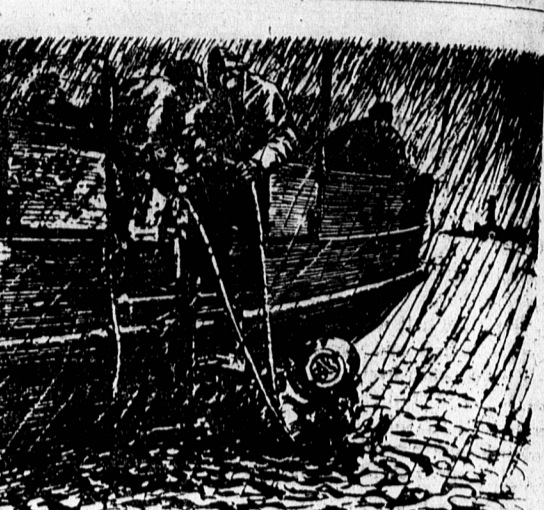

### What's In A Thrill? Jones Gives Answer

What's in a thrill? Oh, boy, gee whizz! Have you seen Buck Jones in "The Trail Rider" at the Prince Edward Theatre? That's the best answer in the world to the question. This William Fox production started a two day run yesterday. The film is an adaptation of George Washington Ogden's novel about the Old cattle days in Kansas, when men rode the border to keep diseased herds from crossing the line into the "Cyclone State." There are battles galore, acres of cattle, more picturesque landscape than can be rolled up in a circus tent and a well-strung story that holds interest all the way. Buck Jones must do that wild riding because he likes it, for it needs heaps of enthusiasm. Never in this great terrestrial sphere could a director get a man to do those stunts against his will. It wouldn't pay, either, to get Buck into a fighting mood, judging from his speed when he's only acting. That hombre can toss as wicked a shooting iron as ever split flame. And can he strut his stuff in those love scenes? Oh, what's the use, you'll have to see this one before you believe a film can be that good. There are two girls in this picture, Nancy Deaver and Lacey Fox. A fellow needs a jury to help him decide which is the prettier. At that, they would probably be unable to agree. Wouldn't it be tough luck if they found both girls gully—of being distractingly beautiful? The judge might sentence them both to hang—their arms around his neck. Seriously, though, the photoplay is a treat too good to miss. A rip-roaring comedy and "Into The Net," the new serial now running completes a bang-up program, which will be repeated today.
