AMUSEMENT AT THE EXHIBITION

F. G. Spencer Has Leased The Amusement Hall and is Now Looking For High Class Amusements.

The St. John exhibition, which opens on September 1st, will have the finest array of attractions for the entertainment of the thousands who will attend, in the history of exhibitions in this city. Manager Milligan announced yesterday that F. G. Spencer, who has made such a notable success as a manager of stage celebrities, had leased both amusement halls. Mr. Spencer has gone to New York and before returning will close contracts for some of the best acts obtainable. Mr. Spencer says that the amusement features of the exhibition this year will be the best that can be found in the United States. Legitimate amusement features, such as penny vaudeville, will predominate. The aim of the manager and directors is to give the people the best in the line for a small expenditure. Mr. Spencer during his trip will secure attractions for this feature of the exhibition, as well as for the amusement halls.

SAYS RICHES ARE A SCOURGE

LONDON, June 16.—A curious little book, by James Paterson Gledstone, just published, issues the challenge whether the almost universally adopted custom of trying to make a fortune is according to the precepts of Christianity. The New Testament is made the court of appeal; and out of its teaching, and the precepts of good men in different ages, the writer gives the verdict against the fortune-makers.

The lives of great hosts of people not possessing wealth show, he urges, that fortune is not a necessity either for the noblest kind of life or the purest happiness. It is said of an ancestor of Emerson that he nightly prayed that no descendant of his might ever be rich.

THESE MEDICAL FACTS

You Can Study With Profit.

How few realize that twenty-five per cent of all disease has its origin in some interference with the function of elimination.

The whole body exists through its component parts.

Up to a certain point the body has power to object to destructive elements, but this power is limited.

When it happens that the body is loaded with wastes and poisons which it can't eliminate, fermentation, decay, and germ life run riot through the blood.

Serious illness is the result unless nature is assisted by a cleansing tonic like Dr. Hamilton's Pills, which are purely vegetable, contain no mercury, no bismuth, no injurious metallic ingredients of any kind.

Such a medicine is the greatest possible assurance to every man and woman of health, spirits and contentment.

Grand results are achieved, and famous cures made every day by Dr. Hamilton's Pills as this letter proves.

From Newfoundland, Miss Lillian Anthony, of Upper Gullies, Conception Bay, writes: "In praise of Dr. Hamilton's Pills. I must say that I have used them with grand success for three years. They never fail to cure me of indigestion or constipation. Formerly my face was full of pimples, but now my complexion is clear and ruddy in more ways than I care to mention. I have Dr. Hamilton's Pills helped me; they would be good for every woman to use."

Insist on having only Dr. Hamilton's Pills, 25c per box or five boxes for \$1.00 at all dealers, or by mail from N. G. Polson & Co., Hartford, Conn., U.S.A., or Kingston, Ont.

AN HONEST MAN.

Wrote and told us that Ozone has not cured him of Stomach trouble. He did not say what kind of Ozone so we wrote and asked him if he was sure he had been taking Solution of Ozone, the kind that contains a coupon entitling the purchaser to one full sized 25c. package of Celery King free of cost. He replied that he had unknowingly taken some other brand, and was sorry that he had treated us unjustly. Then he commenced to use Ozone (the coupon kind) with Celery King—he is a well man to day. You can be cured just as easily if you are careful to ask your druggist for Ozone (the coupon kind) made by THE PUBLIC DRUG CO., BRIDGEBURG, ONT.

GOOD RESULTS OF MANOUVERS

LONDON, June 18.—The first period of the manoeuvres closed Saturday. An official report of the full results attained has not yet been issued, but they are understood to have been gratifying with regard to the strength of coast defenses and mobilization of naval reserve divisions. Several wheat laden sailing ships, including the Russian bark Fahrwahl, were captured southwest of Queenstown. Their crews were greatly surprised, and supposed that an outbreak of hostilities had taken place when first they were surrounded by warships.

50,000 PEOPLE SEE EASTERN CANADA.

G. T. R. Exhibition Car Travels 6,000 Miles—Attendance of 50,000.

The Grand Trunk Railway exhibition car, with pictorial views of Canada and trophies of the angler's art and hunter's craft, has nearly completed its three-month's trip through the States, having travelled considerably more than 6,000 miles and drawn an aggregated attendance of 50,000 people in fifty-one American cities.

The crowds have been so great and the desire manifested to know about Canada so eager that the director of ceremonies has been at his wits' end to furnish accommodation.

The car is now travelling in New York State, and will move upward over the Lehigh Valley Railway, stopping at the principal cities between New York and Buffalo. It will finish its American tour on June 13. It will be brought over the Grand Trunk main line through Canada, stopping at Hamilton and Toronto, to Montreal, where it will be on exhibition to give the people an idea of the kind of advertising the Grand Trunk are doing for Canada, as well as giving them an opportunity of seeing what the "Highlands of Ontario" have to offer in the way of summer resorts.

The car has been all the way through the Southwestern States and the Mississippi Valley. From towns other than those on its line of route there have been received many written requests that they should be included in its itinerary. Whenever it was possible these requests were complied with. This is considered beyond all question the most successful advertising tour of its character that has been undertaken.

Unknown Friends.

There are many people who have used Chamberlain's Colic, Cholera and Diarrhoea Remedy with splendid results, but who are unknown because they have hesitated about giving a testimonial of their experience for publication. These people, however, are none the less friends of this remedy. They have done much toward making it a household word by their personal recommendations to friends and neighbors. It is a good medicine to have in the home and is widely known for its cures of diarrhoea and all forms of bowel trouble. For sale by all druggists.

To Strain the Eyes

To strain the eyes is to spoil the eyesight sooner or later. It may not be right away; it may not be till years hence; but some time or other you will pay the penalty. How much better and wiser it would have been to ease the strain by the use of glasses. You may dislike them; but if you get the proper kind and have them properly fitted you will not find them the bugaboo you imagine. The E. W. Taylor Store are been famed for over 30 years for both good glasses and good fitting. Could you go anywhere else for glasses with such certainty of satisfaction?
