Corpl. Marion Edger of Montreal

Present holder of the Quebec Intermediate Tennis Championship, Cpl. Marion Edger of Montreal, now on the instructional cadre with the Canadian Women's Army Corps in Kitchener, Ont., is planning on entering the Ontario Championship this fall.

Cpl. Edger who is well known in tennis circles throughout Eastern Canada, and who is the holder of many cups and trophies, gave up her plans for professional tennis, and enlisted in the Corps last October. On completion of her basic training, her athletic abilities were put to use, and she was made an instructor at the training centre.

Born in South Wales, this 24 year old girl came to Canada about 12 years ago. She received her early education in London, England, and her high school education in Montreal, later taking a special English course in the same city.

Cpl. Edger finds that her Army training has done much to condition her for the coming tournament, and she has been making extensive use of the local tennis courts to get into shape. Ontario players will find this keen CWAC tough opposition.

Cards Stretch Lead By Defeating Brooklyn Twice

NEW YORK, July 4—(AP)—With two different styles of attack the world champion St. Louis Cardinals took their longest lead of the year today as they downed Brooklyn twice to stretch their margin over the slipping Dodgers to four games before a capacity crowd of 32,387 paid customers at Ebbets Field in Brooklyn.

After battling through nine scoreless innings in the first game, the Cards turned on their vaunted speed to push across two runs in the 10th for a 2-0 victory behind the three-hit pitching of Howie Pollet. Then, in the nightcap, they teed off against Freddie Fitzsimmons, pounding out 10 hits, three of them homers, as they romped to a 7-2 triumph on Max Lanier's six-hit twirling.

Mel Ott took the home-run leadership in the Major Leagues by hitting his 11th homer of the season as the Giants split a doubleheader with Cincinnati Reds before 20,101 at the Polo Grounds here.

Ott's homer—his third in three days—came in the seventh inning of the opener off Southpaw Johnny Vander Meer and helped the Giants come from behind to win 6-5. In the 10th on Dick Bartell's single. In the nightcap righthander Ed Heusser halted the Reds' three-game losing streak by pitching a seven-hitter for a 6-2 triumph.

The Phillies and Chicago Cubs split a doubleheader at Philadelphia's Shibe Park before a crowd of 17,671 that sent the Phillies 6,552 over their last year's total attendance for the season, 230,183. The Phillies took the first game 2-1 and the Cubs the second 5-2.

Boston Braves snapped a six-game losing streak by taking both ends of a holiday doubleheader at home from Pittsburgh Pirates, winning the opener 3-1 behind "Red" Barrettt's four-hit pitching and blasting out a 13-0 triumph for Jim Tobin in the nightcap.

Saturday, scoring his 10th triumph of the season, zippy Mort Cooper pitched his St. Louis Cardinal mates to a handy 5-3 win over their Brooklyn Dodger rivals.

With Mel Ott hitting his 10th homer of the campaign and Sid Gordon contributing his fifth, the tail end New York Giants were inspired to wallop Cincinnati Reds 7-3 and 2-1 in a doubleheader at New York.

In other league games Pittsburgh Pirates shellacked Boston Braves 10-1 and Chicago Cubs beat Philadelphia Phillies 6-1.

day and asking if he could open a starch factory in Maine to process them.

"This is almost unbelievable, coming only a month after there was such shortages of potatoes all over America," he said. "But the potatoes of North Carolina and Virginia, which had a floor of $2.25 a 100 pounds went below that floor, and these supplies all were turned over to the (United States) government, which does not know what to do with them.

"This represents more than a week's supply of potatoes for the country, yet in spite of that situation the prices board takes off the import tax on potatoes coming into Canada just when the Ontario new crop, the Quebec new crop and the British Columbia new crop are coming on our market.

For 50 Cents A Bag

"...They are paying a subsidy on imported potatoes today. I can get these potatoes for 50 cents a bag, delivered in Canada."

Mr. Gardiner said the situation might well be considered when Finance Minister Ilsley, as minister in charge of the prices board, was before the house.

Mr. Hatfield: "This is a serious situation, with the new crop in Canada coming on the market."

Mr. Gardiner: "But I would say it was a very serious situation just a week or two ago on the part of my honorable friends when we had 30 carloads on this side they wanted to go over to the United States. These 30 carloads went to the United States. We cannot have those things both ways. If we are going to have arrangements to have potatoes to go to the United States when we are short in Canada, probably somebody has to do something to get some back here."

Mr. Gardiner told Gordon Graydon, Progressive Conservative house leader, that to get bacon in the quantity required for the United Kingdom the standards had been lowered and generally speaking they would not be high enough to compete with the bacon Denmark was sending to Britain before the war.
