The children's carnival in Crystal Bink last night, was a splendid success. Quite a number skated in costumes and many of the costumes were really good. The rink was nicely decorated for the occasion and the little ones with their brightly colored rigs, made a pleasing and animated picture. A large number of spectators enjoyed a good skate after the carnival.

CRACK BRITISH TEAM AT D.R.A.

OTTAWA, March 5.—The annual matches of the D. R. A. this fall will be delivered by the appearance in competition of an all British team. The old country will include all the very best shots in the kingdom, and their appearance in the Canadian matches will be a source of much interest.

Some time ago an invitation was extended from Australia for an all Brit team to take part in the imperial shooting competitions being held there in October of this year. The invitation was extended and the team will go to Australia by way of Canada. That will bring them through here just in time for the D. R. A. annual events.

At a meeting of the D. R. A. yesterday a resolution was passed extending the full rights and privileges of entering the matches to the British crack shots, the same as though they were Canadians. Notification will be sent at once and it is confidently expected that the invitation will be accepted.

IMPORTANT ANNOUNCEMENT

We wish to announce to the public in general that we have just opened up a complete and very beautiful stock of Wall Paper. You will find not only the patterns and colorings beautiful in the extreme, but the qualities are very superior, while the prices are much lower than you would expect to pay for such goods. Competent critics say it is the best and most beautiful wall paper they have ever seen, while the prices are a revelation. Added to the extremely moderate prices at which we are able to sell the wall and ceiling papers, we are about to introduce something unparalleled in wall paper selling viz. Instead of selling the border by the yard as has been the custom, an item, by the way, which always added considerably to the cost of papering a room, we will sell the border by the roll, at the same price as the side wall paper. This is certainly an important saving, and one which will undoubtedly appeal to all.

Not only can we sell you both paper and borders at prices the most moderate, but we promise you an assortment of patterns and colorings which will both charm and delight you. They have been selected with infinite care, and undoubted taste, there being not an undesirable pattern in the whole lot of upwards of 300 different designs. In order to introduce this magnificent line to the public we will hold a

Grand Wall Paper Demonstration
On Thursday and Friday, the 7th and 8th inst.

An event which will be both unique and appropriate. Our whole second flat will be given over to a gorgeous, yet tasteful, display which will be well worth coming miles to see. As an additional attraction we will have a grand display of New Spring Goods on the first floor.

Thousands of dollars worth of the cream of British, Canadian and Foreign markets will be placed on view. New Spring Jackets, New Spring Skirts, New Dress Goods, New Silks, New Trimmings and many other things too numerous to mention, all justly claiming boundless admiration.

We extend a most cordial invitation to all to come to our Grand Wall Paper Demonstration, and enjoy what will undoubtedly be a feast of artistic beauty. Sample books will be placed in convenient places, while courteous attendants will show the many beautiful designs.

ADVERTISING IS BROAD.

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising. No occupied space that directs attention along given and desired lines can be reasonably regarded as wasted; nor can any funds expended to this end be adjudged extravagance.—American Medical Journal
