

AD FOR THE AGED

The tottering feebleness of old age is pitiful, and is caused by the fact that the fires of life are burning very low. Yet many people of eighty are more vigorous than those twenty years younger, because they know how to keep up their strength.

FOR YOUR HAIR

Here Are Facts We Want You to Prove at Our Risk. When the roots of the hair are entirely dead and the pores of the scalp are glazed over, we do not believe that anything can restore hair growth.

The marriage took place in New Aberdeen, C. B., on Wednesday evening of Capt. Louis H. Smith, son of Nathaniel Smith, Esq. on St. Charlottetown, to Captain Gertrude A. Jones, of Huntsville, Ont., both of the Salvation Army. The ceremony was performed by Staff Capt. Barr in the Citadel at New Aberdeen at eight o'clock in the presence of a very large number of people. The bride was attended by Capt. Butler of North Sydney and the groom was supported by his brother, Leslie B. Smith, Charlottetown. Following the ceremony a banquet was served and the following morning the happy couple left for Charlottetown, and will arrive on the Minto today. They will spend a couple of weeks at Capt. Smith's home here before returning to New Aberdeen. The wedding occurred on the eighty-third anniversary of General Booth, the founder of the Salvation Army and the devoted commander of the contracting parties. The Guardian tenders to Capt. and Mrs. Smith heartiest wishes for a happy wedded life and brilliant careers in their chosen life-work.

There was a large attendance at the Baptist Church, Charlottetown last night. The Rev. H. S. Erb, preached a telling sermon on "Christian Service." His text was from Mark 14:8. "She hath done what she could." He defined Christian Service as doing anything great or small in the name and for the sake of Jesus Christ. Mr. Erb has the faculty of clear analysis and he finds the right lines of cleavage in the text. He has intellect and he has heart and this makes a great combination in any preacher. The preacher developed his theme under three leading heads. First—Here we see an act of service that costs something. The ointment that Mary broke was very costly and precious. True service for God always costs much. Second—Here we see a service that meant more than Mary intended. She did her best, and it meant much more than she thought. It always does when we serve Jesus Christ with a full heart. Third—We see an act of service which was prompted by love. Because Mary loved her Lord she wanted to do what she could. It was a fine service. No denominational lines are drawn. The purpose of the meetings are to do good to all. This certainly is being already accomplished. Mr. Erb will preach to night. There will be no service tomorrow night.
