

Regular Habits

An Absolute Necessity For Good Health

You might as well expect to find a man or woman healthy with constipated bowels as to find a city healthy when its sewers are blocked with refuse.

Nature demands that the indigestible food and waste matter which collects in the lower bowels shall be got rid of at least once in twenty-four hours. If this is not done it decomposes, filling the bowels with poison, which is taken up into the blood and carried all through the body.

Naturally, this poison affects the work of every organ. The liver is deranged, digestion is upset, and biliousness, headaches, lassitude and dizzy spells follow.

Literally millions of people suffer these results of constipation without realizing the cause, or doing anything to remove it. Yet it can be removed, easily and with certainty, by using Dr. Morse's Indian Root Pills.

Take, for example, the case of Mr. George Andrews, Halifax, N.S., as he himself describes it:

"For many years I have been troubled with chronic constipation. This ailment never comes single handed, and I have been a victim to the many illnesses that constipation brings in its train. Medicine after medicine I have taken in order to find relief, but one and all left me in the same hopeless condition. At last I read about these Indian Root Pills. That was indeed a lucky day for me, for I was so impressed by the statements contained therein that I determined to give them a fair trial. They have regulated my stomach and bowels, I am cured of constipation and claim they have no equal as a medicine."

Dr. Morse's Indian Root Pills were first taken to cure constipation nearly a hundred years ago, and during the last half century they have been very extensively and very successfully used throughout the world. They are entirely vegetable in composition and do not sicken, weaken or gripe like mineral purgatives.

Rheumatism Cured in 3 Weeks

By Father Morrissy's "No. 7" Tablets.

Mr. James LeB. Johnstone, a prominent member of the Citizen's Band, of Chatham, N.B., writes:—"I contracted Rheumatism by exposure five years ago, and was ailing for two months and in great pain all the time. I got Father Morrissy's No. 7 Tablets, and took them for about three weeks, when the Rheumatism all left me, and I have had no return of the pain since." "Father Morrissy's No. 7" Tablets have a remarkable record of cures of Rheumatism and Kidney Troubles. They act directly on the Kidneys, which have become clogged with impurities and are therefore unable to free the blood of the poisons it is continually gathering from every part of the body. The tablets clear the kidneys and tone them up for their work so that they can properly purify the blood. Once the Uric Acid is taken out of the blood the agonizing pains stop, and the Rheumatism is cured. "No. 7" tablets cost 50c your dealer's, or from Father Morrissy Medicine Co., Ltd., Chatham, N.B. 19

A DRUGGIST'S CONFIDENCE

In D.D.D. Prescription as a Eczema Cure

When a druggist frankly gives his opinion of a remedy it is well worth listening to: He is in a position to know just what the remedy is made of, and he knows whether it is curing his customers or not.

Druggists R. C. Roberts, of Osage, Sask., has still other grounds for his favorable opinion of D. D. D. Prescription. It cured him of a stubborn case of Eczema. Here is his testimony:

"Having had eczema on my hands the past three years and being a druggist I have used a great many ointments, but have never used any drug that gave such grand results as D. D. D. Liquid Prescription. I have also advised a number of other people to use D. D. D. and find it did them good. I have every confidence in his remedy."

D. D. D. has been so remarkably successful in curing eczema and other skin diseases because it attacks the itch right where the germs which cause it live—in the skin. It stops the itch instantly, soothes, heals and permanently cures.

For free sample bottle of D. D. D. Prescription write to the D. D. D. Laboratory, Department C. G., 23 Jordan St., Toronto.
