"Four's A Crowd" Crowded With Stars and Comedy At Prince Edward

Flynn Loves Olivia deHavilland, Rosalind Russell and Patric Knowles share starring honors in the new Warner Bros. comedy, "Four's A Crowd," which opens today at the Prince Edward Theatre.

"Four's A Crowd" has only one objective, and that's to make the audience laugh. It is an up-to-the-minute comedy of the American scene. The story moves along at a breathless pace, with a rapid fire succession of novel and humorous twists.

The four persons whose fortunes it is mainly concerned are: A bright and fascinating newspaperman, played by Errol Flynn; a spoiled but charming heiress, played by Olivia deHavilland; a clever smoothie of a girl reporter, played by Rosalind Russell; and a rich playboy, played by Patric Knowles.

Also prominent in the proceedings is Walter Connolly as a raucous character who is the business world who is Olivia's grandfather.

Motivate this group with Errol's desire to get himself a slice of the old man's millions and his efforts to court Olivia and Rosalind simultaneously, Olivia's indecision as to whether she loves Errol or Pat more, Rosalind's desire to marry Errol for herself, and Pat's wish to marry Olivia, and the old man's determination to hang onto his granddaughters and his money.

Aside from the principals named, other contributors to the infectious merriment of "Four's A Crowd" include Hugh Herbert, Melville Cooper, Franklin Pangborn, Herman Bing, Margaret Hamilton, Joseph Crehan, Joe Cunningham, Genezie Moore and Gloria Blondell.

The Business meeting followed with the reading and adoption of the minutes of September meeting. Correspondence was read and included a letter from the National Survey Bureau in Ottawa, and from the Secretary of the Diocesan Council conveying its appreciation of the Sub-division as Hostess for the annual convention in August.

A letter had been received from the President of the T. B. League with invitation to send representatives to 1st annual meeting. This was being considered and an interesting report was given by the delegates.

The Treasurer's report showed a satisfactory balance on hand of \$10.00. The convener of the Cake Sale held on Sept. 30th reported a very successful sale, and thanks were extended to all who assisted in its success.

The report of the Convener of Education centered on the work of the C. C. Club, and showed that its social and educational activities were being satisfactorily initiated. The Study Club work will begin upon the receipt of the required literature. The Chaplain Rev. Fr. Keefe spoke on the Study Club, and its value to the individual.

The President reported on the success of the work of the Committee in charge of registration of women to aid Red Cross work. Sub-Committees have been formed, to facilitate the successful carrying out of the work in this connection. Yarn and goods for sewing were collected and distributed to the members, who will begin work immediately for this outstanding patriotic endeavor.

The illness of several members who expressed sympathy was extended to the bereaved family of two members of the League.

Meeting adjourned on the conclusion of business.

Sudden Death Of George J. MacPhee Yesterday

Numerous friends and citizens in general learned yesterday with surprise and regret at the sudden passing, some time through the night of George MacPhee, a member of the firm of MacPhee Bros., grocers.

The deceased, who was a native of Long Creek, West River, after being in business with his brother, Alex. K. in that section of the county, removed to the city about twelve years ago, where both brothers continued their partnership in business.

The late Mr. MacPhee, in his apparent usual good health, retired about 9 o'clock Monday night. When his brother passed his bedroom on arising yesterday morning he noticed light in the room but paid no attention to the matter.

Later he noticed the light still burning and on entering found the body of his brother prostrate on the floor.

Of a quiet and unassuming disposition and obliging manner the late Mr. MacPhee was not long in becoming acquainted and shortly after taking up his residence here enjoyed the friendship of a large number.

In his business dealings, both in the city and in Long Creek he was known and respected as honest and upright.

He was a life-long member of Long Creek Baptist Church, from where the funeral will be held on Oct. 7 at 3 p. m. following a short service from his house at 67 Prince St. commencing at 1:30 p. m.

Information Re City Tax Adjustment Bd.

Answers to a series of questions received under the Tax Adjustment Board, asked by a correspondent in yesterday's Guardian, were given by Coun. Chandler, Chairman of the Finance Committee, at a Council meeting last night. Coun. Chandler said the explanation was submitted "not as an answer to any anonymous letter but for the information of the writer and any other citizen who may not be quite clear on the duties of the Tax Adjustment Board." Any further information desired by any citizen, he added could be obtained at the City Office.

For the purpose of clarity, The Guardian republishes the questions raised in the Forum Column, together with Coun. Chandler's answers:

1. Has any one appearing on the Assessment roll as in arrears from 1912 to date been notified of such arrears?

Answer: All persons discovered to be in arrears by the special audit examination, carried back as far as possible for confirmation, have been notified of such arrears. The total shown amounted to only a few cents, and some of those notified went out accidentally.

2. It is estimated that about over 2,000 poll tax payers are in arrears. Have all been notified?

Ans.: All poll tax payers in arrears over the 'back few years have also been notified.

3. What is the total of notices served?

Ans.: The information only be made available by a considerable amount of work, and is not important enough to warrant this.

4. How many of those now in alleged arrears were placed on the qualified voters' list in 1937, and how many persons disqualified by Statute of about 1932 voters' lists were made absolute proof of qualification.

Ans.: This year is election year. If practically every citizen in alleged arrears, poll property or personal, as served with notices, is disqualified, then who can lawfully elect a new Council? Will there be any left?

Ans.: Arrears presently established will subject to cancellation or reduction by Adjustment Board. What is the status of those notified in proper time.

6. Under authority of what Statute or Act of Incorporation has the Adjustment Board been appointed and what is extent of their jurisdiction?

Ans.: Jurisdiction of Adjustment Board is set by Order-in-Council of the Provincial Government.

7. Is it their intention to act within the limitations prescribed by Statutes of Limitations, Federal and Provincial, and by the several sections of our Act of Incorporation?

Ans.: Adjustment Board will act only within limits prescribed by Order-in-Council.

8. Sec. 12 of the Board announcement says: "To refer to the regular City Tax Appeal Board for confirmation or reduction in a taxation any assessment levied against any taxpayer who may have been dissuaded from timely appeal by any action of any official as by way of any reduction accepted in good faith." Does this imply retroactive operation? Under the Act of Incorporation no Appeal Board is given jurisdiction over any assessment or tax levy outside of the current year of their appointment. Will each year's valuation be referred back to the particular Appeal Board having jurisdiction over the assessments of the year in question? And wherein has any such Board power to revise reassess or otherwise interfere with levies outside of their respective jurisdiction?

Ans.: The Adjustment Board can refer questions of valuation to the regular Board of 1939 only, but reference may retroact for any year in which taxpayer may have been improperly prevented from appealing within the prescribed time.
