—The directors of the Summerside Driving Park and Exhibition Association have decided on the dates for the Prince County Exhibition to be held in Summerside this fall. It will be held on Thursday and Friday Sept. 17 and 18 a week before the Provincial Exhibition opens in Charlottetown. Last year owing to the exceptional large number of entries in nearly every class the accomodations were found to be too small, this year the directors have decided to build 100 ft. unto the main building which will then make it 200 feet by 40, there will also be 100 feet more added to the stables, which will be made up into box stalls for showing stallions in. 100 feet more space will be provided for the accomodation of the cattle, besides which sufficient accomodation will be provided to properly care and protect the live stock. Everything points this year to an exceptionally large exhibition and all now needed is for the weather man to provide fine weather for the 17 and 18th of Sept. to make the Exhibition a success.

CONSTIPATION IS DANGEROUS

Constipation should never be neglected. It fills your blood with impurities, and sows the seeds of dangerous diseases. Mother Seigel's Syrup regulates your bowels, cleanses your blood, ensures good digestion, and thus absolutely cures constipation.

ALMOST DIED FROM COLIC.

Little babies are affected just like their parents. "Last summer," writes Mrs. E. D. Riker of Portsmouth, "My children ate green apples and were seized with violent cramps. My youngest child was in agony. I gave them each a dose of Polson's Nerviline; this had an immediate effect. One minute my poor children were doubled up in agony and almost the next they were cured." Nerviline is made to cure and does cure summer complaint, cramps and stomach trouble. Test a 25c bottle yourself.

COMING EVENTS

Red Rose meeting, Lodge Prince Edward S.O.E. Tuesday, July 28th.

MAN'S MOST CRITICAL AGE.

Very often the vital resources are small at forty-two, but if not then, between fifty-seven and sixty-two years of age there is a strange slowing down and loss of vitality. It is important that this transient period of decay should be checked; strength must be imparted to the tired brain, the weakened nerves must be fortified. The wise man will use Ferrozone whose potency is particularly applicable to these critical periods. Ferrozone quickens the whole being, imparts vigor and power, pushes back the onset of sensibility in a very manifest way. It's because Ferrozone gives strength, vitality and vigor that it is useful to old men, try it. Price 50c.
