

Indigestion

Is about the first symptom of dyspepsia and other stomach troubles which lead to ill health and numerous other diseases. The want of space will not allow us to give all the symptoms and causes of indigestion. One of the most prominent is gas in the stomach after eating, causing colic, belching of wind and other stomach troubles. BURDOCK BLOOD BITTERS corrects the acidity and wrong action of the stomach. Here is testimony to prove what we say:

Here is what John Fisher of Douglas, Mass., has to say of B.B.B.:

"Some time ago I was suffering from indigestion. A young man stopping at our place advised me to try BURDOCK BLOOD BITTERS. Before this time I had tried numerous remedies, but had found no relief from them. After taking a few doses of B.B.B. relief came as by magic, and I can now eat three square meals a day without any bad after effects, and although sixty-seven years of age can do an ordinary man's work every day—thanks to B.B.B."

March, 1900.

Mrs. JOHN RILEY, West Liscomb, N.S.: "I have been using B.B.B. for indigestion and it works like a charm. Before starting to take it I was thin and run down in health and could get little strength from my food; two bottles completely cured me."

WOULD NOT BE CARVED.

Bay St. Paul Merchant Refuses to Allow the Doctors to Perform an Operation. He is Well Now.

BAY ST. PAUL, Que., Mar. 4th.—Our general store keeper, Mr. Arthur Fortin is a married man aged about forty two. He is very dear to him, yet, when the doctor, four or five of them, wanted him to submit to an operation, and all declared it was the only way his life could be saved he refused point blank and dismissed them. He had tried everything for his Kidney Disease and was much disheartened.

"I have been troubled with kidney trouble all my life," says Mr. Fortin. "I had tried all the medicines I had seen advertised, but none helped me. I had consulted four or five doctors, and they all wanted to perform an operation. They said it was the only way my life could be saved. I would not submit to it."

"Just then, I saw an advertisement of Dodd's Kidney Pills, and determined, although discouraged, to make one more try and this would be the last. They cured me completely."
