...Brazilian 2.19 will be at owners stables Montague from Thursday May 14 until Wednesday morning May 20. We have horses longer in the Province, in the service good to look at, but can't show us one in the list. Brazilian's colts now hold the champion records of the 3 provinces Israel Tarte (3) 2.36 1/2 trotting and Ozen D. (3) 2.27 pacing king of the east. He was an easy winner over the field at Halifax last September where he made the remarkable low record for a colt of 2.27 and still showed reserved bursts of speed finishing the last quarters of his heats the fastest in 33 and 34 seconds—Here's where the Royal blood shows and Brazilian's veins are full of it to the brim, being one of the best bred horses in America. Intending breeders should look up these facts and breed only to the best.

### SYNOPSIS OF CANADIAN NORTHWEST HOMESTEAD REGULATIONS

Any even numbered section of Dominion Land in Manitoba, Saskatchewan and Alberta, excepting 8 and 26, not reserved may be homesteaded by any person who is the sole head of the family, or any male over 18 years of age, to the extent of one-quarter section 160 acres, more or less.

Applications for entry must be made in person by the applicant at a Dominion Land Agency or Sub-agency for the district in which the land is situated. Entry by proxy may however, be made at an Agency on certain conditions by the father, mother, son, daughter, brother or sister of any intending homesteader. The homesteader is required to perform the homestead duties under one of the following plans.

(1) At least six months residence upon the cultivation of the land in each year for three years.

(2) A homesteader may, if he so desires, perform the required residence duties by living on farming land owned solely by him not less than eighty (80) acres in extent, in the vicinity of his homestead. Joint ownership in land will not meet this requirement.

(3) If the father (or mother, if the father is deceased) of homesteader has permanent residence on farming land owned solely by him, not less than eighty (80) acres in extent in the vicinity of the homestead, or upon a homestead entered by him in the vicinity such homesteader may perform his own residence duties by living with the father, or mother.

(4) The term "vicinity" in the two preceding paragraphs is defined, as meaning not more than nine miles in a direct line, exclusive of the width of road allowances crossed in the measurement.

(5) A homesteader intending to perform his residence duties in accordance with the above while living with parents or on farming land owned by himself must notify the Agent for the district of such intention. Six months' notice in writing should be given to the Commissioner of Dominion Lands at Ottawa, of intention to apply for patent.

### A WORD OF PRAISE.

Dear Sir.—Being in Pownal on business Friday evening, I went to the Hall where an entertainment was given by the Y.M.C.A. Boys, Charlottetown, under the direction of Mr. Archibald, and I must say I was surprised at the splendid exhibition of gymnasium work they put up though handicapped by limited stage space. I enjoyed the entertainment immensely though going there expecting to be bored, and I must say that the junior class is a credit to a much larger city than ours.

Thanking you Mr. Editor for your kindness in giving me space.

Yours very truly,  
"CITY INSPECTOR."

### DODDS' KIDNEY PILLS

IS YOUR CHEST "WHEEZY?"  
"Tightness and wheezing means your trouble is deep seated. To delay is dangerous. Inflammation must be drawn out at once. Rub the throat and chest with Nervilleine, and put on a Nervilleine Porous Plaster. Relief comes in an hour. The counter-irritant effect of the plaster relieves the tightness and strain, draws out the soreness, eases the pain, the penetrating qualities of Nervilleine are able to soak to the very core of the trouble, and you experience a feeling of warmth and relief that proves the danger is past. For weak chest, sore throat and tendency to colds, the Nervilleine Treatment beats all others, try it."
