Eight Years of Bad Eczema on Hands

Cured by Cuticura Soap and Ointment

Mrs. Mary A. Bentley, 93 University St., Montreal, writes, in a recent letter: "Some nine years ago I noticed small pimples breaking out on the back of my hands. They became very irritating, and gradually became worse, so that I could not sleep at night. I consulted a physician who treated me a long time, but it got worse, and I could not put my hands in water. I was treated at the hospital, and it was just the same. I was told that it was a very bad case of eczema. Well, just kept on using everything that I could for nearly eight years until I was advised to try Cuticura Soap and Ointment. I did so, and I found after a few applications the burning sensations were disappearing. I could sleep well, and did not have any itching during the night. I began after a while to use Cuticura Soap. I took to the Cuticura treatment, and thought if I could use other remedies for over seven years with no result, and after only having a few applications, and finding ease from Cuticura Ointment, I decided to try Cuticura Soap and Ointment. I used the Cuticura Soap and Ointment for nearly six months, and I am glad to say that I have hands as clear as anyone. It is my wish that you publish this letter to all the world, and if anyone doubts it, let them write me."

Cuticura Soap and Ointment are sold by druggists and dealers everywhere. For a liberal free sample of each, with 25-p. book, send to Potter Drug & Chem. Corp., 55 Columbus Ave., Boston, U. S. A.

RESTORE GRAY HAIR TO NATURAL COLOR

By Common Garden Sage a Simple Remedy for Dandruff Falling, Faded, Gray Hair.

The old idea of using Sage for darkening the hair is again coming in vogue. Our grandmothers had, curly, glossy hair at seventy-five, while our mothers are gray before they are fifty. Our grandmothers kept their hair soft and glossy with a "Sage Tea," which also restored the natural color.

One objection to using such a preparation was the trouble of making it. This objection has been overcome by the Wyeth Chemical Company of New York, who has placed on the market a superior preparation of Sage, combined with Sulphur and other valuable remedies for dandruff, itching scalp, and thin, weak, falling hair.

The beauty of the hair depends more on its rich, even shading than anything else. Don't have dry, harsh, faded hair; when a simple, harmless remedy will bring back the color in a few days, and don't be tormented with dandruff, itching scalp and loose, falling hairs. Wyeth's Sage and Sulphur Hair Remedy will quickly correct these troubles, and give color, strength and beauty to your hair.

Get a fifty cent bottle from your druggist today, and prove this to your own satisfaction. All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented. Special Agent, E. A. Foster, Sunnyside.

THURSDAY

"His friends are pleased to learn that Peter Burke of Rollo Bay East, who has been visiting friends in different parts of Massachusetts, for the last two months, has lately accepted a position with the Milford Ice Co., of Milford, Mass."

"The following St. Peter's notes have been received:—Thomas McDonald of Monticello, spent the week end at Portage Road, the guest of Pius Lemis.—A very enjoyable evening was spent a few nights ago at Frank Anlay's, Southampton, when a large number of people gathered in and entertained themselves with dancing and music until a late hour."

The death occurred very suddenly in Brooklyn, N. Y., on Tuesday, Jan. 30th, of Catherine MacPherson, wife of Angus Moring, of acute congestion of the brain. The deceased was in her 33rd year and although she was not in the best of health her demise was very unexpected. She leaves to mourn besides her husband, a son and a daughter, Gordon, aged 10 and Christina, aged 8 years, also two brothers, Peter MacPherson of Vancouver, B. C., and Norman of Belfast, and three sisters, Mrs. Geo. A. Martin of Boston, Mass., Mrs. Geo. Birt of Peak's Station and Mrs. John D. McEellan of Vancouver, B. C. Her many friends at Glen Martin, Lot 61, her former home, and elsewhere extend their sincere sympathy to the bereaved. (Send papers please copy.)

"A writer from Dingwell's Mills notes that Fortune Head school is progressing rapidly under the management of their painstaking teacher, Miss Geneva Chaisson of Rollo Bay Centre. The esteem in which the teacher is held, has been shown by the fact that 27 ratepayers have taken in furnishing the interior of the school building both in wood-work and painting, and also in furnishing a couple of new maps which they have lately purchased. The rate-payers are deserving of much credit, in having their school fitted in such an up-to-date manner."

"The annual meeting of the Three Rivers Steamship Company was held Tuesday in the office of Poole and Thompson, Montague. The reports of the year's business were very satisfactory, and the meeting by a hearty vote of thanks expressed its appreciation of the services of Capt. McCaren of the Enterprise who has been connected with the company since its organization, twenty years ago. Votes of thanks were also tendered President Thompson, and the other officers. The old board were all re-elected.—Ex.

What was likely one of the happiest events in the life of Mrs. Wm. Adams, formerly of this city, took place at the home of her daughter, Mrs. W. McTaggart, Westboro, Mass., on January 24th, namely, the reunion of the family on the eighty-fourth anniversary of her birth. Mrs. J. S. McTaggart of Missoula, Mont.; Mrs. J. T. Peardon of Sydney, and William, Thomas H. and W. Adams, all of Wollaston, Mass., constituting all the living daughters and sons of Mrs. Adams were all present. The home of Mrs. W. McTaggart was most tastefully decorated for the occasion. A beautiful birthday cake, baked by one of her grand-daughters, having the inscription, Grandma, 84, upon it, was among the many dainties that sat upon the tea table which was also beautifully decorated with carnations and lilies, for this exceedingly happy event. Mrs. Adams, although at the advanced age of 84 years, enjoyed every minute of this happy event.

A. J. and Mrs. Taylor celebrated the Seventeenth anniversary of their Wedding at their residence, Wood Islands, by entertaining a number of their friends. A very enjoyable time was spent when about fifty invited guests assembled to congratulate them on this happy event. An enjoyable program was then well rendered. The music, which was excellent, was furnished by D. D. Emery and N. D. McMillan to which the young people tilted the light fantastic to their hearts content. Prominent among the guests were Capt. L. and Mrs. McNeill, Hook McNeill of Calgary and Miss Emery of New York, the latter two being at present home on a visit. Supper was served in the hostess best style to which ample justice was done. Mr. and Mrs. Taylor are deservedly popular with their many friends and acquaintances in Wood Islands and the vicinity. Before closing a note of thanks was given to the host and hostess wishing them loving life and prosperity. This joyous occasion, celebrated Monday evening, was then brought to a close by singing Auld Lang Syne after which they all wended their way to their homes all satisfied that they had spent a most enjoyable evening.

The home of Isaac and Mrs. Smith at North Wiltshire was the scene of a quiet, but very pleasant, event on Wednesday evening, Jan. 31st, when their youngest daughter, Susie Eva, was united in the bonds of holy matrimony to George Alexander, son of Charles and Mrs. Godfrey of North Wiltshire. The bride, beautifully and appropriately gowned in white, was given away by her father, the wedding march being played by Miss Clara Balderston. The ceremony was performed by Rev. Hugh Miller of Cornwall in the presence of the more immediate relatives of the contracting parties. The number of valuable

INTERESTING EXPERIENCE OF A TORONTO LADY

I have seen OXO Cubes advertised a great deal and thought I would try them, so I bought a 25c. tin and found them so satisfactory that I am going to tell the women of this city how I used them.

MONDAY night, we were going to the theatre, so I filled my brass kettle and alcohol lamp and left them in the den with the box of OXO Cubes. We were tired and cold when we returned from the play. But in a moment, the water was boiling, the OXO Cubes were dissolved, and we were sipping the most delicious "beef tea" I ever tasted. And how we did sleep that night!

TUESDAY morning, my small daughter would not take her milk. I added a wineglassful of water and poured into a mold, allowed it to cool and sent it to my poor friend. When I ran in to see her next morning, she actually cried as she tried to tell me how good it was.

WEDNESDAY There is a dear old lady next door who has been ill for a long time. I wanted to make something to tempt her appetite. So I dissolved an ounce of Gelatine and three OXO Cubes in a pint of boiling water—then added a wineglassful of water and poured into a mold, allowed it to cool and sent it to my poor friend. When I ran in to see her next morning, she actually cried as she tried to tell me how good it was.

THURSDAY Two of the children do not come from school at luncheon. I do not care to give them meat sandwiches—yet want them to have something more sustaining than bread and sweets. OXO Cubes solved the problem. I now spread OXO Cubes on bread and know that the children have a nourishing and appetizing luncheon.

FRIDAY Just as we had finished dinner, who should walk in but my brother-in-law with his new wife! While I was washing the rest of the dinner, I had the kettle boiling, the OXO Cubes were dissolved, and I now spread OXO Cubes on bread and know that the children have a nourishing and appetizing luncheon.

SATURDAY I came in from doing my Sunday shopping all jaggled out—and I could feel myself coming down with a dreadful cold. I made a cup of OXO and felt so rested that I added two OXO Cubes to another cup of boiling water and drank that. When I awoke Sunday morning, I had not a sign of a cold. I am finding new uses for OXO Cubes every day.

SUNDAY We were tired of the everlasting eggs or chops for breakfast so I tried to see what I could do with OXO Cubes. I fried a small onion cut in slices, with a little apple, in butter until brown—then poured in two OXO Cubes and boiling water—then added a tablespoonful of curry powder, a little chutney and finally minced cold beef. I stirred it for fifteen minutes over the fire and served in a hot dish, garnished with boiled rice. Everybody was delighted with my OXO creation. OXO Cubes are the greatest advance in food invention since meat began to eat and women learnt to cook. 10 Cubes, 25c. 4 Cubes, 10c. 71

and useful presents showed in what high respect the young couple are held in the community in which they reside. The groom's gift to the bride was a costly fur-lined coat; to the bridesmaid, Miss Maggie Smith, sister of the bride, a gold brooch, and to the groomsmen, who was a cousin of the groom, James Harrison McFarlane of Fernwood, a gold stick pin. Mr. and Mrs. Godfrey will reside at North Wiltshire. —Miss Emma B. Flahaven of Providence, R. I., and Miss Addie Howard, Kensington, Telephone Operator attended the recent hockey match at Summerside. They were accompanied by James Crosby of Verdun, Man, and Francis Vernon, Lynds, Brunswick House, Kensington by the special train.—Com.

"Jeff Wilson, Corvaille, spent the week end in Middell."

"On Monday last Alex White and Richard Kickham, Souris West, came near having the misfortune of losing their horses in Souris River. They were returning from New Zealand with two loads of wood when the ice gave way. Fortunately their cries for help were heard by John Kickham M. P., and Peter Longapie who ran to the rescue, and it was only with the utmost exertion of the four men, that they succeeded in getting the horses on the solid ice again."

—Deep sympathy will go out from the many friends of P. B. Clark, Summerside, on learning of the death of his son George M., which sad event took place yesterday morning at the age of twenty, after an illness of about two and a half months. Deceased, who was a general favorite, had shown much improvement in health during the previous two weeks, but on Sunday last took a bad turn from which he did not rally although he was able to talk until the last, he speaking a few words at nine and nine-ten yesterday morning and passing peacefully to rest at nine-twenty. His early demise has cast a gloom over family and friends, especially over the former who were called upon to part with him and mother in August last after a severe illness. The bereaved family, besides a sorrowing father, are Mrs. Hiram Langille of Westville, N. S., Greta and Jennie, and John in Summerside. A short service will be held at his home in Summerside this afternoon at three o'clock, after which the remains will be forwarded by the western train to Alberton, to the residence of Mrs. R. A. Clark. From there the funeral to the Alberton Methodist Cemetery will take place on Friday at 2.30. The Guardian sincerely sympathizes with the bereaved.

—An Emerald writer says:—The farmers of Emerald are taking advantage of the good roads and are hauling home their winters fire wood. —Mrs. John Mohan and Mrs. James Duffly have returned home from spending a few days with their friends in Carleton.—Jack Dunn, spent the week end at John R. Murphy's.—Norman Matheson is busily engaged in training his trotters.—Miss Maggie Mohan and Miss Florence Duffly have returned home after spending a few days with their friends in College land.—Francis Fitzsimmons, is now spending his holidays with his parents in Kensington.—Fred McKenzie has purchased a trotter from John C. Croken, Emerald.—Colin and Norman Matheson spent a couple of days thrashing with Picton Reeves of Freetown.—The people of Emerald were pleased to see Kenzie Matheson out training his two year old colt, and he has all appearances of being a promising trotter.

Frank Beales, city, was a passenger to Summerside yesterday morning. Miss Gertrude McElroy, Calgary, arrived yesterday on a visit to old friends and acquaintances.
