## NEW WONDERLAND NEWS

Tonight sees a change in the planning of programs at The People's Theatre. The film service which has been used there for the past year has been transferred to the Kinograph supply, and this evening for the first time in the history of Motion Pictures in Charlottetown, the last invention in films will be put on—vix, Non-inflammable films. This relieves the minds of those who have heretofore been kept away from motion picture entertainments for fear of accidents, for all can rest assured that such are not possible under the new regime.

The world famous Pathe pictures are again to be seen here, and tonight the feature film will be "In the Days of Oliver Cromwell," one of Pathe Freres newest Film d'Arte, and posed for by the most famous actors and actresses of the day. The picture is richly colored, delineating the important events in the life of Oliver Cromwell, subsequent to his conquering the throne of England. The opening scene is in the Palace of White-

hall, where news has just arrived that the Roundheads are hourly gaining strength. It passes on to the camp of Cromwell, where his daughter Elizabeth begs her father to give up the struggle against the King, and Elizabeth's disguise, to the capture of the supposed king "Elizabeth" to the offering of the hospitality of the Scotch people to Charles, and to the final great climax when the King is condemned to death. It is an historic film of great value, a story in history quickly learned by young students through the impressive power of the depiction, and the first one of Pathe's great art picture to be shown here. Do not miss it. The remaining numbers of the complete change tonight are—Any port in a storm, and Too Much Advice. These are laughable comedies and worth seeing, adding great interest to the entertainment. Cool, clean hall! Amusement and entertainment in plenty, and for five cents admission only. Come!

## NEWARK MAN'S COLLAPSE Caused by Biliousness and Pains in the Back. Dropped In The Street

Warm weather and acute indigestion were the chief causes of a physical collapse that overcame Mr. J. V. Donaghy near the entrance of the Pennsylvania Railroad depot last Thursday. A policeman lifted him into a cab and he was hurried to his home. In an interview next day, Mr. Donaghy stated: "I was practically unconscious when I arrived home. I knew I was in bed fighting against pains in my back as severe as if I had been shot at. Indigestion and biliousness were the cause of my collapse, and no doubt had been keeping up the headache and dizziness from which I suffered. Fortunately, my wife knew just what I needed. She gave me three of Dr. Hamilton's Pills of Mandrake and Jitternut and put me to bed. In the morning I was as fresh as a daisy, my system was cleared of its load of poisonous waste and I felt like a new man. From now on, in order to keep my system properly regulated, I will use Dr. Hamilton's Pills regularly. I know many who do so and they never have a day's illness."

Why not be healthy, hearty and well. You owe it to yourself, your family, to your friends, to your country, to your employer, to your happiness, to your peace of mind, to your prosperity, to your success, to your well-being, to your
