IS YOUR HEALTH WORTH \$5.00?

Woman Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Lima, Ohio.—"I was all broken down in health from a displacement. One of my lady friends came to see me and she advised me to commence taking Lydia E. Pinkham's Vegetable Compound and to use Lydia E. Pinkham's Sanative Wash. I began taking my remedies and took \$5.00 worth and in two months was a well woman after three doctors said I never would stand up straight again. I was a midwife for seven years and I recommended the Vegetable Compound to every woman to take before birth and afterwards, and they all got along so nicely that it surely is a godsend to suffering women. If women wish to write to me I will be delighted to answer them."

—Mrs. JENNIE MOYER, 342 E. North St., Lima, Ohio.

Women who suffer from displacements, weakness, irregularities, nervousness, backache or bearing-down pains, need the tonic-strengthening properties of the roots and herbs contained in Lydia E. Pinkham's Vegetable Compound.

If you want special advice, write the Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.

Passing through Charlottetown they continued on St. Peter's Road and made their first stop at Union Road at the home of Mr. and Mrs. Harry Henderson where they spent a very pleasant evening, despite the practical jokes, all of which they enjoyed. They remained there five days and were very pleasantly entertained at picnics, etc., by their many friends. On their return trip, they met an auto which was so frightened that they had to lead it past the horse. INKERMAN SCHOOL.—The semi-annual examination of Inkerman School was held on Friday afternoon, in the presence of a large number of parents and visitors. The pupils were examined by their teacher, Miss Granville MacVittie, assisted by Misses Mary Molyneux and Jeanette MacVittie and they showed by the satisfactory manner in which they acquitted themselves that they had been carefully taught during the past year. A programme of recitations, readings, solos and exercises was creditably carried out by the pupils and much enjoyed by all. Prizes for the best attendance were awarded by the teacher in the following manner: Johnnie Molyneux, Nelson Molyneux and Archie Molyneux. Many hearty invitations were extended to the teacher to remain another year and then she was presented with many beautiful presents by the pupils. The hearts of the young folks, as well as the visitors were made glad by the distribution of home made candy provided by their teacher. When the last of the good things had disappeared, the examination was brought to a close by the singing of the National Anthem.

A TRIBUTE.—The St. John Globe in speaking of the popular actor Mr. Webber said:—"It is the proud boast of Mr. H. P. Webber, veteran of the stage, that during more than forty years of life spent in providing amusement for amusement-lovers, mainly in the Maritime Provinces and the New England States, he has never permitted the presentation of objectionable plays, but has sought to establish his reputation on better lines and to win for the spoken drama the goodwill of his public. If this could be said of other actors and producers, whose advantages and opportunities have been greater than those of Mr. Webber, there would be no stage problem today, no demand for censors and no protest against a growing tendency to use the theatre for the exploration of nauseating, vulgar and often demoralizing productions. If Price Webber has done something more than win for himself a living during his long career, and for that reason he is to be regarded as greater than many a manager, many an actor, who gets his applause from larger audiences and in finer theatres." At his appearance in the Lyric Theatre on Monday, Mr. Webber, who looks exceedingly well, was greeted with rounds and rounds of applause as he came to the platform.
