Western Guardian

...Premier John H. Bell is in Summerside, having returned last week from California and other places where he spent the winter.

ALBERTON.—A great improvement has been made in the town since Myrick's coroner to the Catholic Church. The work has been done under the supervision of W. P. White, Elmsdale, who has no equal for handling a road machine. Mr. W. Tanton, the local M. P., arranged for the machine to come to town to do the work.

Mayor S. R. Burke returned on Thursday night last looking much improved in health after a long stay in different parts of the island. Miss Margaret Lytle has returned home from Brunswick after spending the winter with her sister, Mrs. Mcowan. The Dredge Capt. Batt has been reported to come to work at work dredging around the pier.

SUDDEN DEATH.—Neighbors and friends everywhere were shocked to hear of the sudden death of Mr. Duncan MacPhie who passed away early Sunday morning at his home in Howland. The deceased was born in Pictou County, N. S., 65 years ago but resided in Pictou, N. S., for many years coming to Prince Edward Island about twelve years ago to engage in the fox business. The late Mr. MacPhie was also a great horseman and owned a splendid string of trotters which he sent a short time ago to Amherst to train for the coming racing season. He was a man of high attainments in the business and professional life of the United States but preferred this province to the hustle and bustle of the Southern Republic in his own words he wished "to live and die here", which he did. He leaves to mourn a great loss besides his widow, one daughter, Mrs. James L. Faben, Melrose, Mass., and one son Mr. Elmore I. MacPhie, Lowell, Mass., who has arrived on the island and is taking the body to Wakefield for interment.

Worms cause fretfulness and rob the infant of sleep, the great nourisher. Mother Graves' Worm Exterminator will clear the stomach and intestines and restore healthfulness.

ALTAR AND CHOIR BOYS entertainment, Friday night at C. Hall at 8 o'clock. Come and have a good time.

FUNERAL SUNDAY.—The funeral of the late Edgar McCarron was held on Sunday afternoon from the residence of his brother, Conductor Peter McCarron, to St. Dunstan's Cathedral, where service was held by Rev. Father McGulgan, who also conducted service at the grave. The funeral was largely attended and included a number of the members of the L. P. U. The pall bearers were: Messrs. Jas. Farly, Chas. Donovan, Michael Jarvis, Michael Conway, Jas. Power and Patrick Keenan.

Central Guardian

A MEETING of the Hospital Ladies Aid is called for this evening at 7.30 at Mrs. McLean's, 169 Kent Street.

TO HEAR APPEALS.—The Federal Appeal Board is meeting in Halifax this week to hear Appeals from Decisions of the Board of Pensions Commissioners.

CAR FERRY COMING.—The Carferry, Prince Edward Island, is expected to arrive in Charlottetown Thursday for internal repairs which will be made by the Messrs. Bruce Stewart & Co. She has been in dry dock in Halifax for about ten days.

SALT STEAMER ARRIVES.—The S.S. Strama, Captain Hoiland in command, arrived yesterday morning in this port from Spain, with a cargo of 2000 tons of bagged salt consigned to DeBlois Bros. She is unloading at Buntain and Bell's wharf, and will be here for about five days.

THE ST. PAT SISTERS basketball team returned from Moncton last night where they met and were defeated by the St. Bernard ladies team by a score of 24 to 12. The local girls although losing out, were very enthusiastic over the showing made and also of the splendid reception and many other courtesies extended them while in Moncton.

FUNERAL YESTERDAY.—The funeral of the late Mrs. Katherine Hughes, mother of Rev. Francis Hughes, was held yesterday morning from the residence of her son-in-law, Mr. Augustus Brothers, East Royal to St. Dunstan's Cathedral where a Solemn Requiem High Mass was celebrated by Right Rev. Monsignor Maurice McDonald, assisted by Rev. P. McMahon, Dean, and Rev. A. L. Simont, Master of Ceremonies. Interment was in Tracadie.

SUCCESSFUL STUDENTS.—At the closing exercises of Acadia Collegiate Academy three of the five students who secured diplomas are Prince Edward Islanders. They are as follows: Charles W. MacKinnon, Charlottetown; Charles A. Linkletter and Henry Whitney, Summerside. This entitles these students to matriculation in the universities. Mr. R. Lloyd Dewar son of Dr. Dewar, this city, secured his certificate in second year. This speaks well for P. E. Island students.

FERTILIZER BOAT HERE.—The four masted, Mary Bradford Pierce, Captain Roberts in command, arrived in this port on Monday afternoon from Baltimore with 17,000 lbs of fertilizer for the Potato Growers Association. She anchored in the stream awaiting the departure of the S.S. Start, and will load at the latter's berth at the Railroad wharf. The Start sailed yesterday afternoon at Buntain and Bell's wharf, and left shortly after. Buntain Bell, and Company are agents for the Mary Bradford Pierce.

PERSONALS

Mr. John McFadyen, City, is visiting his home in Springfield. Rev. Walter McGuigan has begun his duties as assistant at the Bishop's Palace.

Two Misses Ella Fizzell and Mabel Gillis of C. B. C. returned to the city to resume their studies after spending the week-end at the former's home, New Haven.

Dr. H. D. Johnson left this morning for Halifax in connection with certain Appeal Cases that will come on later in the summer in this Province.

Miss L. F. MacAulay and Miss M. J. McCarvey of Moncton returned home after spending a very pleasant holiday in this city. While here they were guests at The Russ.

The many friends of Mrs. Fred H. Trainor, will be sorry to learn of her serious illness at her home in this City.

Miss Maria ret Connors of the Patriot staff is reported as "doing nicely" at the City Hospital, where she underwent an operation for appendicitis on Saturday morning.

BIRTHS

WHIDDEN.—On May 16th, to Mr. and Mrs. Arthur Whidden, Walpole, Mass., a son, Arthur Westaway.

HICKOX.—At Somerville, Mass., May 15th, to Mr. and Mrs. Fred Hickox (nee Mildred Wallace) a son.

BATE.—At Fredericton, N. B. on Saturday, May 22nd to Rev. and Mrs. A. F. Bate, a daughter.

MARRIAGES

SMITH-EXWORTHY.—At the home of Mr. James Goss, 222 King St., on May 22, 1926, by Rev. E. H. Ramsay D. D., Samuel Smith of Granville to Phoebe Exworthy of North Wiltshire.

DEATHS

WHIDDEN.—At Walpole, Mass., May 18th, Arthur Westaway, infant son of Mr. and Mrs. Arthur Whidden.

POLICE COURT.—One drunk was fined \$10.00 and -1.00 costs at the Police Court yesterday morning.

MORE IMMIGRANTS EXPECTED.—Among the passengers arriving in Halifax from Liverpool and Glasgow on the Star Line Baltic, on May 24th, were Thomas McKewen, Mrs. Emma McKewen, Robt. McNeill and John Corbett, whose destination is Charlottetown.

NO FISH STORY.—As with every twelfth of May, yesterday was consecrated by the disciples of Isaac Walton, who told to every willing listener stories of the great progress in the art of angling. Those who were not sufficiently lucky to be able to describe with pride their fine catch, could still tell tales of the big fellows that got away, but two at least of the city's most renowned anglers do not fall under the latter category. Messrs. Charles Wauzy and Gordon Worth arrived home on Monday evening with one of the finest catches of speckled beauties that ever delighted the appreciative eye of an angler. More than one of these beautiful sea trout tipped the scales at over three pounds, and the run of the lot averaged at least one pound. There is no doubt but that these two lucky fishermen bagged the premier catch of the twenty fourth and they are now being besieged with enquiries as to where and how the fish are to be lured and trapped with such enviable results.

Russ Hotel

A very comfortable and homelike Hotel at a moderate price.

Large and well lighted rooms with hot and cold water.

Splendid table, courteous service.

Centrally located, being on the finest street in the city, and in close proximity to churches, depot, theatres, etc.

THE NEW RETAIL STORE OF J. M. ROOP & CO. OPENED

It is One of the Best Equipped of its Kind in the Province. Store was Crowded Saturday Night When it was Open for Inspection.

Ever since Messrs J. M. Roop & Co. of Charlottetown began to operate their pork packing establishment on Water Street, a little over a year ago they have had in mind the present undertaking of opening a retail meat shop. The delay of getting under way sooner was caused by the uncertainty whether Charlottetown was a large enough city to maintain a meat market similar to those cities three times its size.

A year ago this firm leased the store in the Provost Block, Sunny side, next to the grocery store of Jenkins and Sons, and after due consideration decided to open one of the best equipped and one of the most conveniently arranged meat markets in the province.

When this decision was made it took time and thought as to where the best machines and fixtures could be purchased that would give the most satisfaction to themselves and their customers.

Refrigeration—This part of the equipment, of course, is the most particular and costly. After due consideration the contract was given to the Canadian Ice Machine Co., Toronto, who provided a refrigerator, condenser, compressor, dynamo, also refrigeration show cases and window fixtures. This company is one of the largest of its kind in Canada and have many plants in operation in this Province, which have given splendid satisfaction.

Refrigerator—The refrigerator itself is 30 ft. long, 12 ft. wide and 13 ft. high and is divided into three compartments. The first room is where the fresh carcasses are hung for two or three weeks before railed into room two, when they are ready for the cutting block.

The temperature in room one is kept at 33 and if it is necessary beef in this compartment will keep 30 days or more.

In room number two the temperature cannot be kept even, as from this compartment the quarters are railed to the front shop to the cutting block and this means the door is opened many times during the day. Room number three contains barrelled meats, pork, corned beef and other products that do not require the same temperature.

The ralling system of the store is all the rear door, through number one and two rooms of the refrigerator then to the cutting blocks or tables.

Machines—Dynamo, compressor and condenser. They are installed in the cellar on concrete foundations and from here the pipes are "frosted" by ammonia gas, through and window. All the machines run smooth and perfect and are the latest of their type.

Fixtures—Bacon slicer, built by "Hobart" and is one of the world's best makes. Scales, the Toledo "electric" white porcelain and are the most modern. Hanging Rack "Beauty" the best manufactured by the Cincinnati Butchers Supply Co.

Window—This part of the store (as is all the rest) is simply a dream. The bottom of the window is tiled in white with double plate glass front, plate glass sides and top with "frosted" pipes in the rear. The show cases are the same, and are all under refrigeration. The show cases and window are built in such a manner that flies or hanging the meats. All the customers are satisfied. The window contains piping moulded in the following letters "ROOP'S" and can be frosted when required.

The Rack called "Beauty" is 24 feet long, 11 feet high with a large beveled mirror in the centre and is made of oak. The top of the rack is finished with a heavy cornice 18 inches wide, 12 inches deep and has a shelf 12 feet long, 12 inches wide, covered with white marble.

The back of this shelf has a strip of marbles 6 inches deep and runs the full length. This rack will hold upwards of 100 pieces of smoked meats or other goods that are not perishable.

Store—The store inside is finished in pure white walls and ceiling. There are three feet from the ceiling for lighting and the outside will be painted white when weather permits.

Beef Ripened before using. In explaining the difference between ammonia gas refrigeration and ice refrigeration the firm claims that the air from ammonia gas "frosted" pipes is absolutely dry and will readily absorb the concrete walls that show no signs of dampness. This is the reason why beef can be kept 30 days without freezing. It all beef that is hung in a temperature of 33 degrees for two weeks will lose its animal heat and at the same time the tissues will soften, the meat ripens and is rich flavor.

Saturday's Inspection—The firm wishes to thank the citizens who took the time to give them a call and regret that it was impossible to show everybody through the

ABBIES TAKE MONCTON INTO CAMP 5 TO 4

In Afternoon Game and 5-3 in Evening Tilt — Good Ball Considering Weather Conditions.

Nearly two thousand fans witnessed the local opening of the 1926 baseball season here. Empire Moncton All Stars staged an exciting double header the locals taking both the afternoon and evening games by scores of 5-4 and 5-3, respectively.

Sunday night's rain with intermittent showers on Monday morning left the skinned infield in a soggy condition so much so that fast and snappy fielding was out of the question, but notwithstanding flashy mid-season baseball was dished out at times that made both teams pleased to watch the action.

The first game developed into a pitcher's battle with McQuaid having the edge on the over-worked Cormier who was forced to do his proudest against the hard hitting locals. McQuaid's excellent hurling coupled with the watchful work of the pitchers kept Moncton from getting a grip on the big end of the score.

The evening game was also well contested and although the weather did not look very promising a large crowd was on hand to witness the match. The wind was cold, which made it somewhat uncomfortable for the players and fans.

The Moncton team had Steeves in the pitchers box for this game, while the Abbies had McEachern as pitcher. Both hurlers worked well, McEachern having the edge on Steeves.

The game only went seven innings and the Abbies again demonstrated that they could win by coming out with the big end of the score by 5-3.

First Innings:

Moncton—A. Cormier struck out McPhee caught out by W. Ryan, Wilson thrown out at first—0.

Abbies—McEachern hits a grounder and gets to second, Ryan hits fly, caught out by pitcher. McEachern struck out at first, McEachern gets to third. Francis hits a long high one which was gathered in by Cormier—0.

Second Inning:

Moncton—LeBlanc caught out by Cronin, Agnew thrown out at first, Taylor gets a drive and Ryan gets the grounder, drove it to Lynds who puts out Taylor—0.

Abbies—Lynds struck safe to first, W. McDonald caught out at first, McDonald hits safe to first, Lynds gets home. Cronin thrown out at first and Diamond gets home. Williams caught out—2.

Third Innings:

Moncton—Gould hits safe to first, Steeves struck out. A. Cormier safe at first. Gould out at first.

Abbies—McEachern struck out, Ryan caught out. McEachern hits a two bagger, Lynds hits safe to first, and McEachern got home. Francis put out between home plate and third base—1.

Fourth Innings:

Moncton—Wilson caught out by W. McDonald, LeBlanc hits safe to first, Agnew hits safe to first, Taylor out at first and LeBlanc got home. Gould struck out—2.

Abbies—W. McDonald thrown out at first. S. Diamond caught out. Cronin thrown out at first—0.

Fifth Innings:

Moncton—Steeves struck out. A. Cormier hits safe to first. McPhee safe at first. Wilson and McPhee put out on double play—0.

Abbies—Williams caught out. McEachern personally look after the cutting of the beef and curing while Mr. Todd will attend to the trade.

Opening.—This splendid store was opened for business this morning.

Moncton—LeBlanc caught by Lynds, Agnew walked. Taylor struck out. Delahunty safe at first. Gould struck out—0.

Abbies—W. McDonald hits safe to first, McDonald hits safe to first, Cronin struck out. Williams struck out. McEachern struck out.

Seventh Innings:

Moncton—Steeves struck out. A. Cormier caught out by McEachern. McPhee caught out at first by McEachern.

Abbies—5.

Moncton—2.

The following was the line-up:

Francis	Catcher	Moncton
McQuaid	Pitcher	Delahunty
McEachern	Short Stop	E. Cormier
McEachern	First Base	Wilson
Williams	Second Base	Gould
Lynds	Third Base	LeBlanc
Cronin	Left Field	McPhee
W. McDonald	Centre Field	A. Cormier
W. Ryan	Right Field	Agnew
Base Judges	S. Diamond and Fred Moore.	

NOTES

McAler is again on the job as umpire and needless to say his work behind the plate is praised worthy; in fact the Monctonians are proud to remark that Jack McAler is no better than any baseball official in the Maritimes.

Cold weather and a slippery diamond had the players working overtime to keep warm and stay on their feet.

Moncton has a flashy team. We hope to see them play here under more favorable weather conditions.

The visitors were loud in their praise for the many courtesies extended them while guests at the Davies'. They especially wish to thank Mrs. Lynds, proprietress for many considerations shown which helped in no small way in making their stay here the enjoyable one it was.

Due to recent injuries sustained Merlin McAllister the Moncton star third sacker was unable to play in either game.

The LeBlanc brothers "teamed" well, "Middy" the "management" and Jimmy on second.

The All-Stars were treated to a luxurious lunch bake on Sunday morning. During the festivities Mr. McAllister made an appropriate speech on claims and their food value ably seconded by "Middy".

Buccaneers Trim Connaughts 11-4

In the fast game of ball the Buccaneers defeated the Connaughts by a score of 11 to 4. The game took place on the Victoria Park diamond and was watched by a large attendance of fans. The following are the line-ups:

Buccaneers	Catcher	Connaughts
T. Creighton	Pitcher	B. Dolron
J. Dillon	1st Base	B. Crowley
C. Coyle	2nd Base	B. McInnis
A. Longaphie	3rd Base	B. McInnis
C. Praught	Short Stop	R. Dillon
J. Brennan	Right Field	J. Lorgan
H. Hennessey	Left Field	L. Burgess

REV. W. C. ROSS
New Principal of Mount Allison Ladies' College

SACKVILLE, N. B., May 25 — Rev. William C. Ross, B. A., who yesterday was appointed Principal of Mount Allison Ladies' College, was born at Sunny Brae, Pictou County, Nova Scotia. In early boyhood removed to Halifax, where his father was for thirty-five years principal of one of the city schools. He attended the public schools in Halifax and subsequently the Halifax County Academy. After spending four years in business he went to Edinburgh from which University he graduated in 1910. He specialized in classics and was recognized as being the best all round man in college at the time. He played on the football, hockey and basketball teams and won the all round championship cup in 1908. He was very active in athletic sports during young manhood, specializing in track work. He won the Canadian Championship for the half mile in 1905 and in the same year established a 44 minute record still unbroken for the same event.

Mr. Ross took the divinity course in Pinehill Presbyterian College graduating from that institution in May, 1924, and became an associate pastor with Rev. E. H. Ramsay, D. D., in St. Stephen's Church. Devoting his time to work among the young people, Mr. Ross proved himself capable and efficient. He resigned in 1917 to go overseas with the Canadian Y. M. C. A. and served for the balance of the war on transport service conducting troops across the ocean. After the armistice was signed, he was appointed to a responsible position in London as office in charge of accounts for the Canadian Y. M. C. A. and closed out their organization. On his return to Canada he was appointed Dean of Pictou Academy in 1920, in the employ of the Home Mission Board of the Presbyterian Church. Since the union of the Methodist, Presbyterian and Congregational Churches was consummated in 1925, Mr. Ross was transferred to Mount Allison Academy, where he has done most excellent work during the past year.
