O. KANE, of this town, in response to a despatch received the previous evening announcing the death of his brother James Kane of St. John, N. B., left by the Northumberland yesterday morning accompanied by Mrs. Brazil mother-in-law of deceased. The late Mr. Kane had been in ill health only about two weeks and his friends here were not expecting the sad news of his death, as his condition was not considered serious. Deceased was a meat merchant and held in high respect by his many friends. He leaves to mourn a widow but no family. His mother one sister and two brothers living in St. John, one brother in Chicago and one brother in Summerside also survive him. To the bereaved relatives The Guardian tenders sympathy.

VICTORIA DAY May 21 will be a public holiday in Summerside. All the public offices and business houses will be closed. Yacht races will be held in the harbor and there will be a parade in the afternoon of the Militia with the 82nd Regiment Band. There is considerable interest in military circles in Summerside at present. The 82nd Regt. Band having been attached to No 3 Company gives our "boys in red" a special pride in their work. The whole company and the band have received new uniforms which will give them an improved appearance. No. 3 Company is drilling hard; almost every night Capt. Campbell has his men together in the drill shed. A special drill in uniform will be held this evening. It is expected that our company will this year at camp do credit to themselves in general discipline and appearance. Summerside people take pride in this the only military company here, and the boys may count upon many admirers amongst citizens who look with expectancy towards No. 3 Company as the pride of a regiment.

REVOLUTION IN NEWFOUNDLAND.

Since the introduction into Newfoundland of the new Inhaler Remedy, "Catarhoxone," the treatment of catarrhal diseases has been entirely revolutionized. The old-time snuff and internal medicine has been cast aside and everyone is inhaling Catarhoxone; it clears the head and throat in two minutes, and is very agreeable and pleasant to use. Catarhoxone is a wonderful cure for Coughs, Colds, Catarrh, Asthma, Bronchitis, Lung Troubles and Deafness. It relieves quickly and cures permanently. We advise our readers to try Catarhoxone. Price \$1.00, trial size 25c. Druggists, or Polson & Co., Kingston, Ont.

UNION OF BAPTISTS.

St. John, May 17.—Committees of the Baptists and Free Baptists bodies of New Brunswick were in session here all day today seeking to establish a basis of union of the bodies. They will not give out the result until the conference meets, except to say that great progress has been made and it seemed the feelings of all that union of the bodies would be brought about at no distant date.

PERMANENT CURE FOR NEURALGIA.

Experienced sufferers state that no remedy relieves neuralgia so quickly as a hot application of Polson's Nerviline, the strongest liniment made. Nerviline is certainly very penetrating and has a powerful influence over neuralgic pains, which it destroys almost at once. Nerviline is highly recommended for Rheumatism, Lumbago, Sciatica, and Toothache. Better try a 25c bottle, it's all right.

Cantankerous, Obstinate Watches.

If you are the owner of a cantankerous, obstinate Watch, that utterly refuses to behave itself decently and tell time correctly, why not bring it to the E. W. Taylor Store and let our expert repairers diagnose its case? An erratic, unreliable Watch is little better than no Watch at all. The longer you allow it to misbehave, the more difficult the repairer's task will be in the end and the greater the cost of repair. Putting off the fixing of a Watch or Clock that has gotten out of order is a losing and shortsighted policy. Has this any home application to any of your timepieces? If so, our Repair Department is ready and waiting.
