Canadian Stock Prices Moved Upward Yesterday

MONTREAL, Nov. 2.—(CP)—Active trading in both mines and selected industrials today spurred prices on an upward movement started yesterday. Most gains were fractional, although a few strong spots were noticed in metals and papers.

Industrial sales were approximately 62,300 shares, an increase of 6,400 shares over Monday's total. Mining turnover was 315,800 shares, compared with 448,600 shares in the preceding session.

Closing averages indicated banks up .36 at 27.51; utilities up .1 at 76; industrials up .6 at 133.3; papers up 3.98 at 362.72 and golds up 1.97 at 64.26.

There were 211 issues traded on the two markets, of which 84 were higher, 48 were lower and 73 remained unchanged. Seventeen new highs and one new low were established.

Leading on the upswing were base metals, papers and oils. Several issues in those groups were traded on turnovers of more than 1,000 shares. Still most active mine issue was United Asbestos which sold 94,600 shares.

Consolidated Smelters touched a new closing high of 129.12 after soaring up four points. Noranda added 1-2 to a new high of 56 while Hudson Bay Mining jumped two points and International Nickel was 1-4 better.

VICTORIA

The Village By The Sea

Mr. Edgar Sobey who left Hampton when quite a young man has now returned to the old Sobey home there where he believes he intends to reside.

Friends of Mr. Albert Beer, Desable, are sorry to learn of his continued illness in the Prince Edward Island Hospital, Charlottetown, where he has been a patient for the past two weeks and over.

Mrs. Fred M. Clay, one of Victoria's most esteemed summer residents has again closed her home here and left recently to spend the winter with her daughter, Mrs. Ruth Neary of Lee, Mass. She was accompanied by her daughter, Mrs. Edna Faxon who came home for her mother and needless to say many regretful farewells were exchanged.

Mr. and Mrs. Louis Henderson and daughter Kathleen, Sydney, N.S., motored to Victoria during the week-end to spend a few days with relatives here, and while in the village attended the seventy-first anniversary services of Victoria United Church. They will be accompanied on the return home by Mr. Henderson's mother, Mrs. J. Henderson who has spent the summer months here with her sister, Mrs. K.C. Holm and brother, Mr. Cyrus Mallet.

On Saturday afternoon the Victoria Fire Brigade were called into action under the command of Captain Eddie Morrison to extinguish a fire which partly destroyed a two well built stack of grain near the residence of Mr. Victor Ferguson on the Victoria-Hampton highway. The stacks belonging to Mr. Ferguson had become ignited from a grass fire some distance away which had spread rapidly in the direction of the stacks and had it not been for the assistance of willing hands and an abundance of water at the nearby shore, the consequences might have been much more serious. — V.

Beat this who can! The other day an 84 year old resident of Crapaud, a retired farmer, Mr. Arved MacVittie took his potato basket in hand and briskly made his way to a neighbor's farm, that of Mr. Lorne Higgins to give a lift along at the work of finishing up his potatoes picking along with the younger folk until evening shadows fell. He then came blithely home "quite in the pink" as they say with no complaints whatever of aching back or limbs which goes to show the kind of stuff men of the older generation like Mr. MacVittie are made of.

A pleasing feature at the morning anniversary service at Victoria United Church was the presentation of a suitable gift and nicely worded address from members of the Women's Missionary Society and Evening Auxiliary of the W.M.S. to Mrs. Jabez Lea in appreciation of her valued services who for forty nine consecutive years has been the efficient secretary-treasurer of the W.M.S. Victoria. The presentation was made by Mrs. Keith Myers, president of the evening auxiliary and the address read by Mrs. Donald Murdoch, president of the W.M.S. and which voiced the appreciation of the members of the union.

The seventy first anniversary services to commemorate the building and opening for the worship of God of the United Church at Victoria were fittingly observed on Sunday, October 24th with morning and evening services. The guest speaker was Dr. G.J. Freeman M.A., Ph.D., D.C.L., Sackville N.B. who delivered inspiring addresses at both services. At the morning service the soloists were Mrs. T.G. Head and Miss Donald MacLeod, each heard in fine voice and with pleasing selections. At the evening service the choir was assisted by the Burnshaw Male Singers who rendered two very lovely selections in their usual fine style. The anniversary services were carried on Monday evening when the speaker was the Rev. R.L. Wagner M.A., North Bedouque who delivered a very impressive address, and the Inter-Community Choral Club under the direction of Professor William Jones had charge of the singing for this service which was greatly enjoyed by all present. The services throughout were presided over by Rev. T.G. Head and the org-

anist at both services on Sunday and on Monday evening was Mrs. Allison Lea. This beautiful building, which is on the main highway between the villages of Victoria and Crapaud, stands as a monument to the men who worked and planned for its erection and on a beautiful Sunday in October in the year 1877, they had their dreams come true for here stood a house of God, beautiful in construction and workmanship opened with three services on that day, morning, afternoon and evening largely attended by people from near and far. The contractors who were skilled carpenters of that day were Messrs Lloyd and Samuel French who have long since joined the immortal long along with other great men of that day who were leaders in the work of getting lumber out, heated, and sawed under difficulties when most of the work had to be done by hand, but nothing daunted, they went bravely on and so there stands until this day, this splendid Church in the best of repair. Names never to be forgotten in connection with its building are: Matthew Smith, James Inman, Thomas Sulphit, W.C. Lea, John B. Lea and Henry Wadman, names which should go down in the history of this church from generation to generation, as men who had the preaching of the Gospel of Jesus Christ at heart as well as the betterment of the life of the community.
