To the Electors of the City of Charlotetown

Ladies and Gentlemen: The undersigned, Commissioner of Sewers and Water Supply is now before you. In offering myself as a candidate for reelection as a commissioner, I solicit against the generous and hearty support so freely given me in the past. In the eight years that I have had the honor to serve upon the Board, the Charlotetown Water Supply has become the greatest and most important public work of the city. During that time there has been added to the plant—the following: The sewerage system, also a first class concrete reservoir; second water supply, and second main pipe line, with a most encouraging financial year increase in revenue. Should you again elect me I shall endeavor to discharge the duties of a commissioner as heretofore to the best of my ability. Your Obedt. Servant CHAS. MCGREGOR 1-18dtf

Cleanliness is Next to Godliness

If you want your home thoroughly clean and healthy, have it done scientifically. Ordinary disinfectants give only a false sense of security. Microbes and bacteria lurk beyond the reach of the most particular housewife. I use only the latest approved method which is a perfect germicide and endorsed by all Boards of Health and Health officers. Charges moderate. G. D. Wright Funeral Director and Embalmer. dtfd.

Vapo-Cresolene

Established 1879 Whooping Cough, Croup, Bronchitis, Cough, Grip, Asthma, Diphtheria. Cresolene is a boon to Asthmatics. Does it not seem more effective to breathe in a remedy to cure disease of the breathing organs than to take the remedy into the stomach? It cures because the air rendered strongly antiseptic is carried over the diseased surface with every breath, giving prolonged and constant treatment. It is invaluable to mothers with small children. Those of a consumptive tendency find immediate relief from coughs or inflamed conditions of the throat. Sold by druggists. Send postal for booklet.
