EXCHANGE OF PULPITS.—Rev. John L. Dawson, B.A., of York, and Rev. E. S. Weeks, Pownal, will exchange pulpits on Sunday. Mr. Dawson has not been heard of in Pownal Circuit for many years, (if at all), and it will no doubt be well worth while to listen to him on Sunday.

KING'S COUNTY SIEGE ARTILLERY.—A meeting will be held in the B. I. S. Hall, Souris, Monday evening, November 6th, at which war topics of interest to all Islanders will be discussed by eloquent speakers, including Rev. R. G. Fulton, of Charlottetown. The meeting is open to everyone and particularly to men of military age within driving distance. Make it a point to attend. 2898

WELCOME VISITOR TO HALLFAX.—Mr. John McLeod of Charlottetown is a visitor in the city and is at the King Edward hotel says the Halifax Mail, and adds; Probably no family in the maritime provinces has contributed a larger number of its members to the fighting forces of the empire than has Mr. McLeod's. Four of his sons are now in the firing line, one daughter is a Red Cross nurse in Saloniki, and another, a Red Cross nurse in France. For such a visitor as this there is a very warm welcome in this city.

SUNDAY SCHOOL INSTITUTE.—The Sunday School Institute held at Millview Methodist church, on Wednesday, Nov. 1st, was a fine success. The evening meeting was well attended and a good program was given. Besides several musical selections by the choir there were two addresses, one by Rev. E. Styles and the other by Rev. H. A. Brown. The former dealt with the question of Teacher Training in our Sunday school work, and the latter gave a strong presentation of the work of Social Service and Evangelism in connection with the Methodist Church. The pastor of the local church presided and assisted in making the institute helpful and enjoyable.

EXCELSIOR MONTHLY.—The second number of the Excelsior Monthly, published by the young girls of Principal Seaman's class, Prince St. School, just received, is another bright, breezy little journal and a credit to its editorial, reportorial, and business staffs. The patronage again extended by the merchants is a noteworthy and pleasing feature showing the generous willingness of all to help in a worthy cause. The literary and business training that the undertaking will bring to the class cannot but be helpful to them in their school work, while the various incidents and escapades, so graphically described in the local and social columns, will in years to come serve to revive pleasant memories of happy school girl days.

PRODUCE FOR SYDNEY.—The schooners Riviera Kimberley and Edwin Grover sailed this week from Charlottetown for Sydney, with full cargoes of potatoes and oats shipped by Mr. L. Wood, who has sent eight schooners to the same port this season with full cargoes.

MISS GORMAN IN NEW GLASGOW.—Miss Bertha F. M. Gorman, graduate of the Emerson College of Oratory, Boston, and dancing instructor from Vernon Castle, New York, and Prof. J. J. Richards, Boston, will give lessons in the Masonic Hall, New Glasgow, this season says the Evening News of that town. Miss Gorman during the past year taught the who belongs to Charlottetown oratory, voice and physical culture and dancing courses in Antigonish, being attached to the University of St. Francis Xavier and Mt. St. Bernard Ladies' College.

ISLAND PRODUCE.—At the present time says the New Glasgow News, there are four Island schooners at the wharf with produce. The following prices prevail: Potatoes, 70c per bushel; turnips, 40c per bushel; oats, 65c per bushel; cabbage 1 1/4c per lb; parsnips, 2c per lb; vegetable 75c per bushel. We understand from some of the schooner men that the price of potatoes is advancing on the Island. It would in this case be well for those who intend carrying potatoes to bear in mind that according to present reports the prices of produce are now as low as they will be this season.

OFF TO ENGLAND.—The North Sydney Herald of Nov. 1st says:—Mrs. Stanley Bagnall (nee Rita Christie) left last evening on her way to England where she will enter one of the English hospitals to give aid to the wounded. Mrs. Bagnall, whose husband is Captain of the P. E. Island Heavy Brigade at present in England, about a year ago finished a brilliant course in St. Luke's hospital New York, and shortly afterwards her husband and brother Jeffrey, who is also in the Heavy Brigade, went Overseas, she made application to the Imperial authorities for a position as nurse in one of the hospitals. A cable received Friday found Mrs. Bagnall leaving on the first steamer for England.

CO-OPERATIVE MEETING AT ST. PETER'S.—Last Monday night at St. Peter's a meeting was held by the Associated Farmer's Co-operative Co., Ltd. The hall was well filled, over 70 members of the Association being present. The splendid attendance showed clearly that the residents of St. Peter's and surrounding districts are very much alive to the possibilities and advantages of union, and are not only interested but willing to do their share to make P. E. I. a great co-operative province. The president and secretary being present each gave a short address, the president explaining that all could not be accomplished in a day, but that the great organization could only reach perfection through the continued and untiring efforts of each and every individual member. The members of the executive were putting forth every effort on the organizing end of it, as it was first necessary to have an united body before the benefits resulting from the united buying of that body could be obtained.

CHESTER WRITES AGAIN.—Gunner Chester Crowsell of the 5th Siege Battery is spending a fortnight in Dublin, Ire. In writing to Mr. Geo. H. Tanton from Dublin, Chester says, among other things, "This is some town to be in. The girls here are all right, but I have not as yet seen any to compare with the P. E. I. girls, especially in looks. They like the Canadians. The weather over here is like our summer. Not much rain. Poor people are in plenty here. They are on every street corner. I paid a visit to Phoenix Park, and certainly is a great park, and well kept, also, the market. A large number of our boys went to London. The stores and picture houses are open on Sunday here. A foot ball game was a Sunday attraction. Dublin is a busy town. People on the rush day the number of people this city contains. While I like this life and all the sights, still I am convinced there is no place like home. CHESTER.
