About Hair Brushes

If hair brushes could talk they would first of all say "keep us dry".

If you cannot keep your hair brushes dry, keep them as dry as you can—they will last twice as long dry as they will wet.

Ordinarily speaking the more you pay for your brush, the better and cheaper it will be, quality advances more rapidly than price

About Prices

The best way to get prices is to see the brushes and ask how much they are. We cannot describe them well enough here.

We have a solid back, ebony finish brush for 50c. It is a cheap brush, but it's the best we ever had for that price.

25c is our cheapest brush, then the prices go 30c, 35c, 50c, etc, up to \$2.75.

The Military brushes are \$2.25 to 4.50 a pair.

DOCTOR ADVISED OPERATION

Cured by Lydia E. Pinkham's Vegetable Compound

Canifton, Ont.—"I had been a great sufferer for five years. One doctor told me it was cancer of the uterus and another told me it was a fibroid tumor. No one knows what I suffered. I would always be worse at certain periods, and never was regular, and the bearing-down pains were terrible. I was very ill in bed, and the doctor told me I would have to have an operation, and that I might die during the operation. I wrote to my sister about it and she advised me to take Lydia E. Pinkham's Vegetable Compound. Through personal experience I have found it the best medicine in the world for female troubles, for it has cured me, and I did not have to have the operation after all. The Compound also helped me while passing through change of life."—Mrs. LETITIA BLAIR, Canifton, Ontario.

Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has proved to be the most successful remedy for curing the worst forms of female ills, including tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, and nervous prostration. It costs but a trifle to try it, and the result has been worth millions to suffering women.
