Three Years Suffering

Mr. Alphon Herr, Foreman at A Meyer's Bakery St. Catharines, Ont., Completely Cured of his Kidney Troubles by Doan's Kidney Pills.

The sickness and sufferings that those who are afflicted with any disease or derangement of the Kidneys are called upon to endure makes them welcome gladly the remedy that gives relief. Doan's Kidney Pills have been doing more for kidney sufferers in St. Catharines, and throughout Canada, than all other remedies combined. One of those who has found them a blessing is Mr. Alphon Herr, foreman at A Meyer's baking establishment. He says for three years he suffered a great deal from his kidneys, and for the last year he was very bad. He was unable to control his water, and had to rise many times during the night. He experienced scalding sensations which amounted to agony. "I have taken one box of Doan's Kidney Pills," said Mr. Herr, "and they have cured me. They were a quick-sure remedy. I am thankful that I am at last rid of the terrible suffering and discomfort; and I must give Doan's Kidney Pills all the credit of making me a well man."

Doan's Kidney Pills are the only reliable and satisfactory remedy in the world for Bright's Disease, Diabetes, Dropsy, Backache, Rheumatism, Lumbago, Puffiness and dark circles under the eyes, Urinary Troubles, Weakness of the Kidneys in children, Female Complaints, Severe Headaches, Dizzy Spells, etc. Sold by all druggists, or sent by mail on receipt of price, 50c. a box or 3 for \$1.25. 36 BELOW IN MAINE. WATERVILLE, Me., Dec. 14.—The weather throughout Maine was very cold last night and early this morning, many places reporting the lowest temperature of the year. While the thermometer is low, there has been no high wind and the weather is not so severe as the temperature might indicate. In this city unofficial glasses recorded a temperature of 36 below zero. Fairfield reports the mercury at 31 below. Benton Falls 36 below, Shawmut 32 below and Skowhegan 31 below.

Baby Eczema and Scald Head.

Infants and young children are peculiarly subject to this terrible disorder, and if not promptly arrested it will eventually become chronic. Dr. Chase made a special study of Eczema and disease of the skin, and we can confidently recommend Dr. Chase's Ointment to cure all forms of Eczema. The first application soothes the irritation and puts the little sufferer to rest.

THE CAT DIED.

By the death of a cat the Temple quarter in Paris receives a legacy of 10,000 francs for its elementary schools. The cat's mistress, who died in 1892, left the money for the maintenance of her pet cat, with the reversion at its death to the district municipality if it would look after the cat.

The Medical Profession Recommend Dr. A. W. Chase's Ointment.

C. M. Harlan, writing in the American journal of health, February 15th, says:—"Among the proprietary medicines deserving recognition is Dr. Chase's Ointment, as a remedy for Piles, Eczematous skin eruptions of all kinds, for which it has been used with marked success and has effected a remarkable cure in many obstinate cases which seem to baffle the skillful medical attendant."

All Doubts Vanish When Paine's Celery Compound is Used.

Its Wondrous Work Commands the Admiration of All.

It only requires the fair and honest use of one bottle of Paine's Celery Compound to convince a suffering man or woman that there is virtue, power and life in each drop of the wonderful medicine. This assertion is supported by the fact that thousands of men and women in Canada who can well afford to call in the best medical aid in times of sickness are now using Paine's Celery Compound in preference to all other medical prescriptions.

Some people, who have never tested the health-giving virtues of Paine's Celery Compound, wrongly class it with the common patent medicines, strapping pills, nervines and purifiers so extensively advertised. Paine's Celery Compound is far removed from any of these ordinary preparations; it is as much superior to all other medicines as the diamond is superior to cheap glass.

Paine's Celery Compound is the result of the prescription of one of the greatest physicians that ever lived, and has won the hearty endorsement of the noblest medical men of the age. Its merits and its continued victories over disease have carried it to enduring fame. It has given new life to those almost dying from liver and kidney troubles; it has raised up the rheumatic, neuralgic and dyspeptic, and purified the blood of those tortured by blood diseases.

If you are sick, ailing and cannot enjoy life, try one bottle of Paine's Celery Compound.

THERE'S SAFETY IN PROMPTNESS.

A Valuable Rule in Treatment of Stomach Troubles.

Dodd's Dyspepsia Tablets are the only Positive and Reliable Cure for These Diseases—Their Action is Powerful and Prompt, Their Effect Positive and Permanent.

Time and money spent, in trying to cure these complaints in any other way, is time and money wasted. Now the cause of Dyspepsia, Billiousness, etc., is imperfect digestion. Remove the defect in the digestive system and you get rid of the disease.

There is only one remedy—and only one—that can do this. It is known the world over as Dodd's Dyspepsia Tablets.

Dodd's Dyspepsia Tablets are unique among medicines. They possess the power of digesting any kind of human food. One or two of these Tablets taken after a meal, will easily, thoroughly and positively digest every particle of food.

Dodd's Dyspepsia Tablets act on the glands of the stomach and the stomach itself. They give strength and vigor to that organ and enable it to carry on its own work.

No disease nor defect of the stomach nor the liver can exist if Dodd's Dyspepsia Tablets be used.

Dodd's Dyspepsia Tablets are sold by all druggists, at fifty cents a box; six boxes \$2.50, or sent on receipt of price, by the Doan's Medicine Co., Limited Toronto.

A tiger cub can be easily killed. But when it has grown to full size and strength, killing it is a different matter. It is the same with disease. Take steps to cure it while it is in its first stage, and your object can be easily accomplished. Let it gain a firm footing, and it may cost hundreds of dollars, months of suffering, and untold anxiety, before it can be cured. Dyspepsia, Indigestion, Billiousness, and similar stomach disease, are among the most stubborn ailments known. There is only one way to cure them. That is by removing the cause.
