Miller's Worm Powders act mildly and without injury to the child, and there can be no doubt of their deadly effect upon worms. They have been in successful use for a long time and are recognized as a leading preparation for the purpose. They have proved their power in numberless cases and have given relief to thousands of children, who, but for the good effects of this superior compound, would have continued weak and feeble.

Fine weather brought a large number of shooters to the miniature ranges on Monday night to take part in the spoon shoot and team matches. Scoring was not so high as former nights. In the class "A" match for the spoon, four ties were turned in and this will be shot off on Wednesday next before the other matches commence. The tie scores were made by G. G. McLennan, J. S. Moore, J. C. Stewart, and W. Walsh. Mr. G. M. Moore won the spoon in "B" class and Ernest McCabe in "C" class.

In the team match "Bunny" Moore's team again won, taking the lead in the first squad and maintaining it throughout the shoot.

**Scout News and Notices**  
 By Vernon F. Maddigan, Press Representative, the Boy Scouts Association

1st Charlottetown (St. Dunstan's)  
 Due to their rooms being used for other purposes this troop has been unable to hold regular meetings for several weeks. However the boys are getting in a lot of individual work on their Second Class tests and regular Troop meetings will be resumed next Friday night. The 1st Charlottetown claims to have in Scout Dave Shepherd the champion knot tier in the city. Perhaps a little inter-troop competition in knot tying might tell whether their claim is right or not.

2nd Charlottetown (King's Own)  
 There were 19 of the 23 Cubs present. After flag-break and the Grand Howl, Cub D. Murray was invested as Sixer of the Blacks. About 8 Cubs passed the Flag test. Bagheera Fred Shannon started the Tenderpads on their Hygiene Test of the First Star.

Only 14 of the 28 Scouts turned out on Friday night but in spite of the small attendance a good night's work was done. The twig alphabet was re-started and Terrence Fitzgerald made good progress in his tenderfoot tests. The rest of the evening was devoted to games and preparation for the coming concert. The programme was completed and the boys hope to have it ready before Easter. The programme includes a thrilling Scout play with several Jamboree features.

The attendance at the last few meetings has not been satisfactory but it is hoped that with the hockey and ice sports almost over there will be a change for the better.

3rd Charlottetown (Kirk)  
 At the last meeting second class test work was continued and special instructions were given on lashing as applied to bridge building with ropes and scout staves. A jolly sing-song brought the meeting to a close.

4th Charlottetown (Baptist)  
 There was a full attendance at the last meeting. Instructions were given in First Aid work by means of games. Standards were set for attendance at the summer camp.

5th Charlottetown (Zion)  
 Rev. Scott Fulton is now the S. M. of this troop. There were fifteen boys present at the last meeting and most of the boys passed the Compass test. Bob Cameron is now Akela of the Cub pack. First Star tests are the order of the day.

Unit One of the Vestibule Gilwell Training Course was brought to a close last Monday night. Notes were given on the importance of the Troop Committee. Instructions and a patrol competition in knot tying was carried out. Instead of the usual games the leaders taking the course resolved themselves into a dramatic club and presented the "Tragedy of the Bloody Dagger" to a small but very appreciative audience. But what the audience lacked in numbers was made up for in length.

The following leaders attended the course and now make up the 1st Charlottetown Gilwell Troop:  
 Prov. President, Geo. Phillips.  
 S. M., John McDonald, 1st Charlottetown (St. Dunstan's); F. L. Dick, Philliter, 2nd Charlottetown (King's Own); A. T. L., Matland Owen, 2nd Charlottetown (King's Own); P. L., Fred Shannon, 2nd Charlottetown (King's Own); S. M. John Lawson, 3rd Charlottetown (Kirk); A. S. M., Arthur Affleck, 4th Charlottetown (Baptist); A. S. M., Warren Burns, 4th Charlottetown (Baptist); S. M., Rev. Scott Fulton, 5th Charlottetown (Zion); A. S. M., Clarence Walker, 5th Charlottetown (Zion).

It was decided to commence Unit Two of the course next Monday night.

Lone Scouts  
 To "Belong" to the Boy Scouts is to be a member of the biggest, busiest, happiest, boy family in Canada. Scouting is the largest and most popular Boys Club in the world today.  
 Scouting is a programme offered to "red blooded" boys with the big outdoors as a background.  
 A Scout learns to recognize and know by name the trees, flowers, birds and animals.  
 He learns how to build his own mental farm, Charlottetown.

**Intermediate Abbies Defeat Montague 1 to 0**

Travelling fast inside Montague's blue line, young Whitlock, speedy forward of the Intermediate Abbies, slipped the disc past Mabeys, the eastern goalie for the one and only counter registered in last night's championship hockey fixture. His counter, coming seventeen minutes from the opening whistle in the first period will give the locals a one goal advantage when they face the rugged and heady Imperials in Montague tonight.  
 Upwards of five hundred well satisfied fans attended last evening, and were dished out great hockey in every frame. Good ice, too, added plenty speed to the fixtures which at times developed into a breakneck pace maintained by both lineups in almost every stanza. Not wishing to individualize, but the work of Mabeys and "Tid" McEwen in the Montague and Abegweit cages respectively was praiseworthy. Sensational stops when counters looked good was realized, by these two stellar goalies, and should tonight's clash be anything like the first, it looks as if another battle of net men will be the result.  
 The following were the lineups:—

LETTER OF SYMPATHY  
 The following letter of sympathy has been sent to Mrs. Douglas Jardine of Freetown from the Rev. W. Bruce Muir, of Charlottetown:—  
 "I wish to convey to you my deepest and most sincere sympathy in the sad bereavement you have sustained, in the loss for the time being of such a splendid husband. I had learned to admire him greatly and cannot express in words how much our beloved church will miss him both at Freetown and much farther afield. He was a splendid man in every way, and his deep religious conviction made his judgment of great value in the work of the church. I sympathize with you and your dear children with all my heart, and earnestly pray that God will continue his blessing to you and be a husband to the widow and a father to the fatherless. You can rest assured that you will meet a gain in the land where no grave is dug and where no cyprus grows. May God bless and keep you, be gracious unto you and give you that place which the world cannot give and cannot take away.  
 Again assuring you of my deepest sympathy, I am,  
 Yours most sincerely,  
 W. Bruce Muir.

**Horse Racing This Afternoon**

New Track Prepared And Pretty—Fast Times Expected—Great Interest In Big Match.

The track committee of the Victoria Driving Club have laid out a new course adjoining and south of the old one. They have scraped it with the road machine and it now has a beautiful smooth surface. With the warm air conditions which should prevail this afternoon it will be almost perfect and fast time will surely result.  
 Billy Cope, 2:12 1-2, making his first appearance on ice is an unknown quantity, but if he lives up to his performances on clay he may turn in a quarter mile below 30 seconds.  
 Brian Mac is out to beat the season's record of 30 seconds, while Major S., who was so good that nothing could be found to oppose him in the pacing classes, may beat the both of them. Anyhow it will be some speed feast. The match race between Peter Verde and Mack Todd is creating a lot of excitement. Mack was to the forge yesterday and was resod and is claimed he will now go perfectly clear and no breaks will be made by him. If so Peter Verde is in for the race of his life. The fact that considerable money is staked on this event will make it all the more interesting. In addition there will be three other classes so that every one will be assured of full value for their money. There is only one request that the horsemen make and that is, to leave a clear finish so as not to embarrass the horses when completing their last few strides.

**S'SIDE CURLERS REGALS WIN ENTERTAINMENT CLEAN CUP**

(Special to the Guardian)  
 SUMMERSIDE, Mar. 4—A representation of Charlottetown Curling Club members came to Summerside for the first time this winter and played a friendly match with the Summerside Curling Club tonight in the latter's rink. The visitors got a rousing greeting and were banqueted at the Curling Club rooms in Capt. L. A. Moore's best style. About forty sat down at the festive board at which good fellowship reigned supreme. The move to the tables was made by a procession round the rink headed by the bagpipes skillfully manipulated by the veteran Capt. Howard Fraser of Belmont, Lot 16, in Highland costume. The following contributed speeches which were real gems, more especially considering that each speaker was limited to one minute: A. E. Harris, acting president in the unavoidable absence of Pres. Robinson. C. G. Moore, Senator McArthur, H. T. Begg, Major T. A. McKenzie, Hon. A. F. Arsenault, M. L. A., Charles Toombs, L. R. Allen, M. L. A., M. P., Titus Rankin McLaine, J. J. Morris and H. T. Holman. Capt. Howard Fraser contributed a rattling Irish song "Mrs. Clara Nolan's Ball," and encored with "A Wee Deoch and Doris." God Save the King having brought these enjoyable preliminaries to a close, the players took to the ice and a friendly match of three rinks, twelve ends each was played in two sections, the first being as follows: Charlottetown, Summerside, J. McIsaac, Percy Weeks, Gordon Hutchison, E. M. Nicholson, Charles Toombs, W. B. McNeil, J. H. Fraser, A. E. Harris, Charlottetown 7 skip, Summerside 13 skip, Charlottetown, Reg Taylor, Summerside, R. B. Rankin, H. L. Sears, L. R. Allen, E. P. Foley, G. A. Callbeck, C. G. Moore, H. T. Begg, Charlottetown 7 skip, Summerside, 12 skip, J. R. Forbes, R. G. Callander, Major McKenzie, H. T. Holman, P. McLeod, H. M. Baker, F. R. McLaine, M. P. Titus. Charlottetown 15 skip, Summerside, 14 skip.  
 On the seventh end Mr. M. P. Titus made a record for the Summerside rink, scoring seven points out of a possible eight. As the score shows, Summerside won the first section with ten points to spare and the second session started at such a late hour that the score was not available.

Defeated Cape Traverse Bloodhounds Last Night 7 to 3.  
 Alberton Regals, fast and hard playing hockeyists defeated Cape Traverse Bloodhounds last night in the home rink by a score of 7 to 3. This win gives them the championship and the McLean Trophy, which was presented after the game by Mr. H. M. Downing of Summerside. There was a large crowd present. Henry Noonan refereed.

**ABEGWEIT PRACTICE TONIGHT**

The Abegweit hockey team are requested to turn out for practice tonight at 7:30 sharp in preparation for the game against the Wolverines on Friday. A full attendance is requested by Coach Prowse.

**Freetown Hockey**

The return match of the Cubs of Lower Freetown vs. the Bloodhounds of Freetown, took place on Freetown rink March 1st. A fast and interesting game was played, which was witnessed by a large number of fans for both teams. Owing to the condition of the ice, the more scientific stick handling was quite out of the question. The final score stood 2-0 in favor of the Bloodhounds, scores being made during the first period by George Lewis and Morris Deacon. The line up was as follows:—

Bloodhounds Goal Jesse Burns  
 Defence Walter Bernard  
 Forwards Walter Bernard
