

A SURGICAL OPERATION

If there is any one thing that a woman dreads more than another it is a surgical operation.

We can state without fear of a contradiction that there are hundreds, yes, thousands, of operations performed upon women in our hospitals which are entirely unnecessary and many have been avoided by

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

For proof of this statement read the following letter:

Mrs. Letitia Blair, Cannifton, Ont., writes to Mrs. Pinkham:

"I was sick for five years. One doctor told me it was ulceration, and another told me it was a fibroid tumor, and advised an operation. No one knows what I suffered, and the bearing down pains were terrible.

"I wrote to my sister about it, and she advised me to take Lydia E. Pinkham's Vegetable Compound.

"It has cured me of all my troubles, and I did not have to have the operation after all. The Compound also helped me to pass safely through Change of Life."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains and backache.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

THE KING'S COUNTY GUARDIAN

Offices in Montague, Capt. W. A. Johnstone, Manager; and in Souris, Morley S. Acorn, Manager.

Major W. A. Weeks, Charlottetown, was in Montague Saturday.

The Ferry wharf, Lower Montague, is undergoing much needed repairs.

Heber Fraze of Boston, spent a few days at Union Road, the guest of Mrs. J. Ross.

Mr. Stewart Hall, Wednesday evening, under auspices of Presbyterian, Mrs. Donahue will meet a cotillion at 8 o'clock.

Miss Olive Ross, who has been spending the summer at her home, Union Road, left Saturday accompanied by her sister Hilda on return to Boston.

We wish to say that you will find us right on ladies coats. Right in price, right in style, and make up. Can give you a good coat at \$5.00 and even at \$3.00. Then we have better ones at \$6.00, \$8.00, \$10.00, \$12.00, \$14.00 and \$15.00. Can we show you the line, we'll not press you to buy, if you don't see what suits you. J. R. Crockett & Co., Montague, 9-28drill.

In military circles in Quebec, Halifax and Prince Edward Island, many friends will be pleased to learn that Master Gunner W. J. Chiverie, a native of Souris, has received another promotion, and is now Warrant Officer. Six years ago he enlisted at Quebec, where his promotion and success were rapid during that time. He went to Woolwich, Eng., and qualified for master gunner, and has since been stationed at Halifax.

Souris has recently lost one of her most esteemed citizens in the person of Allan Boiesner, who has removed with his family to Charlottetown. During his residence in Souris Mr. Boiesner has proven himself an energetic and exemplary citizen, and those who have had business relations with him, have found him obliging, capable and prompt, and regret that the lure of larger opportunities has enticed him to leave a comfortable living among many warm friends. His friends bespeak for him that measure of success to which a man of his ability is duly entitled in his new field of labor, and recommend him highly to those who meet him in business or social relations.

In connection with the exhibition and horse races in Georgetown on Wednesday, L. G. Ives of Montague has made arrangements to start both his trotting stallions Brazilian 2:19 and Ozon D. (3) 2:27 for an exhibition heat. Ozon D. was the unbeaten 3 year old last year, being champion of his age at Halifax, but owing to an unknown cause was taken sick the night previous to his race in Halifax this year, and was unable to start. Brazilian 2:19, the well known show ring and speedway sire is one of the best bred horses in Canada. He still holds the 4 year old record for the Maritime Provinces and his good son Israel Tarte, 2:25, is the nearest to his mark. This colt has been the winner in his class at Halifax for the last 3 years. Brazilian was the only sire having three representatives in Halifax meeting this year, taking new records. Israel Tarte, 4 year old, 2:25. Lina Miller winning a 5 heat race, last time in 2:21 and Blomodian, a bay stallion weighing 1300 pounds, reducing his record to 2:23, and still lower at Chatham 2:21, and Brazilian S. got in the list this year at Sydney in 2:24. This will give the people of King's County an opportunity to see the two fastest and best bred horses in the county step on exhibition on their own track. 9-28drill.

NOTES OF THE EXHIBITION

The following are repeated today as they did not point clear in Saturday's issue.

L. M. Trask Co., St. John, had a "Woodpecker" Gasoline Engine at the exhibition. This make of engine is in general use throughout the Maritime Provinces and gives universal satisfaction. It is very compact, uses very little gasoline and was originally built especially for farmers, although now in general use everywhere. It runs so smoothly and steadily, and will carry such a heavy load, with so little effort, that it is very popular with the purchasing public. The fact of Mr. Trask himself being in charge of the exhibit, gives the greatest possible confidence in its excellent qualities and general usefulness.

One of the most attractive and best arranged displays at the Provincial exhibition was that of the Maritime Hat & Cap Co., Truro, and The Robert Taylor Co., Ltd., Halifax. George Buxton the popular representative whose permanent address is Queen Hotel, Charlottetown, was fortunate in securing a splendid location in the main building, and he arranged his goods in such a neat manner as to show to excellent advantage. Added to this was the fact that his lines of hats, caps, coats and shoes are so up-to-date and such exceptional value that they will no doubt be in much greater demand than ever before.

The Dixie Cigar exhibit at the Provincial Exhibition last week was most creditable, as it was in St. John where it received most favorable newspaper comment. It was in charge of Joseph H. McIntyre whose skill in the arrangement of his goods is exceptional. His display consisted mostly of the celebrated "Dixie" Cigar the quality of which can be relied on. Also but a short time on the market in the Maritime Provinces it is rapidly coming into popular favor as far as the best value at ten cents, it having an enormous sale in its native province of Quebec. Other brands displayed by Mr. McIntyre are Eldelina, Elliston, Camillo, Polo and Garcia Monno. In the booth there was also a complete stock of independent tobaccos and cigarettes.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure without treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Halls' Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from drop to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for anyone who can cure a case of Catarrh and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 7c.

The death occurred at Georgetown Sept. 24th, of Ethel Winnifred Hobbs, aged twenty-nine, beloved wife of W. C. Hobbs, butcher. The funeral took place to the Presbyterian Church Cemetery on Sunday at two o'clock p. m. Mrs. Hobbs was the daughter of James Henry Point, near Georgetown. She leaves to mourn a husband and two children, besides a mother, father, five sisters and two brothers. The deceased was sick about six weeks.

They offer one hundred dollars for anyone who can cure a case of Catarrh and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 7c.

Take Halls' Family Kidney and Bladder Pills for Catarrh.

One of the most interesting sights last week at the exhibition and one that attracted a great deal of attention from dairymen and farmers was that of the Sharplee Tubular Cream Separator. This separator is the result of thirty years experience in Centrifugal Separator building and is built by the oldest and best known manufacturers on the American continent. Such well known dairymen as Walter M. Lea, Victoria; Roper Bros., Charlottetown; Gavin Harding, Graham Road; and many others have selected and are using this machine. Some of them, for many years. The superior features are, low supply can, enclosed self oiling gear-line, simple bolt, easy washing and which is most important clean skimming. A copy of the government test displayed shows its exceptional standing. The exhibit was in charge of H. A. McArthur of Sussex, N. B., and Wm. Myers of Toronto, Ont. The local agents are the Frost & Wood Co.

Minard's Lament for sale everywhere.

The "Favorite" is the Churn for a Woman

No more tired arms—no more aching backs.

The "Favorite" can be operated by hand or foot, or both—while you are sitting in a chair. Easier than a sewing machine. Steel roller bearings and other improvements make it the ideal churn for farm and dairy. 8 sizes, to churn from 1/2 to 30 gallons of cream.

"Puritan" Reacting Washing Machine

Improved Roller Gear—covered with only two of its many improvements. Beautifully finished in Oak, Royal Blue or Wine Color, and Silver Aluminum. Write for booklet about these universal favorites. If your dealer does not handle them.

DAVID MAXWELL & SONS, St. Mary's, Ont.

SATURDAY QUEENS COUNTY

Owing to inadvertence in the mechanical department the following locals, set in type for Saturday's issue, did not appear.

Frank and Mrs. Cates of Amherst are in Charlottetown.

G. F. and Mrs. McLean, Amherst, are in the City, guests of Victoria Hotel.

Any girl desiring work should apply to 252 Prince St. Fe. classified column.

Miss Cassie Parker and Myrtle McAllister of Amherst, are visiting in Charlottetown.

Thousands of people, who from day to day this week crowded The Guardian's offices to see the type setting machines and monster printing press, along with all the other up to date machinery, were greatly surprised to find such a display of machinery and people in a province of, but one hundred thousand. Among the visitors were several practical farmers from other parts of Canada who had not thought that any newspaper in this isolated province could have such a complete plant.

You can go out to wear it—but you cannot wear IT out.

Buckley Hat.

Owing to the press of exhibition copy this week the weekly sermon does not appear today but will be resumed next Saturday as usual.

In art work in the class of Pastels Copies for Landscape and Marine, Mrs. D. W. White won first prize instead of Miss Beatrice McKinnon as was stated in yesterday's issue.

The display of apples at the Provincial Exhibition by that veteran fruit grower, John Robertson, Inkerman was of a very high standard. Mr. Robertson is accustomed to so many first prizes that they are never new to him. His gavenstein apples were even better than those of Nova Scotia, and the latter province bears an enviable reputation for the growing of fruit. His special "Inkerman" apples, the only one of its kind in the province, came in for much favorable comment. Mr. Robertson not only knows how to grow fruit but he also knows how to pack it in high grade boxes of his own manufacture.
