A Stanchel correspondent writes: "The roads in this vicinity are in a deplorable condition, seldom ever seen much worse at this season of the year. Miss Margaret Dixon has returned to her home here after visiting friends in Charlottetown. Our school is making rapid progress under the skillful management of our teacher, Miss Laura Morrison. We are glad to know that Grace Dixon, little daughter of Henry Dixon, has fully recovered from her recent attack of illness under the skillful care and treatment of Dr. J. D. McEachern. Miss Laura Morrison, who is in the Valley, spent Sunday in Stanchel. Fred Dixon has returned to his home in Mermaid, Lot 48, after spending a couple of months here, the guest of his brothers. A gloom was cast over this community by the death of a highly respected lady, Mrs. Ewen Lamont. The deceased was a lady of sterling character, a kind and lovable disposition and will be greatly missed in the community of which she was long a resident. Her funeral which took place Saturday, to Springton Cemetery was largely attended, showing the respect in which the deceased lady was held. Miss Amelia McDonald has returned home from visiting friends in Charlottetown. Miss May McLeod has returned to her home in Bradshaw, after spending the winter with her sister, Mrs. Jas. Dixon. The mills here owned by Dixon Bros. are doing a rushing business this spring. As the water supply does not prove sufficient to conduct so large a work the firm propose putting in an engine which will no doubt aid them considerably. The stork recently visited the home of Donald and Mrs. McIntosh, a daughter, hearty congratulations. Miss Belle Hume of Wood Islands is visiting in Stanchel, the guest of her sister, Mrs. Donald McIntosh. Herbert Dixon caught a trout in Dixon's mill-pond which measured 16 in. in length and weighed 2 1/2 lbs. Beat that who can?—Tommy.
