THE QUEEN'S COUNTY GUARDIAN

It pays to buy in this Province.

Mrs. Albert Aitken, Georgetown, spent the week end in Charlottetown.

A. C. Rogers, Summerside, was in Charlottetown yesterday and left on return in the afternoon.

Rev. Mr. Wightman, Montague; Rev. Mr. Jewett, Murray Harbor and Rev. Mr. Watson, Winsloe, leave this morning for Fredericton, N. B.

B. W. Lepage, Rusticville, was among the visitors to Charlottetown yesterday. He was registered at the Queen Hotel.

Rev. H. G. Mellick and wife will make a visit to P. E. Island in July. Mr. Mellick will speak at the island association meeting—Maritime Baptist.

Robert Affleck has sold his large residence at Mt. Stewart for Mr. Cowan. It is likely that Mr. Affleck and family will move from Mt. Stewart. They will be greatly missed.

The congregation that packed the Marie Methodist Church on Sunday evening, June 2nd, was greatly pleased with the rendition of two solos by Mr. Dover of Boston a nephew of Mrs. Kanneen of St. Peters.

At the Head of Hillsboro there lives a remarkably smart man for his years. The other day the writer was informed he went out and made turnip drills and also sowed some grain broadcast—but he is only 87 years old—his name is Mr. Affleck. Who next?

Yesterday the S. S. Harland left Charlottetown at one o'clock in the afternoon for Orwell ports and returned at Brush Wharf over night. She will return this morning and make the trip to Orwell and return this afternoon leaving Charlottetown at 3:00 p.m.

Yesterday Bruce Stewart & Co., Ltd., shipped to George Hume, Montague, a new steam boiler for his tannery. The other day an order for a new boiler was received from one of the Province's most prominent cheese factories and is now in the course of construction. The firm's stock of Imperial motors is oversold at present but about three hundred are in the course of erection for immediate delivery.

Miss Annie Murphy, formerly of Charlottetown and now residing at Amherst, N.S., who spent the past two weeks in Charlottetown through the efforts of Edward and Mrs. Higgins Bayfield Street, has returned to her home. Miss Murphy will be one of the principals in a very interesting event which takes place in Amherst this week when she will become the bride of Walter Husey of Pugwash. They intend to reside in Vancouver. Miss Murphy is a most popular young lady and has hosts of friends in her native city who will tender their best wishes on this happy occasion and at the same time greatly regret that she is removing so far from her old home.

The Cathedral of the Immaculate Conception was the scene of a pretty wedding at 6 o'clock yesterday morning when Rev. A. W. Meahan united in marriage Miss Annie J. Nugent and Thomas E. Walsh, both of this city. Miss Minnie Crowley was bridesmaid. The groom was supported by his brother, William Walsh. After the ceremony, the bridal party drove to the home of the bride's sister, Mrs. J. Dwyer, Sewell street, where breakfast was served. After breakfast Mr. and Mrs. Walsh left on the Digby boat for a honeymoon trip through the Annapolis Valley and also to Prince Edward Island. On their return they will reside at 177 Rockland road. Many handsome presents were received by both the bride and groom.—St. John Ecx.

Rev. J. A. Gordon, D. D., of the First Church, Montreal, a native of P. E. I., has been voted a three month's vacation by his church. The Montreal Witness says:—"At a recent meeting of the members of the First church, it was decided that the thirteen years of service of Doctor Gordon in the pastorate of the church should be recognized by granting him the summer for travel and rest, especially since the pressure of the work prevented him from leaving the city last summer. In addition to the responsibility for his own congregation, Doctor Gordon has been the leader in the Baptist missions to the foreigners in the East End of the city during the past winter, so that the rest made possible by the action of the church is very necessary. Doctor Gordon will leave on his vacation about the middle of June."

The Eastern Townships Associated Boards of Trade, Sherbrooke, Que., have joined forces and issued a most attractive and artistic publication setting forth the opportunities of their country. The edition is nicely illustrated and should offer to the Boards of Trade of this Province valuable suggestions as to advertising their own fair country.

READING GLASSES

A good many people think that in selecting glasses for reading it is quite sufficient to merely try on various pairs of glasses, until a pair which they think suits is found.

WE THINK DIFFERENTLY

The same careful, exacting test is necessary to determine whether the two eyes are alike, or whether Astigmatism or other defect be present.

EVERY woman occupies a position somewhere between the imperfect and the ideal. Sometimes all one requires to give her an ideal figure, is a properly selected, perfect-fitting corset.

It is marvelous--what a difference this corset will make--and how well worth while it is!

Every woman can find her prototype in a W. B. Corset. No matter what her lines, she can find in the W. B. Corset line the model which will make her figure ideal.

For slender figures and those of average proportions, we have a well graded series of W. B. Erect Form and Nuform models, which for variety and beauty could hardly be surpassed.

The more Junoesque types of feminine loveliness will find the W. B. Reduso Corset their greatest boon. For while the dignity that goes with added weight is admirable, it may be marred by imperfect proportions. And when a Reduso corset will produce perfection, why not employ it?

The bust, the hips, the abdomen, are all adjusted to more graceful proportions, and proper poise is easily attained by wearing the Reduso.

The fabrics, trimmings and boning in all W. B. Corsets are of a standard to please the most fastidious.

W. B. Erect Form and Nuform models \$1.50 up.

W. B. Reduso models \$4.00 to \$10.00.

Most authorities will concede that Mrs. Marvin is an authority on Corsets and her opinion is highly valued among those who know.
