ALL EYES sooner or later are candidates for glasses. Only an expert optician can tell you just when that day has arrived. A sensible regard for one's eyesight dictates the use of spectacles the moment they are necessary. Show foresight and not hindsight in safeguarding your vision. An examination by which costs nothing may prevent consequences which later on would be inevitable. We fit everyone exactly. L. W. COOK Jeweler and Optician, Cor. Great George and Grafton Sts.

The main points of a Carriage can hardly be treated in an issue or two. Our idea is to impress upon you the necessity of examining several parts which go toward the "making" or "unmaking" of the work. SPRINGS - For instance, builders to reduce the cost of "too many styles," get their end or side springs, (as the case may be), all of certain size and style, notwithstanding the fact that although the weight may admit of it, a different body, in the same spring on many styles, the hinges may be used for very different purposes. Every carriage we build has a spring to suit its use. Our "springs" are in effect a "protect against inferior work." SERIAL or WORKMANSHIP AT ANY TIME. The Nova Scotia Carriage Co. Ltd. The two year old daughter of Joseph McDonald of Bideford met death under sad circumstances on Saturday morning. On the previous afternoon the mother of the little girl had been using some carbolic acid and had only left a few minutes and gone upstairs when she heard the child scream. The little one had reached the bottle and had innocently drunk some of the contents. Medical aid was at once summoned, but the poison had done its work and after about twelve hours suffering death came.

St. Ann's Church, Hope River, was the scene of a pretty wedding on Monday, July 13th, when Thomas F. Hughes of Emerald, was united in marriage to Miss Agnes L. Murphy, of Hope River. The nuptial bonds were sealed by Rev. Monsignor Gillis, assisted by Rev. James E. McDonald. The bride was dressed in cream satin with chiffon and applique trimmings and was attended by Miss Maggie Hughes, sister of the groom, who wore white organdy. B. L. Cahill, Vice-Principal of Alberton School, cousin of the bride, acted as groomsmen. After a pleasant drive through a beautiful section of the country the wedding party repaired to Hope River, where the spacious house of the bride's father was thrown open to the visiting friends and neighbors of the contracting parties. After the sumptuous dinner was partaken of, the health of the bride was proposed in an appropriate speech by Mr. Hogan and appreciative speeches were added by Hon. William Campbell, Dr. St. C. Gallant and B. L. Cahill. In the evening a reception and dance took place and the many friends of the contracting parties gathered to wish the young couple God speed on their voyage through life. The wedded couple received many and handsome presents which will be a lasting testimony of their popularity. Mr. and Mrs. Hughes are well known throughout the Province, and carry with them to their new home the good wishes of all.

LET OTHERS EXPERIMENT There is always something new in the way of medical treatment, and you are constantly invited to try new fangled, unproven remedies. Let others experiment and so risk health and lose time. Dr. Chase's Kidney Liver Pills have been tried in the cradle of time, won the approval of public opinion and demonstrated their right to a place in every home as family medicine.
