know that I am still alive though wounded.

I got hit on the 13th of Oct. at 5.30 in the evening. We had pretty heavy fighting all the afternoon during which we captured a strong position of the enemy. I got hit on the head with a piece of shrapnel, and was knocked out for a while. I am in Hospital now and coming on all right.

I would have written sooner, but was not able. There was seven out of my platoon got it the same time as I did.

This is all I can write at present. So good-bye with love.

WOMAN WOULD NOT GIVE UP

Though Sick and Suffering; At Last Found Help in Lydia E. Pinkham's Vegetable Compound.

Richmond, Pa.—"When I started taking Lydia E. Pinkham's Vegetable Compound I was in a dreadfully rundown state of health, had internal troubles, and was so extremely nervous and prostrated that if I had given in to my feelings I would have been in bed. As it was I had hardly strength at times to be on my feet and what I did do was by a great effort. I could not sleep at night and of course felt very bad in the morning, and had a steady headache.

"After taking the second bottle I noticed that the headache was not so bad, I rested better, and my nerves were stronger. I continued its use until it made a new woman of me, and now I can hardly realize that I am able to do so much as I do. Whenever I know any woman in need of a good medicine I highly praise Lydia E. Pinkham's Vegetable Compound."—Mrs. FRANK CLARK, 8146 N. Tulip St., Richmond, Pa.

RALLY SUNDAY.—Millview Sunday School held its annual Rally last Sunday. There was a good attendance and the most of the hour was taken by the school with music, recitations, etc.

NEW SAW MILL.—Mr. Anson Jones is erecting a steam saw mill at Hazelbrook, which will, no doubt, prove of great convenience to the community.

NEW COTTAGE.—The centre cottage of the three situated on Spring Street, near the Government Pond, is now under construction. The three houses are all of the same artistic design, and are being finished in artistic style and colour.

WOMEN'S INSTITUTE MEETING.—The women of the "Cumberland" Institute met at the home of Mrs. Owen King on Thursday, Oct. 28th. Fourteen members were present, also a number of visitors, who spent the afternoon in sewing for the Red Cross. The meeting was then closed. It was decided to hold the next meeting at the home of Mrs. T. E. Murphy, Cumberland to do Red Cross Work.

MORE SWEETS WANTED.—Mr. and Mrs. Theo Leclair of North Rustico have received an interesting letter from their son Albert Leclair who is at present fighting in France. Private Leclair speaks of meeting Frank Looze, a lad from P. E. Island, with whom he now shares a room, and that he is a great fellow. He also received letters and papers sent him from home and makes a strong plea for his home friends to send him out some cake or sweets of some kind and especially to send good warm stockings which are all well and happy. Private Leclair was one of the first to volunteer when the war broke out and was in Valcartier for some months with the Red Cross Corps. He returned here about May 29th, and immediately joined the Light Horse with whom he crossed the Atlantic in the "Crested" address is A Squadron 6th Regt., 2nd Royal C. M. R. Canadian Army Corps, B. E. F., France.

THANK-OFFERING SERVICE.—Last evening the W. M. S. of St. James' Church held their annual Thank-offering service, which was quite largely attended. Rev. Mr. Millar, of Alberton, who has just returned from Trinidad, was present upon invitation and gave an excellent address on the splendid work being done in this our native country. The Canadian Presbyterian Church, of the great strides being made in education under the supervision of Dr. Coffin of this province, whose good work cannot be estimated. The growing need of more educational advantages for the boys and girls was explained and the hope expressed that a way would be made clear that more teachers and preachers could be sent to this field where the East Indians are so densely populated and among whom the Canadian missionary, when once established, does such magnificent work. The best of the West Indies were portrayed and many other pleasing incidents described. Solo by Miss Helen Hughes and Miss J. McDonald added to the pleasure of the meeting over which Rev. Dr. Fullerton presided. Quite a large thank-offering was taken.

PATRIOTIC MEETINGS.—A patriotic meeting will be held at Bonshaw to-night; another at Long River on Tuesday, and one at Hantsville on Thursday next.

REPAIR TO FENCE NECESSARY.—For the last few weeks a section of the wooden guard rail, about 50 feet long, which runs around the approach to Hillsborough Bridge, has been missing. The neglect of this small repair is probably a matter of lack of knowledge. An involuntary plunge into two feet of icy water at high tide some dark night might have serious consequences. The exact spot is near the bridge which crosses the ditch. There are some ugly holes there also which a cartload or two of earth would easily fill in.

MEMORIAL SERVICE.—The memorial service of the Knights of Columbus was held in their hall on Tuesday evening. The service was largely attended and was of a most impressive character. His Lordship Bishop O'Leary was the preacher on the occasion, his sermon ranked with his best efforts taken at addresses, and also delivered by Messrs. James Landrigan, John Bradley, C. G. Duffy and Dr. W. J. McMillan in the order named. The Knights choir, under the direction of Mr. W. J. Brown, rendered all appropriate musical programme. The names of the Knights who have passed to the Great Beyond during the year are Gilbert DesRoches, James H. Reddin, Thomas P. Cass and Michael McElroy.

CONDITION VERY SERIOUS.—It will be learned with sincere regret by many friends in Charlottetown that the condition of Mr. Harold Ritchie of Ottawa, to whose accident reference was made yesterday morning, is now considered very grave and no hope is entertained of his recovery. A telegram received at his home here yesterday morning, in which the way in which the accident occurred, is set as follows: "While hunting with friends from the house his shot gun slipped off a log on which he was standing, the charge entering his abdomen. A doctor was summoned at once and he was taken to hospital, apparently with little suffering. No blame attaches to any one. He is resting quietly now." In response to the first intimation announcing the accident, Mr. and Mrs. Andrew Ritchie, the young man's parents, left Tuesday morning for Ottawa. They arrived there yesterday about noon, and after seeing him Mr. Ritchie wired home yesterday afternoon stating that Harold's condition was very serious, the doctors holding out no hope.

A CHRISTMAS THOUGHT.—It is only about seven weeks to Christmas. By that time there will be 50,000 Canadian boys in the trenches of Flanders. Many of these will be Prince Edward Islanders. What will their Christmas be like? There is one Christmas promise that should take precedence over all others this year, and that is the present from the folks at home to the boys at the front. The boys in the trenches, those who are fighting our battles, must have a "Happy Christmas" in so far as it is possible to have under the circumstances. It is up to the people to see that this is the case. It takes at
