NATURE SOUNDS A WARNING CALL
To everyone in poor health. Now is the time to get strong, build up, and increase your weight. Use Ferrozone the Great Food Tonic.

Most of us make the mistake of neglecting the first message that comes from our body, only demanding more strength and less nervous strain. When any organ of the body becomes feeble, when the brain wears and the nerve rebel against work it's time to take Ferrozone and build up. The purpose of Ferrozone is to stimulate appetite, improve digestion, convert food into nourishment and supply the kind of blood and building material that fortifies the nervous system and strengthens the whole body.
Ferrozone is not an unnatural stimulant, but a food in itself combining the most strengthening elements known to science. Unlike sickly cod liver oil mixtures and biters, Ferrozone is prepared in tablet form, convenient to take and always of uniform strength. It's health-giving properties are at once felt, and it is sure to help you quickly. Striking proof of its merits is found in the letter of Mr. N. W. Burke, a well-known lawyer in Montreal, who says: "When I first took Ferrozone I was in a nervous run-down condition almost sick enough to give up work. I lacked strength a lot and felt as if I could not get down to work. Ferrozone at once gave me a good appetite and drove away the nervous apprehensive feelings that form a very real life misery. As I continued the use of Ferrozone I grew stronger and an glad to say it brought me back to perfect health. I know that Ferrozone is an excellent tonic for business men, and people inclined to a sedentary life. I can recommend it to such."
Ferrozone is endorsed by prominent people in every walk of life because it never fails to bring the good health that sick folks are looking for.
You must be sure to get Ferrozone and don't buy any substitute. Price 50c per box, or six boxes for \$2.50, all registered or by mail from N. C. Polson & Co., Kingston, Ont., and Hartford, Conn., U. S. A.
